By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L). Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

**Field Experience:** Texas A&M University-Central Texas students working toward becoming teachers are guests in the schools in which they are placed. When you are at a local school, you will remove facial and/or multiple ear piercings. You will be clean and follow the rules of good hygiene. *Remember, every time you are in a school, you are on an interview.*

### Attendance and Late Work Policy:

**Attendance:** Professional behavior and commitment to teaching are the expectations. Attendance and punctuality are required. It is not possible to make up the work missed during the class period since it involves interactions of students, instructor, and content.

Three class absences for any reason may result in lowering the final grade by a letter grade. Four or more absences may result in failure of the class. Tardies may result in the loss of professionalism points. Four (4) times a student is tardy for 15 minutes or more is equal to one absence. Students missing class are responsible for notes, handouts, assignments, and any changes in schedules. Your commitment to becoming the best teacher possible includes regular, timely attendance and participation.

**Late Work:** Work is due according to the course calendar. No late work will be accepted except under extenuating circumstances of which are communicated directly with/to the professor in a timely manner. If an extension is granted, the late work may be subject to deduction of points of 10% each day past the due date. If the late assignment is due on Canvas, the assignment date may not be reopened. Supplemental assignments are not available.

**Class Participation:** Being prepared to participate includes completing assigned reading and bringing necessary textbooks, assignments and materials to class. You are expected to read before the class session, actively participate in classroom assignments and discussions, and fully participate in online work. Any in-class presentations and activities cannot be made up. The use of technology, to include cell phones and other electronic devices, can enhance learning and the educational experiences; however it can also become a distraction to the learning tasks at hand. Off-task technology usage will result in deduction in professionalism points.

**Cell Phones:** Cell phones may be a beneficial tool in the classroom. They may also be a distraction. I will ask you to use your phones in class intermittently. If you must have your cell phone out during class on a consistent basis, place it face down on the table. If you choose to use your at an inappropriate time, you choose to disrespect others and to lose professionalism points.

This syllabus is subject to change.
