COURSE NUMBER, CRN, TITLE

CIS 3365-110 System Analysis and Design

Fall 2020 Texas A&M University-Central Texas

COURSE DATES, and MODALITY

August 24 to December 11, 2020
This is a 100% online course, and uses the A&M-Central Texas Canvas Learning Management System [https://tamuct.instructure.com/].

INSTRUCTOR and CONTACT INFORMATION

Instructor: Dr. Samer Takieddine, Ph.D.

Email: Primary communication: contact me using your course Canvas Inbox
Secondary communication through email (stakieddine@tamuct.edu)

Office Hours
Due to Covid-19 pandemic and for your safety and mine we will use virtual office hours on Tuesdays, Wednesday, and Thursdays from 3:00 pm to 5:00 pm or other hours by appointment. I will be using Canvas Inbox and/or Email during these hours. You can choose one of the following methods:
Canvas Inbox: write me your question or concern
Phone Call: send me your phone number through Canvas Inbox so I call you
Video Conference: request that I set up a video conference using Webex or Zoom

Student-instructor interaction
Use your course Canvas Inbox. Except office hours, I will typically respond to messages within 24 hours of receipt (excludes evenings; weekends; holidays; and university breaks).

I respond during most evenings; weekends; holidays; and university breaks; however students must not have such a guaranteed expectation.

Questions that are related to an assignment, quiz, exam, and project must be no later than 48 hours before the due date which is usually on a Sunday at midnight.

Communicate with your professor about any problem or challenge to provide you with solutions if possible. Do not wait till last minute because the sooner the better are the chances to come up with a solution.
COURSE INFORMATION

Course Overview and description
Examine systematic analysis, design, and implementation of software systems with special emphasis on the processes and skills used in the first four stages of the System Development Life Cycle. Analyze traditional and current methodologies in design, including computer aided analysis and design tools.

Course Objective
Students will design and explain each of the different parts of a computer information system. Students will also examine system components; identify how they are used in an entire system. Students will also complete an information system project to develop skills in the process of system analysis and design.

Required Reading and Textbook(s)
ISBN-10: 0135172756
Authors: Joseph S. Valacich and Joey F. George
Publisher: Pearson

COURSE REQUIREMENTS
- We will cover 14 chapters
- We will have one quiz per chapter
- We will apply the content of each chapter through several assignments per chapter.
- We will have one midterm exam, and one final exam
- We will have a final project
- Details and descriptions will be provided in Canvas
- All Assignments/Quizzes/Exams/Discussions/Project must be submitted on Canvas before or on the due date. Email submissions will not be accepted.
- Weekly folders will be available to students every Monday at 8:00 am
- All due dates falls on Sunday at 11:59 pm (midnight) of the assigned week
- Proofread all your work carefully before submission.
- Do not wait till last minute to submit your work to guarantee a good quality and a good grade.

STUDENTS RESPONSIBILITIES
- Read and understand course syllabus.
- Check your Canvas Inbox and Announcements on a daily basis.
- Read chapters in full. Power Point slides do not cover all required materials
- Cheating of any kind is not acceptable and will not be tolerated (Do your own work).
Grading Criteria
Your final grade will be determined by computing a weighted sum of your scores (in different course components) as follows:

<table>
<thead>
<tr>
<th>Activity</th>
<th>%</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assignments</td>
<td>45%</td>
</tr>
<tr>
<td>Quizzes</td>
<td>10%</td>
</tr>
<tr>
<td>Exams</td>
<td>25%</td>
</tr>
<tr>
<td>Project</td>
<td>20%</td>
</tr>
<tr>
<td>Total</td>
<td>100%</td>
</tr>
</tbody>
</table>

Grade Distribution:

<table>
<thead>
<tr>
<th>Grades Scored Between</th>
<th>Will Equal</th>
</tr>
</thead>
<tbody>
<tr>
<td>90% and 100%</td>
<td>A</td>
</tr>
<tr>
<td>80% and &lt; 90%</td>
<td>B</td>
</tr>
<tr>
<td>70% and &lt; 80%</td>
<td>C</td>
</tr>
<tr>
<td>60% and &lt; 70%</td>
<td>D</td>
</tr>
<tr>
<td>0% and &lt; 60%</td>
<td>F</td>
</tr>
</tbody>
</table>

I do not round-up grades including the final course grade (e.g., 79.99999 = C)

Posting of Grades
All grades will be posted in Canvas.

All assignments will be graded within 2 weeks of the due date

Grading Policies

Late submissions will be penalized 10% of grade per day late.

There are no makeup assignments, quizzes, projects or exams. Please manage time appropriately. Understand that technical problems related to computer connections or equipment cannot be used as an excuse for failure to complete assignments or to participate online. You should locate the computer hardware, software and Internet connections necessary to stay connected and current with your course work online. Be aware of alternate Internet connections available through the college's computer labs, the college's library, the public library, and any friends, relatives, or neighbors and will access them if your personal computer equipment are not working.
### COURSE OUTLINE and CALENDAR

