COURSE REQUIREMENTS

LearnSmart © (200 points –8% of grade)

The textbook is required for this course and has a lot of useful information. You should read the topics we will cover in class BEFORE class. As a way to incentivize you to read you will have a

LearnSmart © reading that must be completed before each new chapter. In addition to reading materials before class, you should review the textbook materials before exams. We will be covering ten chapters in the textbook so there will be ten LearnSmart © reading assignments and ten LearnSmart © exam review assignments. Exams cover two or three chapters so there will be two or three LearnSmart © due before each of the four exams. Only the chapters covered on the exam are due before each exam (for example, exam 1 covers chapters 14 and 15 so there are two additional LearnSmart© reading assignments due before exam 1).

Connect Homework (500 points –21% of grade)

Practicing problems prepares you for the exams and for the CPA exam. In order to incentivize you to do your homework I have made it part of your grade. McGraw Hill Connect allows you to get feedback in a timely manner. All homework assignments are done in McGraw Hill connect.

Each assignment has three attempts. After each attempt you will receive feedback. You will only receive answers to the questions after the third attempt/ after you turn the homework in. The homework is graded for accuracy. This means you should not just skip through the first and second attempts in order to get the answer since whatever your score is based on your best scoring attempt. Try your best at all three attempts. Also I have included three "check my

work"s within each attempt so that should help as well.

Exams (1500 points, 62.5% of grade):

There are two in class exams, one take-home exam, and a final. I will drop one exam of the in- class exams (not the take home exam). Therefore, if one of the in-class exams is missed for any reason, it will be

dropped. To be fair to those students that did not miss any exams, the lowest in-class exam grade will be dropped.

Top Hat in class questions (100 points –4.1% of grade)

Throughout each class day (with the exception of test days) there will be five questions that test your knowledge of the reading material assigned. These questions will be asked throughout the lecture must be completed while in class and will be worth 5 points each. I will drop 5 of these sessions. There are no makeup in-class questions.

The questions will be asked using TopHat software and may be answered through a web browser, an app on your phone, or text message. Please bring your laptop or phone to class every day.

The questions are timed so you must answer them within the time allowed. Usually I will give 60 seconds to answer a question. If wifi isn't working you have the option to use text messaging on your phone to answer a question. This text is timestamped through TopHat so you still must answer within the timeframe given.

University Writing Center

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOnline](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

OPTIONAL POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

Behavioral Intervention

If you are aware of individuals for whom you have a concern, who are exhibiting concerning behaviors, or individuals causing a significant disruption to our community, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the [referral](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2) online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the [Behavioral Intervention Team](https://www.tamuct.edu/student-affairs/bat.html) website for more information [https://www.tamuct.edu/student-affairs/bat.html].
