A Note about Sexual Violence at A&M-Central Texas: Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

When you are at a local school, you will remove facial and/or multiple ear piercings. You will be clean and follow the rules of good hygiene. If you are not professional, you will be removed and/or sent home. You must attend all field experience classes. Because the school allows us to come, meetings missed may not be made up.

Attendance and Late Assignment Policy:

Attendance: Professional behavior and commitment to teaching are the expectations. Attendance and punctuality are required. It is not possible to make up the work missed during the class period since it involves interactions of students, instructor, and content.

Three class absences for any reason will result in lowering the final grade by a letter grade. Four or more absences will result in failure of the class. Tardies will result in the loss of professionalism points. Four (4) times a student is tardy for 15 minutes or more is equal to one absence. Students missing class are responsible for notes, handouts, assignments, and any changes in schedules. Your commitment to becoming the best teacher possible includes regular, timely attendance and participation.

Late Work: Work is due according to the course calendar. No late work will be accepted except under extenuating circumstances which are communicated with the professor in a timely manner. If an extension is granted, the late work may be subject to deduction of points of 10% each day past the due date. If the assignment is due on Canvas, and it is late, the assignment date will not be reopened. Supplemental assignments are not available.

Class Participation: Being prepared to participate includes completing assigned reading and bringing necessary textbooks, assignments and materials to class. You are expected to read before the class session, actively participate in classroom assignments and discussions, and fully participate in online work. Any in-class presentations and activities cannot be made up. The use of technology, to include cell phones and other electronic devices, can enhance learning and the educational experiences; however it can also become a distraction to the learning tasks at hand. Off-task technology usage will result in deduction in professionalism points.