<table>
<thead>
<tr>
<th>Week (Monday to Sunday)</th>
<th>Topics Due on Sundays by 11:59 pm</th>
</tr>
</thead>
</table>
| 1: 8/24 – 8/29         | Read Syllabus and submit acknowledgement  
Purchase and receive the course book  
Introduce yourself – Meet and Greet Forum Discussion  
Read Chapters 1 and 2 |
| 2: 8/31 - 9/6          | Chapter 1  
Submit Ch. 1 Quiz  
Chapter 2  
Submit Ch. 2 Assignments and Quiz |
| 3: 9/7 – 9/13          | Chapter 3  
Submit Ch. 3 Assignments and Quiz |
| 4: 9/14 – 9/20         | Chapter 4  
Submit Ch. 4 Assignments and Quiz |
| 5: 9/21 – 9/27         | Chapter 5  
Exam 1 (Chapters 1 to 5) |
| 6: 9/28 – 10/4         | Chapter 6  
Submit Ch. 6 Assignments and Quiz |
| 7: 10/5 – 10/11        | Chapter 7  
Submit Ch. 7 Assignments and Quiz |
| 8: 10/12 – 10/18       | Chapter 8  
Submit Ch. 8 Assignments and Quiz |
| 9: 10/19 – 10/25       | Chapter 9  
Submit Ch. 9 Assignments and Quiz |
| 10: 10/26 – 11/1       | Chapter 10  
Exam 2 (Chapters 6 to 10) |
| 11: 11/2 – 11/8        | Chapter 11  
Submit Ch. 11 Assignments and Quiz |
| 12: 11/9 – 11/15       | Chapter 12  
Submit Ch. 12 Assignments and Quiz |
| 13: 11/16 – 11/22      | Chapter 13  
Submit Ch. 13 Assignments and Quiz |
| 14: 11/23 – 11/29      | Chapter 14  
Submit Ch. 14 Assignments and Quiz |
| 15: 11/30 – 12/6       | Final Project |
| 16: 12/7 – 12/11       | Final Exam (Chapters 11 to 14) |

**Important University Dates**  
[https://www.tamuct.edu/registrar/academic-calendar.html](https://www.tamuct.edu/registrar/academic-calendar.html)

**PROFESSOR'S NOTE**  
The professor reserves the right to modify the course syllabus content (i.e., calendar, assignment modifications, grading scale adjustments, policy changes, etc.). The professor will notify students in advance of any changes.
WARRIOR SHIELD

Emergency Warning System for Texas A&M University-Central Texas

Warrior Shield is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in Warrior Shield through their myCT email account.

Connect to Warrior Shield by [911Cellular](https://portal.publicsafetycloud.net/Account/Login) to change where you receive your alerts or to opt out. By staying enrolled in Warrior Shield, university officials can quickly pass on safety-related information, regardless of your location.

COVID-19 SAFETY MEASURES

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, Texas A&M University-Central Texas has adopted policies and practices to minimize virus transmission. All members of the university community are expected to adhere to these measures to ensure their own safety and the safety of others. Students must observe the following practices while participating in face-to-face courses, course-related activities (office hours, help sessions, transitioning to and between classes, study spaces, academic services, etc.) and co-curricular programs:

- **Self-monitoring**—Students should follow CDC recommendations for self-monitoring. Students who have a fever or exhibit symptoms of COVID-19 should participate in class remotely and should not participate in face-to-face instruction. Students required to quarantine must participate in courses and course-related activities remotely and must not attend face-to-face course activities. Students should notify their instructors of the quarantine requirement. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities.

- **Face Coverings**—Face coverings must be worn inside of buildings and within 50 feet of building entrances on the A&M-Central Texas Campus. This includes lobbies, restrooms, hallways, elevators, classrooms, laboratories, conference rooms, break rooms, non-private office spaces, and other shared spaces. Face coverings are also required in outdoor spaces where physical distancing is not maintained. The university will evaluate exceptions to this requirement on a case by case basis. Students can request an exception through the Office of Access and Inclusion in Student Affairs.

  If a student refuses to wear a face covering, the instructor should ask the student to leave and join the class remotely. If the student does not leave the class, the faculty member should report that student to the Office of Student Conduct. Additionally, the faculty member may choose to teach that day’s class remotely for all students.

- **Physical Distancing**—Physical distancing must be maintained between students, instructors, and others in the course and course-related activities.

- **Classroom Ingress/Egress**—Students must follow marked pathways for entering and exiting classrooms and other teaching spaces. Leave classrooms promptly after course activities have concluded. Do not congregate in hallways and maintain 6-foot physical distancing when waiting to enter classrooms and other instructional spaces.

- The university will notify students in the event that the COVID-19 situation necessitates changes to the course schedule or modality.
TECHNOLOGY REQUIREMENTS AND SUPPORT

Technology Requirements
This course will use the A&M-Central Texas Instructure Canvas learning management system. We strongly recommend the latest versions of Chrome or Firefox browsers. Canvas no longer supports any version of Internet Explorer.

Logon to A&M-Central Texas Canvas [https://tamuct.instructure.com/] or access Canvas through the TAMUCT Online link in myCT [https://tamuct.onecampus.com/]. You will log in through our Microsoft portal.

Username: Your MyCT email address. Password: Your MyCT password

Canvas Support
Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select “Chat with Canvas Support,” submit a support request through “Report a Problem,” or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

Online Proctored Testing
A&M-Central Texas uses Proctorio for online identity verification and proctored testing. This service is provided at no direct cost to students. If the course requires identity verification or proctored testing, the technology requirements are: Any computer meeting the minimum computing requirements, plus web camera, speaker, and microphone (or headset). Proctorio also requires the Chrome web browser with their custom plug in.

Other Technology Support
For log-in problems, students should contact Help Desk Central
24 hours a day, 7 days a week

Email: helpdesk@tamu.edu
Phone: (254) 519-5466
Web Chat: [http://hdc.tamu.edu]

Please let the support technician know you are an A&M-Central Texas student.

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Academic Integrity
Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, working with others in an unauthorized manner, cheating on an examination or other academic work,
plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be referred to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

Academic Accommodations

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Office of Access and Inclusion, WH-212; or call (254) 501-5836. Any information you provide is private and confidential and will be treated as such.

For more information please visit our Access & Inclusion Canvas page (log-in required) [https://tamuct.instructure.com/courses/717]
