Spring 2020  
Texas A&M University Central-Texas**

**COURSE DATES, MODALITY AND LOCATION**

This is a 100% online course and uses the A&M Central Texas Canvas Learning Management System [<https://tamuct.instructure.com/>].

Course dates January 13 through May 9, 2020

Orientation Session Required: (one session per student choice)

**INSTRUCTOR AND CONTACT INFORMATION**

**Instructor:** M. Kathryn (Katie) Sanders, DNP, RN

**Office:** Heritage Hall 302A

**Phone:** 254-519-5487

**Email:** Canvas inbox is the preferred method for communication for course-related communications. Secondary email: [Mksanders-1@tamuct.edu](mailto:Mksanders-1@tamuct.edu).

**Office Hours:** By appointment, either virtual, phone or in-person.

**Student-instructor interaction:**

Messages within Canvas are checked daily. Emails to secondary email are checked Monday through Friday during business hours. Students may expect a response within 24 to 48 hours. It is expected that all Canvas message communication from faculty receive a response within 48 hours.

The Canvas announcements page is used to send information that pertains to all students. It is strongly suggested that you adjust your Canvas settings to receive announcements in your email account or check announcements frequently.

**Warrior Shield:**

Warrior Shield is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in Warrior Shield through their myCT email account.

Connect to Warrior Shield by [911Cellular](https://portal.publicsafetycloud.net/Account/Login) [<https://portal.publicsafetycloud.net/Account/Login>] to change where you receive your alerts or to opt out. By staying enrolled in Warrior Shield, university officials can quickly pass on safety-related information, regardless of your location.

**COURSE INFORMATION**

**Course Overview and Description**

In this writing intensive (WI) course, students apply critical thinking skills to examine personal and professional growth, the nurse's role in professional practice, and philosophies of professional nursing. Nursing theories, the foundations of professional nursing practice, are examined. The concepts of nursing informatics are explored as they interface with ethics, cultural competency, and health promotion concepts. These explorations are accomplished utilizing communication technologies such as learning management systems, the Internet, library electronic databases, and online seminars. Information technology resources are

employed for students to demonstrate skills in electronic communications that are essential to professional nursing practice and that require basic competencies in nursing informatics.

**Prerequisite: Acceptance into the Nursing Program**

**Course Objectives:**

By the completion of the course, the student will:

- Critically appraise personal philosophies of nursing and career goals by conducting self-assessments.
- Apply critical thinking skills to learn the art and science of critical appraisal of potential evidence for nursing practice discovered in web sources and/or library electronic databases.
- Explore nursing theories and concepts as applied to evidence-based nursing practice.
- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice.
- Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice.
- Analyze the Core Competencies of Interprofessional Collaboration as they relate to nursing practice.

**Program Student Learning Outcomes:**

By the end of this course, the nurse will have demonstrated the following

1. Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
2. Define personal, professional and cultural values as influences upon nursing practice.
3. Identify the use of nursing informatics from multiple perspectives within nursing practice.

This course aligns with the following competencies of the American Association of Colleges of Nursing **Competency Goals Statements from The Essentials of Baccalaureate Education for Professional Nursing Practice** (2008):

1. Essential I: Liberal Education
2. Essential II: Organizational and Systems Leadership for Quality Care and Patient Safety.
3. Essential III: Scholarship for Evidence-Based Practice.
4. Essential IV: Information Management and Application of Patient Care Technology
5. Essential V: Healthcare Policy, Finance and Regulatory Environment
6. Essential VI: Interprofessional Communications and Collaboration for Improving Patient Health Outcomes
7. Essential VIII: Professionalism and Professional Values

## 8. Essential IX: Baccalaureate Generalist Nursing Practice

### Differentiated Essential Competency Statements from The Texas Board of Nursing

- I. Member of the profession
  - a. Demonstrate responsibility for continued competence in nursing practice, and develop insight through reflection, self-analysis, self-care, and lifelong learning.
  
- II. Member of the Healthcare Team
  - a. Communicate and collaborate in a timely manner with members of the interdisciplinary health care team to promote and maintain the optimal health status of patients, families, populations, and communities.
  - b. Communicate and manage information using technology to support decision-making to improve patient care and delivery systems.

#### **Synchronous meeting.**

WebEx beginning of course session (completion grade)

Choose a date/time to attend an online synchronous learning session. Perform the required system check to log onto WebEx to meet with other students and faculty to review course syllabus and requirements.

#### **Quizzes.**

Practice Quiz (pass/fail completion grade)

This multiple choice quiz covers information in the student welcome, nursing handbook and resources needed to be successful in the program. Required to pass in order to progress to module 2.

