**COVID-19 SAFETY MEASURES**

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, Texas A&M University-Central Texas has adopted policies and practices to minimize virus transmission. All members of the university community are expected to adhere to these measures to ensure their own safety and the safety of others. Students must observe the following practices while participating in face-to-face courses, course-related activities (office hours, help sessions, transitioning to and between classes, study spaces, academic services, etc.) and co-curricular programs:

- Self-monitoring—Students should follow CDC recommendations for self-monitoring. Students who have a fever or exhibit symptoms of COVID-19 should participate in class remotely and should not participate in face-to-face instruction. Students required to quarantine must participate in courses and course-related activities remotely and must not attend face-to-face course activities. Students should notify their instructors of the quarantine requirement. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities.
- Face Coverings— Face coverings must be worn inside of buildings and within 50 feet of building entrances on the A&M-Central Texas Campus. This includes lobbies, restrooms, hallways, elevators, classrooms, laboratories, conference rooms, break rooms, non-private office spaces, and other shared spaces. Face coverings are also required in outdoor spaces where physical distancing is not maintained. The university will evaluate exceptions to this requirement on a case by case basis. Students can request an exception through the Office of Access and Inclusion in Student Affairs.

- o If a student refuses to wear a face covering, the instructor should ask the student to leave and join the class remotely. If the student does not leave the class, the faculty member should report that student to the Office of Student Conduct. Additionally, the faculty member may choose to teach that day's class remotely for all students.
- Physical Distancing—Physical distancing must be maintained between students, instructors, and others in the course and course-related activities.
- Classroom Ingress/Egress—Students must follow marked pathways for entering and exiting classrooms and other teaching spaces. Leave classrooms promptly after course activities have concluded. Do not congregate in hallways and maintain 6-foot physical distancing when waiting to enter classrooms and other instructional spaces.
- The university will notify students in the event that the COVID-19 situation necessitates changes to the course schedule or modality.

## COURSE REQUIREMENTS

- **Student Profile and Course Agreement Survey:** Students should review this Syllabus in depth and be sure they are willing to comply with all assignments and deadlines in this course. The course agreement **requires** students to agree to these expectations and promise that they have the computer set-up and self-discipline needed for this course. This profile/agreement is due the end of the first week of class and is worth 10 points.
- **Introductory (“Meet and Greet”) Forum:** Each student will be **required** to post an introduction on the discussion board under “Introductions”. No work will be graded until your 2 paragraph introduction has been posted. Your Introduction is due the end of the first week of class and is worth 20 points.
- **Discussion Forum Assignments:** There will be 5 assigned discussion forums. Topics for the forums will vary and could include “debates” in the text, a question exploring a portion of the text readings in-depth, a supplemental topic/current events based on a

current business press article, or issues related to Service Learning. A grading rubric on the course website will show the grading criteria for each essay/discussion forum. Each one is worth 24 grading points.

- **Ethical Dilemma Analysis - Worksheet:** An ethical decision-making framework analysis worksheet (or “practice dilemma”) will precede the first Ethical Dilemma Analysis in conjunction with Ch. 3 in your text. Instructions on this worksheet will be provided in class. This worksheet will be worth 30 grading points.
- **Ethical Dilemma Analysis:** There will be 1 **required** Ethical Dilemma Analysis assignment during the semester. It will require complex analysis of real-world organizational situations using frameworks from the text and assigned discussion questions. This assignment is worth 70 grading points. **\*\*All assignments must be submitted in a Microsoft Word .doc or .docx format.**
- **Quizzes:** There will be a quiz for each chapter in the textbook (10 total quizzes = 100 points). Each quiz will be 10 questions, worth 1 point per question. The quizzes will be accessed through Connect in Canvas.
- **Exams:** There will be TWO **required** online exams. Each exam will cover 5 text chapters and related supplemental readings, and test students’ knowledge of the key frameworks and concepts. The test questions will be multiple choice and true/false. Exams will be available over a 4 day period online, dates are noted in the course schedule. The online exams will be timed and once started, must be completed at that time. The Chapter PowerPoint lectures, glossaries, and self-quizzes are all useful study guides for the Exams. Each Exam will have 80 questions each worth 1 point.
- **Indirect Service Learning Analysis. To encompass: Discussion Forum(s), 1 Worksheet & 2 Case Studies.** Indirect Service Learning is an interactive learning methodology that involves engagement, research, and understanding of community service work within your local community that directly links to the overall course frameworks. Corporate social responsibility is a critical concept covered in this course. Most corporations and business firms now attribute a vital role to be involved in volunteer work in their local 6 communities. We will “mimic” these types of projects via a discussion forum, worksheet and 2 Case Studies during the semester.
  - 1 Service Learning Discussion Forum (40 points)
  - 1 Service Learning Worksheet (60 points)
  - 2 Service Learning Case Studies (60 points each)
  - Specific assignment instructions will be provided in Canvas.

## Grading Polices/Guidelines

- **Individual Performance:** It is vital that you are active in the course and complete all work in a professional fashion. One of the biggest issues with student success in online courses is simply not submitting work on time. You are expected to read the chapters as assigned in the syllabus as well as read or view any supplemental resources that may be found in the Module content folders for that period.
- **Quality Work:** All work submitted for grading shall be of upper level quality: Depth of analysis, grammatical structure, etc.
- **Identifying Submissions:** Submissions must clearly identify the student and the title of the assignment.
- **Submission Format:** ALL written assignments must be submitted in a Microsoft Word .doc or .docx format;  
**Exception:** SL forms must be signed and submitted as a scanned copy or a picture in a visible/readable format.
- **Submission Style Requirements:** Submissions will be in accordance with The Publication Manual of the American Psychological Association, 6<sup>th</sup> ed.
- **Due Dates and Late Submissions:** The assignment instructions and deadlines are clearly laid out in the syllabus. Though some assignments are fairly involved, you do not have more than one assignment due in any week. As such, it is expected that all work will be submitted **on time**, as timeliness is an important aspect of professional communications and behavior. If you encounter an issue, please let me know as soon as possible. It is much easier to discuss issues before due dates rather than after. **Late work is not accepted.**
- **Changes to Syllabus:** This syllabus serves as an instructional and study planning document. Although every effort will be made to maintain the schedule and activities presented herein, it may become necessary during the course of the semester to make changes to the syllabus. In such events, changes will be announced, and students will receive written notice as soon as possible.

## OPTIONAL POLICY STATEMENTS

### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].
