## COURSE REQUIREMENTS

---

### Course Requirements

---

A syllabus serves as an instructional and study planning document for both faculty and students. Although every effort will be taken to complete the semester according to the syllabus, it may become necessary to make certain changes to better facilitate the academic environment. In such an event,

changes will be announced within one week of the change decision in the Canvas classroom. Changes may be made within the last two weeks of the semester only in exceptional circumstances. Conflicts between Canvas and the syllabus will be resolved according to the syllabus. Following is a description of the major course assignments as well as other components that make up the total grade for this course.

### *Professional Etiquette*

---

Students are expected to embody professionalism to include the following: ***Demeanor*** – polite and well-spoken, demonstrating tact, respect, compassion, appreciation, inclusive, mature - not rude, belligerent, arrogant, or aggressive; ***Reliable*** – follow through on tasks in a timely manner, communicate unanticipated events; ***Competent*** – commit to learning and applying content from the course, act in a responsible manner and practice sound judgement, seek assistance when appropriate; ***Ethical*** – honest and trustworthy; ***Equality*** – refrain from giving or seeking preferential treatment unless supported by the office of Student Success, adhere to published policies of the university, seek assistance or clarification when appropriate. A student's behavior that is unprofessional and or violates netiquette expectations will receive a Canvas Inbox message from me and a 10% deduction on the course requirement. A 25% deduction per occurrence will be assessed on the course requirement thereafter. Online netiquette and in-person professional conduct is related to course outcome 6 and is required at all times.

### *Understanding of Course Design*

---

This course design is a traditional approach to learning content. This course design is intended to ensure students' understanding of foundational information related to the human resource management discipline. As a result, this course presents modularized content supported through videos and discussion; then, assessed through objective quizzes and exams as well as subjective short essays and papers.

### *Discussions: (5 discussions 30 points each, total 150 points)*

---

Discussions are intended to create student-to-student interaction in the course as well as teach and reinforce module concepts as well as to help prepare you for the module level ***exams 1-5***. Discussions are anticipated to take approximately 60-90 minutes. The approximate length of initial response should be 1 to 2 paragraphs long (about 100-200 words) for discussions. Follow-up responses can be a more conversational tone; however, they should also add to the conversation beyond a simple post summing to "I agree." A rubric with the grading criteria is located in the Additional Resources module in the online classroom. Discussions require two initial posts (1 per topic) and four follow-up posts for a total of 6 posts.

Discussion instructions are located in the discussion link posted in the module content folders of the week they open. Discussion instructions can also be found on the left main menu under Discussions. Discussions are interactive and time sensitive; therefore, contributions to discussions will not be accepted late without written documentation of an unavoidable or unforeseeable event.

See rubric for grading details.

### Individual Assignments: (3 assignments 50, 80, 120 points each, total 250 points)

---

Assignments in this course are qualitative assessments of module-level learning objectives, which are designed to help you practice applying course concepts to solve HR problems. A rubric entailing the grading criteria is located in the Canvas classroom under the assignment link.

Assignments 1 and 2 are essay assignments intended to develop your college-level writing and APA skills, which you will need in subsequent courses. These essays are text entries in the Canvas assignment link, not an MS word file upload. Assignment 3 is substantially more significant in the time required as well as content. You are intended to have developed and practiced college-level writing and APA citation style or have sought assistance to improve these skills in previous assignments. In this assignment, you will be creating the APA layout in a word document, and providing a well-written, well-developed paper.

You are required to use American Psychological Association (APA) formatting. VeriCite is enabled. Students whose assignment includes plagiarism will receive a 0 on the assignment and possible referral to Student Affairs. However, I reserve the right to reduce the penalty if I believe plagiarism was unintentional or very minor in impact. Please review my policy regarding Plagiarism under Instructor's Policies. If you are unfamiliar with APA, I encourage you to investigate the links provided in the Orientation module labeled About Assignments. I also suggest that you purchase your own copy of the Publication Manual of the American Psychological Association (APA, 6th ed.). TAMU-CT offers its students tutoring in writing and APA, both on-campus and online. For hours, or if you're interested in becoming a tutor, contact Academic Support Programs at 254-519-5496 or follow this link to TAMU-CT Student Tutoring and click on "Academic Support" for more information.  
<http://www.tamuct.edu/departments/student-affairs/index.php>

Assignments may be turned in up to three days late with a 10% late penalty per day. Assignments are not accepted after three days late without written documentation of an unavoidable or unforeseeable event preventing you from completing and turning in the assignment during the week it was available for submission. For more information about my policy regarding late work, please review Late Assignments under the Instructor's Policies. Assignments represent the independent work of students; teamwork will not be permitted on assignment. Further, any assignment not made up as approved and arranged by the professor will receive a zero.