Quiz, Nursing Theories and Critical Thinking (100 points)

Revised Friday, January 17, 2020

- Apply critical thinking skills to learn the art and science of critical appraisal of potential evidence for nursing practice discovered in web sources and/or library electronic databases.

Quiz, Applications for Professional Presentation (10 points)

- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice

Quiz, Foundations of Nursing Informatics (100 points) three attempts, open book

- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice
- Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice.

Quiz Informatics and Quality (100 points) three attempts, open book

- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice
- Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice

**Written assignments.**

Practice Assignment – (pass/fail completion score)  
Practice uploading a file submission into Canvas.

P.A.T.C.H. Assessment and reflection (10 points – full points will be awarded for submission that contains all of the items and has realistic analysis of needs/plan)  
Complete the P.A.T.C.H. (Pretest for Attitudes toward Computers in Healthcare) assessment either via the paper or online format. Submit your score and formulate provide a plan of action to help develop your desired level of computer literacy in one area.

Associated Student Learning Outcome:

- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice.

**Writing Instructive assignments.**

*The writing instructive/intensive component of this course will utilize writing assignments that build upon each other to ultimately develop a formal paper on your Philosophy of Nursing.*

*There are five separate assignments, each with their own requirements. See the specific grading and rubric for each submission. **Your paper will state your personal philosophy of nursing using nursing theories and concepts from this course to support. This is a formal paper requiring in text citations, reference and title page all in APA format. There are APA formatting resources as well as your textbook to utilize as a resource.***

#### Database Articles (10 points)

Use the database tools provided in this module to locate two nursing research articles that link a nursing theory to clinical practice. Be sure the articles are peer reviewed and within the last five years of publication. These articles will serve as support for your personal philosophy paper, the final writing instructive assignment in this course, so choose articles that you can analyze and use to support one of the nursing theories and how you believe it fits into nursing practice.

Associated Student Learning Outcomes:

- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.

#### Assignment 1 (25 points per rubric)

Utilize the final paper rubric (assignment 4), thesis and outline information and APA training videos to create the Title page thesis statement for your final paper, using APA format.

Associated Student Learning Outcomes:

- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Critically appraise personal philosophies of nursing and career goals by conducting self-assessments.
- Explore nursing theories and concepts as applied to evidence-based nursing practice.

#### Assignment 2 (25 points per rubric)

- a. Utilize two evidence-based resources on how your chosen nursing theory can be applied to a nursing practice situation.
- b. Describe your search including the database utilized, search terms (Keywords), number of articles returned and how you narrowed the choice to two.
- c. Prepare a summary statement of the material and a brief paragraph on how they will inform your final paper. Describe the type of study, level of evidence, conclusions and limitations.
- d. Submit summary and reference page with proper APA format.

Associated Student Learning Outcomes:

- Apply critical thinking skills to learn the art and science of critical appraisal of potential evidence for nursing practice discovered in web sources and/or library electronic databases.
- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.

#### Assignment 3 (15 points per rubric)

- e. Submit a draft of your final paper for comments/revisions using VeriCite

- f. If your paper returns with more than 30% unoriginal work on the VeriCite analysis, it must be corrected prior to final submission. VeriCite will exclude quotations and work previously authored by you.
- g. You may submit up to two times for feedback.  
Associated Student Learning Outcomes:
- Critically appraise personal philosophies of nursing and career goals by conducting self-assessments.
  - Explore nursing theories and concepts as applied to evidence-based nursing practice.

Assignment 4 (100 points per rubric)

Submit your final formal APA paper detailing your personal nursing philosophy utilizing nursing theory and references to support your position. Submission requires VeriCite.

Associated Student Learning Outcomes:

- Critically appraise personal philosophies of nursing and career goals by conducting self-assessments.
- Explore nursing theories and concepts as applied to evidence-based nursing practice.

**Discussion boards.** Initial posting and response to 2 peers required for full credit on all discussion boards. See rubric for requirements.

Practice Discussion Board (BD) – pass/fail completion

Discussion Meet and Greet – upload a picture and introduce yourself to the class.

Discussion Board (DB) 1 (50 points): Nursing education entry into practice.

Associated Student Learning Outcomes.

Critically appraise personal philosophies of nursing and career goals by conducting self-assessments.

DB 2 (50 points): Nursing Socialization/Improvement

Associated Student Learning Outcomes

Explore the concepts of nursing informatics and cultural competence as they interface with professional practice.

Analyze the Core Competencies of Interprofessional Collaboration as they relate to nursing practice.

DB 3 (50 points): EBP Questions.

Associated Student Learning Outcomes

Explore the concepts of nursing informatics and cultural competence as they interface with professional practice.

