**Academic Integrity:** Texas A&M University - CT values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

**Penalty for Academic Integrity Violations:** All academic misconduct will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. Additionally, zero points will be given for any assignment or exam for which academic misconduct has occurred (e.g., cheating on an exam). The instructor reserves the right to use appropriate tools—such as turnitin.com reports or similar software—to identify plagiarism.

**Academic Accommodations:** At Texas A&M-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier free education. The Department of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the University’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Department of Access and Inclusion at (254) 501-5836. The information you provide is private and confidential and will be treated as such.

For more information please visit our Access & Inclusion webpage: http://www.tamuct.edu/departments/access-inclusion.

TAMUCT supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and guidance from US Department of Education’s Office of Civil Rights, the Dean of Student Affairs’ Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. For more information, please visit https://www.tamuct.departments/index.php. Students may also contact the institution’s Title IX Coordinator. If you would like to read more about these requirements and guidelines, please visit: http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf.

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender – including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Division of Student Affairs at
254-501-5909 to seek out assistance. Students may also contact the University’s Title IX Coordinator.

**A Note about Sexual Violence at A&M-Central Texas:** Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L). Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].

**Tutoring:** Tutoring is available to all TAMUCT students, both on-campus and online. On-campus subjects tutored include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111. If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or any other question, contact Academic Support Programs at 254-519-5796, or by emailing Dr. DeEadra Albert-Green at deeadra.albertgreen@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject on your computer. Tutor.com is an online tutoring platform that enables TAMUCT students to log-in and receive FREE online tutoring and writing support. This tool provides tutoring in over forty subject areas. Access Tutor.com through Canvas.

**Copyright Notice:** Students should assume that all course material is copyrighted by the respective author(s). Reproduction of course material is prohibited without consent by the author and/or course instructor. Violation of copyright is against the law and Texas A&M University-Central Texas’ Code of Academic Honesty. All alleged violations will be reported to the Office of Student Conduct.

**The University Writing Center:** Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University-Central Texas is a free workspace open to all TAMUCT students from 10am-5pm Monday-Thursday with satellite hours in the University Library Monday-Thursday from 6:00-9:00pm. Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WCOnline at: https://tamuct.mywconline.com/. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu to schedule an online tutoring session. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work
independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University Writing Center is here to help. If you have any questions about the University Writing Center, please contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

University Library:
The University Library provides many services in support of research across campus and at a distance. They offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at TAMUCT are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

The 27,000-square-foot facility on the TAMUCT main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. INSTRUCTOR POLICIES

Student Participation:
Student participation is required. We learn from sharing out thoughts, ideas, experiences, and backgrounds while at the same time listening to input from other students. We all come to the classroom with a wealth of knowledge for sharing, and it is vital to maintain a civil classroom environment. Your contribution to class discussions is important and valued.

Class Attendance:
Regular attendance is critical to your understanding and mastery of the material, as well as to your understanding of assignment and project requirements. Class attendance is required in this face-to-face course.

Feedback:
Since this is a face-to-face course, feedback on assignments and exams will be given in a face-to-face setting only, and not online. Students should come see me after class, or during my office hours, in order to view my feedback and ask me any question they may have.

Make-Up Policy:
A make-up test can be arranged if the student has a legitimate reason for missing the test and has notified the instructor before the exam has been given to the class (or as soon as possible after the exam in case of an emergency).

Spelling, Grammar, and Writing Skills for reports:
The content of all written assignments is what you will be evaluated on, provided that your spelling and grammar does not have major issues. While a few spelling and grammar mistakes are understandable and will not affect your grade, I reserve the right to remove up to 10% of the points of a written assignment for excessively bad grammar and spelling mistakes. Students who proofread their work, use spelling and grammar checking tools, or obtain help from the University Writing Center (described above) should not be affected by this policy.

COURSE REQUIREMENTS

INDIVIDUAL COURSE COMPONENT (600 POINTS)

Attendance and Contribution to the Class (50 points)
Students earn points for this component of the class by regularly attending classes and participating adequately in class sessions.

Cultural Interview Report (100 points)
The cultural interview is to be conducted with a person who has a different nationality from yours, or is of a different national origin. A single-spaced report of 1 page maximum should be submitted (see calendar for due date). The recommended outline for the report will be provided during class.

Exam 1, Exam 2, and Exam 3 (3 x 150 points)
Three examinations will be given throughout the course of the semester. Exams will be composed of multiple choice questions based on chapters studied in class. The instructor may
make adjustments to the examinations, depending on the learning pace of the class. Further instructions on how to study for the exams will be provided during class.

**GROUP COURSE COMPONENT (400 POINTS)**

*Important Note on Group Assignments:* An important objective of this course is to help you develop your cultural sensitivity and your ability to communicate and collaborate with people of different backgrounds. As your instructor, it is my goal to foster this learning experience by requiring groups to display a high level of diversity. Diversity guidelines for group formation will be given in class. I will not re-assign students to different groups after the initial groups have been formed, however, if any group member feels that another student does not do her or his fair share of work/participation, the following adjustment mechanisms will be available by request:

- **Peer Evaluations Available by Request:** This class includes an important group work component. All members in a group are expected to do their fair share of work. If a group member is not pulling his or her weight in a group project, any other group member can contact me to request that a peer-evaluation be given at the end of the semester for their group. If a group elects to do a peer review, each group member will be asked to fill out an evaluation form based on a 5-point scale. A student needs an average rating of 2.5 to receive the full group grade. Students receiving an average grade below 2.5 and above 1.5 from the other group members will see their group grade reduced by 40%. If a student has an average group grade under 1.5, this student will receive zero points on the group work component of the course. If no members of a group request a peer review, then I will assume that the work was shared fairly, and all students will receive the same grade.

- **Firing Policy:** If group members are unable to work together, they have the right to “fire themselves” or fire another group member. You should try to resolve the issue, and seek guidance from me before you fire a fellow student. If this happens, the fired student should select a new country and complete all group assignments by herself or himself. Please consider this as a last resort, as students who do all group work individually will not be able to experience an important learning component of this class.

*Important Note on Country Choice:* Once assigned to a group, your group will be required to choose a country. You will study this country for the entire group work component of this class (i.e., the country research group reports, the final country group report, and the final country group presentation). A list of countries to choose from will be provided.

**Country Research Group Reports (2 x 50 points)**

Group country reports are intended to prepare you for the final country report and presentation. There will be two broad topics to be researched: one related to trade and monetary environment, and the other related to international opportunity and entry. More instructions on each report will be provided in class.

The country research group reports are *not parts of the final country group report*. They are short research projects on your selected country for specific topics that are related to, but not part of your final group project.
Final Country Group Report (200 points)

By the end of the semester, your group will be expected to provide a full business report regarding the entry of a new product in your selected country. This report will include two major components: a country analysis (including an analysis of political, legal, economic, monetary, trade, and cultural environments) and a proposed plan for new product entry (including an analysis highlighting the challenges and opportunities of doing business in your chosen country, a description of your product, a competitor analysis, and an entry strategy). More instructions will be given about the write-up during the semester.

Final Country Group Presentation (100 points)

Each group will present to the class their country group report. Groups will be expected to present slides, and make a professional-level presentation. Each member of the group is expected to present a share of the project to the class. More instructions about the final presentation will be given during the semester.
