COVID-19 SAFETY MEASURES

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, Texas A&M University-Central Texas has adopted policies and practices to minimize virus transmission. All members of the university community are expected to adhere to these measures to ensure their own safety and the safety of others. Students must observe the following practices while participating in face-to-face courses, course-related activities (office hours, help sessions, transitioning to and between classes, study spaces, academic services, etc.) and co-curricular programs:

- **Self-monitoring**—Students should follow CDC recommendations for self-monitoring. Students who have a fever or exhibit symptoms of COVID-19 should participate in class remotely and should not participate in face-to-face instruction. Students required to quarantine must participate in courses and course-related activities remotely and must not attend face-to-face course activities. Students should notify their instructors of the quarantine requirement. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities.
- **Face Coverings**— Face coverings must be worn inside of buildings and within 50 feet of building entrances on the A&M-Central Texas Campus. This includes lobbies, restrooms, hallways, elevators, classrooms, laboratories, conference rooms, break rooms, non-

private office spaces, and other shared spaces. Face coverings are also required in outdoor spaces where physical distancing is not maintained. The university will evaluate exceptions to this requirement on a case by case basis. Students can request an exception through the Office of Access and Inclusion in Student Affairs.

- If a student refuses to wear a face covering, the instructor should ask the student to leave and join the class remotely. If the student does not leave the class, the faculty member should report that student to the Office of Student Conduct. Additionally, the faculty member may choose to teach that day's class remotely for all students.
- Physical Distancing—Physical distancing must be maintained between students, instructors, and others in the course and course-related activities.
- Classroom Ingress/Egress—Students must follow marked pathways for entering and exiting classrooms and other teaching spaces. Leave classrooms promptly after course

Academic Integrity:

Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

For more information regarding the Student Conduct process, [<https://www.tamuct.edu/student-affairs/student-conduct.html>].

If you know of potential honor violations by other students, you may submit a report, [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0].

Penalty for Academic Integrity Violations:

All academic misconduct will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. Additionally, zero points will be given for any assignment or exam for which academic misconduct has occurred (e.g., cheating on an exam). The instructor reserves the right to use appropriate tools—such as *turnitin.com* reports or similar software—to identify plagiarism.

Academic Accommodations:

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. Important information for Pregnant and/or Parenting Students

Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of

Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit Student Affairs [<https://www.tamuct.edu/student-affairs/index.html>]. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these requirements and guidelines online, please visit the website [<http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf>].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender – including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Division of Student Affairs at 254-501-5909 to seek out assistance. Students may also contact the University's Title IX Coordinator.

A Note about Sexual Violence at A&M-Central Texas:

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L). Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [<https://www.tamuct.edu/departments/compliance/titleix.php>].

Behavioral Intervention:

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, who are exhibiting behaviors that pose a threat to safety, or individuals causing a significant disruption to our community, please make a referral to the Behavioral Intervention Team. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [<https://www.tamuct.edu/student-affairs/bat.html>]. If a person's behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5800.

The University Writing Center:

The University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free service open to all TAMUCT students. For the Fall 2020 semester, all services will be online as a result of the COVID-19 pandemic. The hours of operation are from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours online Monday thru Thursday from 6:00-9:00 p.m. The UWC is also offering hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help.

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WOnline [<https://tamuct.mywconline.com/>]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

University Library:

The University Library provides many services in support of research across campus and at a distance. They offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at TAMUCT are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

The 27,000-square-foot facility on the TAMUCT main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit their homepage: <https://tamuct.libguides.com/>

For fall 2020, all reference service will be conducted virtually. Please go to our Library website [<http://tamuct.libguides.com/index>] to access our virtual reference help and our current hours.

INSTRUCTOR POLICIES

Spelling, Grammar, and Writing Skills for reports: The content of all written assignments is what you will be evaluated on, provided that your spelling and grammar does not have major issues. While a few spelling and grammar mistakes are acceptable and will not affect your grade, I reserve the right to remove of up 10% of the points of a written assignment for excessively bad grammar and spelling mistakes. Students who proofread their work, use spelling and grammar checking tools, or obtain help from the University Writing Center (described above) should not be affected by this policy.