DB 4 (50 points) Patient Communication

Empowered Consumer

Associated Student Learning Outcomes

Explore the concepts of nursing informatics and cultural competence as they interface with professional practice.

DB 5 (50 points) Team Communication for Safety

Associated Student Learning Outcomes

Analyze the Core Competencies of Interprofessional Collaboration as they relate to nursing practice.

Critically appraise personal philosophies of nursing and career goals by conducting self-assessments.

**DB 6 (50 points) Patient Access to Records**

Associated Student Learning Outcomes:

Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice.

**DB 7 (50 points) Informatics and Quality**

Associated Student Learning Outcomes

Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice.

**DB 8 (50 points) Health Teaching**

Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.

**Posting of Grades:**

All student grades will be posted on the Canvas Grade book. Students should monitor their grading status often and report to the instructor any discrepancies. Quiz and exam grades taken through Canvas are posted upon successful submission. Faculty graded assignments and discussion posts will usually be posted within 7 days after the due date and time.

**Grading Policies**

**The Operation of the Online Course and Being an Online Student**

Online learning requires students to be very self-disciplined. For this course, Monday will be considered the first class day. Initial discussion board posting are due on Thursday of the appropriate week with responses due by the following Sunday at 2359. All other assignments such as quizzes and written work will be due by midnight (2359) on Sunday of that module week. **Ten points will be taken off for each day for late submissions and will not be accepted after three days.**

**Statement on Late Assignments**

Assignments are due on the date and time outlined in the course schedule and syllabus. A 10% deduction will be taken for each day an assignment is past the due date. After three days (72 hours), a grade of 0 will be entered into the gradebook for that assignment. This includes all quizzes, discussion boards, and any other written work in the course. Exceptions will be granted at faculty discretion and only if arrangements were made prior to the due date.

Since this is a three semester credit hour course, expect to spend at least three hours a week on your computer and reading. Study time and time for assignment completion will be in addition to that time. The course should be accessed on Canvas at least 3-4 times a week.

Quizzes for this course are used as “learnings” more than testing knowledge. You will have an unlimited amount of time to complete, but only one attempt. So, plan ahead, complete the readings first, and set aside time to complete the quiz.

Be sure to submit assignments, discussions, or any other types of assignments in them correct place from the menu bar on your left.

**Online Discussion Rubric**

Criteria			
<p>Content Understanding (comprehension of the content under discussion)</p>	<p>20.0 pts Full Marks</p> <p>The student understands significant ideas relevant to the issue under discussion. This is indicated by correct use of terminology, precise selection of the pieces of information required to make a point, correct and appropriate use of examples and counterexamples, demonstrations of which distinctions are important to make, and explanations that are concise and to the point. • Information and knowledge are accurate. • The student elaborates statements with accurate explanations, reasons, or evidence. Citations are provided to show connection to evidence and resources.</p>	<p>10.0 pts Partial</p> <p>Ideas are reasonably clear, but the listener needs to make some guesses as to what the student meant. • Some vocabulary is used correctly and some is not. • Ideas are correct but not concise. • Contributions to the group are generally supported by some facts, examples, analogies, statistics, and so forth, but there's a sense that more is needed. Missing areas where citations required for evidence utilized.</p>	<p>0.0 pts No Marks</p> <p>The student uses foundational knowledge incorrectly. • The student struggles to provide ideas or support for ideas and does not show any link to materials presented or resources provided. • The student has difficulty understanding themes and distinguishing main ideas and supporting details. • Terminology is used incorrectly</p>
<p>Quality of Responses Student makes appropriate peer responses and responds to questions or suggestions posed by fellow classmates.</p>	<p>15.0 pts Full Marks</p> <p>Responses contribute to ongoing discussion by providing an alternative perspective or point of view. May share own opinion, but uses resources in the analysis and support of that opinion. Shares insights gained from a colleague's posting. Makes suggestions and expands on the initial post.</p>	<p>7.5 pts Partial</p> <p>Responses provide different opinion or insight but are not supported by evidence. Responses merely restate the initial discussion board posting without adding any additional information.</p>	<p>0.0 pts No Marks</p> <p>Student fails to respond to peer questions or suggestions. Responses not supported by evidence or lacking in understanding of the initial content or peer response.</p>
<p>Choice and Professional Language</p>	<p>10.0 pts Full Marks</p> <p>The student uses precise vocabulary without 'wordiness'. Words are purposefully chosen to make a point. • The student uses language that others in the group will understand, avoids use of jargon/slang. • The student defines or clearly explains language or concepts that might be unfamiliar to others. Language used is appropriate for the level of a registered professional nurse. The student shows mastery of English language appropriate for upper level student, no grammatical errors.</p>	<p>5.0 pts Partial</p> <p>The student occasionally misspells words and makes grammatical errors. The student uses general vocabulary and tends to express ideas wordily. • Although correct, language might not be equally understandable to all members of the group.</p>	<p>0.0 pts No Marks</p> <p>The student uses language that others in the group are unlikely to understand. • Ideas appear disproportionately lengthy and are difficult to follow. • Language choices are vague, abstract, or trite. Jargon/slang may be used when more precise language is needed. The student frequently misspells words and makes grammatical errors. (more than three grammatical or spelling errors)</p>
<p>APA Citations, references and other formatting appropriate for discussion</p>	<p>5.0 to &gt;0.0 pts Full Marks</p> <p>Correct use of APA without errors, including in-text citations and References list.</p>		<p>0.0 pts No Marks</p> <p>3 or more errors in APA in-text citations or reference list.</p>

