I. COURSE REQUIREMENTS

A. Students should complete a minimum of 150 site supervised contact hours in the placement. (The practicum/internship is for the duration of the semester regardless of the number of hours obtained.) These hours must be verified by the site supervisor on approved time sheets. Site supervisors are also asked to sign, and thereby verify, supervision of at least one (1) hour of group/individual face-to-face supervision each week (at least ½ of the total supervision hours for the internship must be in individual sessions). Time sheets need to be summarized at the end of the semester on the Summary Log form.
B. Students need to be aware of the rules of the board for the particular license they are seeking. Specifically, students need to be aware of the minimum number of direct client contact hours that must be obtained and which particular activities may be required and which activities may not be acceptable. At a minimum, all students must complete no less than 100 client hours in their practicum.

C. Site supervisors are required to submit a grade on the TAMU-CT evaluation and grade sheet for the student at the end of the practicum experience. Also, site supervisors shall use the evaluation grade sheet as a mid-semester evaluation and provide a copy to the student and the university supervisor.

D. All students must have appropriate liability insurance.

E. Professionalism is an essential part of being a professional counselor/therapist. Students will be expected to behave in a professional manner at all times during their practicum experience. **The University Writing Center.**
Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University—Central Texas is a free workspace open to all TAMUCT students from 10am-4pm Monday-Thursday during the Summer semester (June 5, 2017 to July 27, 2017). Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available). Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University Writing Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.
