### COURSE REQUIREMENTS

- **Student Profile and Course Agreement:** Students should review this Syllabus in depth and be sure they are willing to comply with all assignments and deadlines in this course. The course agreement **requires** students to agree to these expectations and promise that they have the computer set-up and self-discipline needed for this course. This profile/agreement is due the end of the first week of class and is worth 10 points.
- **Introductory (“Meet and Greet”) Forum:** Each student will be **required** to post an introduction on the discussion board under “Introductions”. No work will be graded until your 2 paragraph introduction has been posted. Your Introduction is due the end of the first week of class and is worth 20 points.

- **Discussion Forum Assignments:** There will be 5 assigned discussion forums. Topics for the forums will vary and could include “debates” in the text, a question exploring a portion of the text readings in-depth, a supplemental topic based on a current business press article, or issues related to Service Learning. A grading rubric on the course website will show the grading criteria for each essay/discussion forum. Each one is worth 24 grading points.
- **Chapter 8 – Discussion Forum:** There will be 1 assigned discussion forum and/or activity this semester that is worth 40 grading points directly associated with Chapter 8. Specific instructions will be posted in the forum.
- **Ethical Dilemma Analysis - Worksheet:** An ethical decision-making framework analysis worksheet (or “practice dilemma”) will precede the first Ethical Dilemma Analysis in conjunction with Ch. 3 in your text. The worksheet will be worth 60 grading points.
- **Ethical Dilemma Analysis:** There will be 1 Ethical Dilemma Analysis assignment during the semester. It will require complex analysis of real-world organizational situations using frameworks from the text and assigned discussion questions. After initial submittal it will be returned with feedback concerning both analysis and writing. This assignment is worth 70 grading points. **\*\*All assignments must be submitted in a Microsoft Word .doc or .docx format.**
- **Quizzes:** There will be a quiz for each chapter in the textbook (10 total quizzes = 100 points). Each quiz will be 10 questions, worth 1 point per question. The quizzes will be accessed through Connect in Canvas.
- **Exams:** There will be TWO **required** online exams. Each exam will cover 5 text chapters and related supplemental readings, and test students’ knowledge of the key frameworks and concepts. The test questions will be multiple choice and true/false. Exams will be available over a 4 day period online, dates are noted in the course schedule. The online exams will be timed and once started, must be completed at that time. The Chapter PowerPoint lectures, glossaries, and self-quizzes are all useful study guides for the Exams. Each Exam will be worth 80 points, with 16 questions per chapter, each worth 1 point.
- **Indirect Service Learning Analysis. To encompass: Discussion Forum(s), 1 Worksheet & 2 Case Studies.** Indirect Service Learning is an interactive learning methodology that involves engagement, research, and understanding of community service work within your local community that directly links to the overall course frameworks. Corporate social responsibility is a critical concept covered in this course. Most corporations and business firms now attribute a vital role to be involved in volunteer work in their local

communities. We will “mimic” these types of projects via a discussion forum, worksheet and 2 Case Studies during the semester.

- 1 Service Learning Discussion Forum (40 points)
- 1 Service Learning Worksheet (60 points)
- 2 Service Learning Case Studies (60 points each)
- **\*\*All work must be submitted in a Microsoft Word .doc or .docx format.**
- Specific assignment instructions are notated within Canvas.

### **Grading Polices/Guidelines**

- **Individual Performance:** It is vital that you are active in the course and complete all work in a professional fashion. One of the biggest issues with student success in online courses is simply not submitting work on time. You are expected to read the chapters as assigned in the syllabus as well as read or view any supplemental resources that may be found in the Module content folders for that period.
- **Quality Work:** All work submitted for grading shall be of upper level quality: Depth of analysis, grammatical structure, etc.
- **Identifying Submissions:** Submissions must clearly identify the student and the title of the assignment.
- **Submission Style Requirements:** Submissions will be in accordance with The Publication Manual of the American Psychological Association, 6<sup>th</sup> ed. **All written work must be submitted utilizing Microsoft Word in either a .doc or .docx format.**
- **Due Dates and Late Submissions:** The assignment instructions and deadlines are clearly laid out in the syllabus. Though some assignments are fairly involved, you do not have more than one assignment due in any week. As such, it is expected that all work will be submitted **on time**, as timeliness is an important aspect of professional communications and behavior. If you encounter an issue, please let me know as soon as possible. It is much easier to discuss issues before due dates rather than after. **Late work is not accepted.**
- **Changes to Syllabus:** This syllabus serves as an instructional and study planning document. Although every effort will be made to maintain the schedule and activities presented herein, it may become necessary during the course of the semester to make changes to the syllabus. In such events, changes will be announced and students will receive written notice as soon as possible.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

If you have any questions about the UWC, please do not hesitate to contact Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu).

**University Library.**

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student

lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. ### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].