## TECHNOLOGY REQUIREMENTS AND SUPPORT

### Technology Requirements

This course will use the TAMUCT Canvas Learn learning management system for class communications, content distribution, and assessments. Microsoft Office Word and Power Point programs or equivalent will be utilized to complete course assignment. For this course, you will need reliable and frequent access to a computer and to the Internet. You will also need a headset with a microphone or speakers and a microphone to be able to listen to online resources and conduct other activities in the course. If you do not have frequent and reliable

access to a computer with Internet connection, please consider dropping this course or contact me ([mksanders-1@tamuct.edu](mailto:mksanders-1@tamuct.edu)) to discuss your situation.

Logon to <https://tamuct.Canvas.com> to access the course.

Username: Your MyCT username (xx123 or everything before the "@" in your MyCT e-mail address)

Initial password: Your MyCT password

**Technology issues are not an excuse for missing a course requirement** – make sure your computer is configured correctly and address issues well in advance of deadlines.

### **Canvas Support**

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select “Chat with Canvas Support,” submit a support request through “Report a Problem,” or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

### **Other Technology Support**

For log-in problems, students should contact Help Desk Central.

#### **Drop Policy.**

If you discover that you need to drop this class, you must complete a [Drop Request Form](https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf) [[https://www.tamuct.edu/registrar/docs/Drop\\_Request\\_Form.pdf](https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf)].

Professors cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

### **Academic Integrity**

Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students

from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university's Office of Student Conduct. Ignorance of the university's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

### **Academic Accommodations.**

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university's programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Office of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated as such.

For more information please visit our [Access & Inclusion](https://www.tamuct.edu/student-affairs/access-inclusion.html) web page [https://www.tamuct.edu/student-affairs/access-inclusion.html].

### **Important information for Pregnant and/or Parenting Students.**

Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit the [Student Affairs](https://www.tamuct.edu/student-affairs/index.html) web page [https://www.tamuct.edu/student-affairs/index.html]. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these [requirements and guidelines online](http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf), please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University's Title IX Coordinator.

### **Tutoring**

Tutoring is available to all A&M-Central Texas students, both on-campus and online. Subjects tutored on campus include Accounting, Advanced Math, Biology, Finance, Statistics,

Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or have any other question, contact Academic Support Programs at (254) 519-5796, or by emailing Dr. DeEadra Albert-Green at [deeadra.albertgreen@tamuct.edu](mailto:deeadra.albertgreen@tamuct.edu).

Chat live with a tutor 24/7 for almost any subject on your computer! Tutor.com is an online tutoring platform that enables TAMUCT students to log-in and receive FREE online tutoring and writing support. This tool provides tutoring in Mathematics, Chemistry, Physics, Biology, Spanish, Calculus, and Statistics. ### **The University Writing Center**

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOOnline](https://tamuct.mywconline.com/) at [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu) for any assistance needed with scheduling.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

If you have any questions about the UWC, please do not hesitate to contact Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu).

### **University Library**

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at TAMUCT are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments. Our 27,000-square-foot facility on the TAMUCT main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. . For more information, please visit our [Library website](http://tamuct.libguides.com/index) [http://tamuct.libguides.com/index].

### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

### **Behavioral Intervention**

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, who are exhibiting concerning behaviors, or individuals causing a significant disruption to our community, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the [referral](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2) online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout\_id=2].

Anonymous referrals are accepted. Please see the [Behavioral Intervention Team](https://www.tamuct.edu/student-affairs/bat.html) website for more information [https://www.tamuct.edu/student-affairs/bat.html]. If a person's behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5800.

## **INSTRUCTOR POLICIES**

### **Instructor's Personal Statement**

I welcome you to the program with this first introductory course, and applaud you for taking the next step in your career. I am here to facilitate your learning, so do not hesitate to email or call for assistance

I have been working with various universities for RN to BSN education and I'm very excited to have true Nursing Warriors here at A&M-Central Texas.