Participation in Group Work: This class includes an important group work component. All members in a group are expected to do their fair share of work. If a group member is not pulling his or her weight in a group project, any other group member can contact me to request that a peer-evaluation be given at the end of the semester for their group. If a group elects to do a peer review, each group member will be asked to fill out an evaluation form based on a 5-point scale. A student needs an average rating of 2.5 to receive the full group grade. Students receiving an average grade below 2.5 and above 1.5 from the other group members will see their group grade reduced by 40%. If a student has an average group grade under 1.5, this student will receive zero points on the group work component of the course. If no members of a group request a peer review, then I will assume that the work was shared fairly, and all students will receive the same grade for group work.

Academic Honesty and Cheating: All work for individual assignments and exams must be your own. You may not collaborate in any way on online exams. Any students who deliberately cheats on an exam will receive a zero grade for that exam and be reported to the university's Office of Student Conduct.

Submitting Assignments and Late Policy: Students need to submit their assignments (e.g., forum posts and response to a fellow class member, midterm and final examinations) within the

allotted time for each module. As can be seen on the course outline, modules close at a preset date and time. Once a module is closed, the submission period is over and students will receive zero points for the module. Late submissions will only be allowed for unanticipated and legitimate reasons (e.g., unforeseeable emergency). Traveling or forgetting about an assignment are not considered to be unanticipated and legitimate circumstances.

Required Studying: Instructor-Created/Provided Materials and Book Chapters: Modules are used for instruction in this online course. While *Module Forum Discussions* (detailed next in the Assessments section of the syllabus) are the equivalent of face-to-face discussions, studying the materials in each module as instructed is the equivalent of attending a lecture. You are required to study the material as instructed if you want to succeed in the class. Studying for a module may include: listening/watching to instructor-created audio and/or video content (e.g., narrated presentation), listening/watching instructor-provided audio and/or video content (e.g., a news segment about an event that impacts business strategy), reading instructor-created notes and PDFs, reading instructor-created slides, reading-instructor provided slides, and lastly, reading book chapters as instructed.

COURSE REQUIREMENTS AND ASSESSMENTS

INDIVIDUAL COURSE COMPONENT (700 POINTS)

Module Forum Discussions (6 x 25 = 150 points)

Module forum discussions are intended to emulate a class setting and to trigger conversations between classmates about the course content. This is an essential component of this course, as students typically share a wealth of knowledge derived from everyone's unique thoughts, ideas, experiences, and background. Forum discussions rely on the principles of *learner-learner interaction* to deepen the understanding of the material. As your instructor, I will rarely intervene in discussions, but will read every post and grade them according to their adequacy. To receive a maximum grade for a forum discussion, students must make at least two posts: (1) a primary post should respond to the question asked regarding the subject matter, and (2) a second post should respond to at least one other student. Grading for forum discussions largely depends on your ability to follow forum instructions and give well-justified answers. Students are encouraged to be engaged in learner-learner interaction forums, and should see them as equivalent to a class discussion. Participation in forum discussions is required, and students who do not participate in a given module discussion will not earn points for that module.

Cultural Interview Report (100 points)

The cultural interview is to be conducted with a person who has a different nationality from yours, or is of a different national origin. A single-spaced report of 1 page maximum should be submitted (see calendar for due date). The recommended outline for the report will be provided in Canvas.

Exam 1, Exam 2, and Exam 3 (3 x 150 points)

Three examinations will be given throughout the course of the semester. Exams will be composed of multiple choice questions based on the chapters studied in class. The instructor may make adjustments to the examinations, depending on the learning pace of the class.

GROUP COURSE COMPONENT (300 POINTS)

Initial Country Group Report (50 points)

The initial country research report is intended to prepare you for the final country report. There will be two broad topics to be researched related to trade and monetary environment, and to international opportunity and market entry. The initial country research group report *is not a part of the final country group report*. Rather, it is an initial research assignment on your selected country intended to prepare you for the final group report. More instructions about the initial country report will be given when the final project module opens on Canvas.

Final Country Group Report (200 points)

By the end of the semester, your group will be expected to provide a full business report regarding the entry of a new product in your selected country. This report will include two major components: a country analysis (including an analysis of political, legal, economic, monetary, trade, and cultural environments) and a proposed plan for new product entry (including an analysis highlighting the challenges and opportunities of doing business in your chosen country, a description of your product, a competitor analysis, and an entry strategy). More instructions about the write-up will be given when the final project module opens on Canvas.

Final Country Group Presentation (50 points)

Each group will be expected to make a professional presentation using PowerPoint slides. Group members should cover all parts of their final project within the presentation. More instructions about the presentation report will be given when the final project module opens on Canvas.
