## **COVID-19 SAFETY MEASURES**

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, Texas A&M University-Central Texas has adopted policies and practices to minimize virus transmission. All members of the university community are expected to adhere to these measures to ensure their own safety and the safety of others. Students must observe the following practices while participating in face-to-face courses, course-related activities (office hours, help sessions, transitioning to and between classes, study spaces, academic services, etc.) and co-curricular programs:

- **Self-monitoring**—Students should follow CDC recommendations for self-monitoring. Students who have a fever or exhibit symptoms of COVID-19 should participate in class remotely and should not participate in face-to-face instruction. Students required to quarantine must participate in courses and course-related activities remotely and must not attend face-to-face course activities. Students should notify their instructors of the quarantine requirement. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities.
- **Face Coverings**— Face coverings must be worn inside of buildings and within 50 feet of building entrances on the A&M-Central Texas Campus. This includes lobbies, restrooms, hallways, elevators, classrooms, laboratories, conference rooms, break rooms, non-private office spaces, and other shared spaces. Face coverings are also required in outdoor spaces where physical distancing is not maintained. The university will evaluate exceptions to this requirement on a case

by case basis. Students can request an exception through the Office of Access and Inclusion in Student Affairs.

- o If a student refuses to wear a face covering, the instructor should ask the student to leave and join the class remotely. If the student does not leave the class, the faculty member should report that student to the Office of Student Conduct. Additionally, the faculty member may choose to teach that day's class remotely for all students.
- Physical Distancing—Physical distancing must be maintained between students, instructors, and others in the course and course-related activities.
- Classroom Ingress/Egress—Students must follow marked pathways for entering and exiting classrooms and other teaching spaces. Leave classrooms promptly after course activities have concluded. Do not congregate in hallways and maintain 6-foot physical distancing when waiting to enter classrooms and other instructional spaces.
- The university will notify students in the event that the COVID-19 situation necessitates changes to the course schedule or modality.

### **Task Details:**

#### **Class Tests (3@15 pts each):**

There will be three non-cumulative tests during the semester, based on the lectures and cases. Questions will focus on your understanding of marketing vocabulary and concepts and your ability to apply these concepts to real-world problems.

Each test will be 30 questions, and be 30 minutes long. See calendar for test dates.

**Topical Papers (3@10 pts each):**

Students are required to complete three (3) topical paper assignments. See directions for each paper in the modules (and intro video).

Students must **individually** complete the topical papers by the dates stipulated in the course schedule (available through Canvas). Your answers to the questions must be different from your classmate's answers because you should have different perspectives and interpretations after reading the situation. Paraphrasing another student's perspective that was not yours to begin with does **NOT** yield a "different" answer. All similar sets of answers (including the paraphrased ones) will receive grades of zero (0) points for that entire assignment.

No late assignments will be accepted without penalty, unless you have a documented, university-approved reason. For non-university approved late assignment, ten percent **will be taken off for EACH day that is late.**

**Group Discussions (25 pts):**

Students will be divided into online groups, with 5 to 6 people in each group. Group discussions in this class will consist of weekly projects wherein students will present topics to their small groups via the group discussion boards.

Students are expected to review the lessons the topic each week, along with the cases. **They will read over the cases and comment on one or more of them, as they relate to a class concept (the concept does not have to be from that week).** The intention is to have a conversation occur regarding the case. Other information (e.g., I have seen this occur in my life, also), may be brought into both the post and also the discussion. **Your first post should be by Wed, each week!**

See the intro video for more information regarding group discussion posts.

## OPTIONAL POLICY STATEMENTS

### A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].

You can complete the [referral](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2) online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout\_id=2].

Please see the [Behavioral Intervention Team](https://www.tamuct.edu/student-affairs/bat.html) website for more information [https://www.tamuct.edu/student-affairs/bat.html].
