Discussion Board Rules
This is a space for us to share our ideas, engage in dialogues, and learn from each other. Below are criteria for the discussion post, criteria for content of the discussion post, and rules about etiquette.
Criteria for discussion post: The response post should be at least 100 words and is due by the end of the class time that day.
Criteria for content: The content of the discussion board should be your own ideas supported by information from the text, assigned readings, PowerPoints, or other scholarly references you find. You post should not entirely consist of quotes from an outside source, regurgitation of someone else’s ideas, or personal stories.
For example:
Big Bird (2012) stated that sexual violence was not an issue in developed countries. I disagree with that statement. I intern at a domestic violence shelter for my practicum and hear about the violence that occurs in this area. Even though Elmo (2013) stated that violence against women is lower in countries that have more liberties for women, violence against women in developed countries is still an epidemic. Since most victims of sexual violence know their perpetrator (Kermit, 2007) and most perpetrator are male (Dora 2013), I believe that we should develop preventative programs in middle and high school about sexual violence.

Discussion Board Etiquette:
- Refrain from inappropriate language and personal attacks.
- Review your comments before you post for spelling and grammatical errors and to make sure it’s what you really want to say.
- Do not make sexist, racist, homophobic, or victim-blaming comments at all.
- Disagree with ideas, but do not make personal attacks.
- Be open to be challenged or confronted on your ideas or prejudices.
- Challenge others with the intent of facilitating growth. Do not demean or embarrass others.
- A majority of your reply should not be quotes from the initial post.

University Writing Center.
Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-4:00 p.m. Monday thru Thursday with online only hours Monday thru Thursday from 6:00-9:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WCOnline. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.