**\*\*Points will be deducted as I see fit for APA issues. Should a paper be turned in without proper APA citations, it is considered plagiarized and I have the right to issue a zero. Warnings will always be given on the first paper.**

See Rubrics for grading details.

## COURSE AND UNIVERSITY PROCEDURES AND POLICIES

---

### Drop Policy

---

If you discover that you need to drop this class, you must complete a [Drop Request Form](#) [[https://www.tamuct.edu/registrar/docs/Drop\\_Request\\_Form.pdf](https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf)].

Professors cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. You are to attend class until the procedure is complete to avoid the

penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

### Academic Integrity

---

Texas A&M University-Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university's Office of Student Conduct. Ignorance of the university's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

## The University Writing Center

---

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University-Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online-only hours from 12:00-3:00 p.m. on Saturdays.

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WOnline](https://tamuct.mywconline.com/) at [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu) for any assistance needed with scheduling.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

If you have any questions about the UWC, please do not hesitate to contact Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu).

### Instructor Policies Related to Absence, Grading, etc.

---

#### *Due Dates and Late Submissions*

---

The assignment instructions and deadlines are clearly laid out in the syllabus. If you encounter an issue, please let me know as soon as possible. It is much easier to discuss issues before due dates rather than after. Late penalties are severe and as follows:

1. *Discussions* – Discussions are interactive and time sensitive; therefore, contributions to discussions will **NOT** be accepted late without written documentation of an unavoidable or unforeseeable event.

2. *Assignments* - These will remain open for 3 additional days and you will receive a 10% penalty per day.

3. *Quizzes* – You have 48 hours after a quiz is due to fill out a form located on the quiz page in Canvas. I may allow you to take the quiz with a 10% penalty and will only allow 24 hours from time of approval for you to take the quiz.

4. *Exams* – If you miss an exam without notifying me in advance, I may allow you an opportunity to take it (not guaranteed) if you contact me within 48 hours of the due date. If I allow you to take it, you will generally score no higher than a 70 regardless of how high your score is.

#### *Plagiarism*

---

**Students whose assignment contains plagiarized information, i.e., failing to cite and reference the information source in properly applying APA formatting to citations and references, will receive a 0 for the assignment and possibly a referral to Student Affairs.** However, I reserve the right to reduce the penalty if I believe plagiarism was unintentional or very minor in impact. Students whose assignment contains inadequate effort will receive a substantial deduction in points, i.e., a citation that does not include the author and date in the citation or a reference missing the majority of the required information. All students suspect of academic dishonesty will be reported.

#### *Being an Online Student*

---

Students' learning experiences will be largely impacted by interaction with the instructor and other students as part of a learning community. Therefore, by registering for a Web-based course, you have

committed to participate in your course discussions as well as other online activities. Plan to participate regularly. Keep in mind that this course is a full sixteen-week course:

- The Canvas class begins on Monday and concludes on Sunday. Each module includes quizzes, discussions covering two topics, and one module comprehensive exam.
- I suggest briefly reviewing the discussion and assignment descriptions due in the current module when they are made available before you complete required reading assignments and view multimedia.
- Read assigned readings and provide your initial response to the first topic as soon as the discussion is open. Then, as you read the next chapter, respond to the second topic. Finally, go back and follow-up with other student postings. Remember this is a discussion. So, plan time to read other students' posts.
- Begin developing ideas for your assignment when you read the related chapter. Some students will complete the assignments quickly, and others will take much longer. Please plan accordingly to ensure you do not encounter technical difficulties trying to submit the assignment to Canvas at the last minute.
- Each exam is due on Sunday at the conclusion of each module. Each exam covers only one module.
