PROFESSOR POLICIES

Attendance.

Your commitment as a graduate student includes regular, timely attendance and participation. Professional behavior during class is an expectation. Attendance will be taken at the beginning of each class. Each unexcused absence will result in a 10 point deduction from your overall grade at the end of the semester. It is NOT possible to make up the work missed during the class period since it involves the interactions between the students and professor related to course content objectives and reading.

Late work will not be accepted unless given prior approval by the professor. In most situations, a doctor's note or legal documentation will be required. In the event of an excused absence (via doctor's note), you are responsible for asking a classmate to take notes and gather handouts or class information for you. It is your responsibility to find out what you missed.

Being prepared to participate includes completing assigned reading and bringing necessary materials and assignments to class or posting in Canvas.

Cell Phones.

Cell phones must be silenced during class. The use of cell phones, smart phones, or other mobile communication devices is disruptive and is therefore prohibited during class. Except in:

1. emergency situations - please make prior arrangements with the professor
2. acceptable use - the professor will direct you to utilize your cell phone, smart phone, or other mobile device for educational purposes

When in doubt on collaboration, citation, or any issue, please contact your professor before taking a course of action.

Academic Accommodations.

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier free education. A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

The University Writing Center.

Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University-Central Texas is a free workspace open to all TAMUCT students from 10am-5pm Monday-Thursday with satellite hours in the University Library on Monday-Thursday from 6:00-9:00pm. Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOOnline at](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu to schedule an online tutoring session. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University Writing Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.
