

**Texas A&M University - Central Texas
AVSC 3301 Air Carrier Operations
INSTRUCTOR AND CONTACT INFORMATION**

Instructor: James Fullingim, Ed.D.
Office: FH 323K
Phone: 254.519.5469
Email: fullingim@tamuct.edu

Office Hours: Spring 2019:

Monday 2:00 – 5:00;

Wednesday 2:00 – 5:00 Room 323K, Founders Hall

I maintain virtual hours 24 hours a day. I am readily accessible through Canvas message, which I check daily during the week and once a day on weekends. I will get back to you within 24-36 hours during the week and within 36 hours on the weekend. Be sure to allow plenty of lead time prior to a due date if you are asking about an assignment.

Mode of instruction and course access: This course uses the A&M-Central Texas Canvas Learning Management System [<https://tamuct.instructure.com>]. It is 100% online.

Student-instructor interaction: All contact and assignment submissions will be made via Canvas. I check my mail numerous times during the day, 7 days a week. Weekend response may take longer, so allow extra time for me to reply to your emails.

911 Cellular:

Emergency Warning System for Texas A&M University-Central Texas.

911Cellular is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in 911Cellular through their myCT email account.

Connect at [911Cellular](https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management) [<https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management>] to change where you receive your alerts or to opt out. By staying enrolled in 911Cellular, university officials can quickly pass on safety-related information, regardless of your location.

COURSE INFORMATION

Course Overview and description:

Air Carrier Operations prepares the student with the background information necessary to pass the Airline Transport Pilot Test. In addition, this course is designed to expand upon the Federal Aviation Regulations relating to various facets of the aviation industry, including airline operations, aircraft certification, air-worthiness standards and airport operations

Student Learning Outcomes:

Upon completion of this course, the student will be able to:

- Apply mathematics, science, and applied science skills to accurately solve ATP practice test questions with a minimum 80% correct
- Analyze and interpret ATP practice test data provided to answer with minimum of 80% correct
- Recognize the need to uphold the moral and high character standards established by the FAA for all pilots
- Implement in writing a personal lifelong learning plan and preparation for compliance with FAA moral standards, continued compliance with FAA physical fitness standards, and regularly reviewing FAA advisory circulars (ACs) specific to pilots
- List FAA requirements for Airline Transport Pilot (ATP) certificate and describe the process to attain ATP certification

Competency Goals Statements (certification or standards):**Required Reading and Textbook(s):**

Airline Transport Pilot Test Prep, 2019 Edition
- ASA Test Prep Board
ISBN 9781619546585

Recommended Textbook:

Everything Explained for the Professional Pilot 12th Edition 12th Edition
ISBN 978-0974261300

COURSE REQUIREMENTS**Course Grading:**

There are four components of this course that are graded:

- | | |
|---------------------------|-----------|
| 1) Discussion Boards | 60 points |
| 2) Lifelong Learning Plan | 10 points |
| 3) Midterm | 10 points |
| 4) Final | 20 points |

For the sixteen weeks this class meets, there are 20 Discussion Board topics you will post to. This represents the backbone of the class and your interaction with your instructor and fellow classmates. Each Discussion Board is worth 3 points. Since there are 20 Discussion Boards, you can see that poor participation every week will result in a failing grade.

A = 91-100
B = 81-90
C = 71-80
D = 61-79
F = 0 - 60

Posting of Grades

- All student grades will be posted on the Canvas Grade book where you can monitor your status.
Students can expect grades to be posted to Canvas within 7 days of an assignment being turned in.

COURSE OUTLINE**WEEK 1**

TOPIC(S): CRM, SMS, FEM

STUDENT LEARNING OUTCOME: #3

ASSIGNMENT(S):

Discussion Board introductions

WEEK 2

TOPIC(S): Professionalism, NTSB accident review

STUDENT LEARNING OUTCOME: #3

ASSIGNMENT(S):

Discussion Board #1: Pinnacle 3701

Discussion Board #2: Airline Operations Current Event

WEEK 3

TOPIC(S): The Federal Aviation Administrations and Pilot Certification

STUDENT LEARNING OUTCOME: #1, #2, #3, #5

ASSIGNMENT(S):

Discussion Board: Airline Operations Current Event

ATP Test Prep Book, read and complete CH. 1, pages 1-3 through 1-35.

WEEK 4

TOPIC(S): FAA Regulations, The National Transportation Safety Board, ASRS, ASAP

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board: Airline Interview Prep question

ATP Test Prep Book, read and complete CH. 1, pages 1-36 through 1-68

WEEK 5

TOPIC(S): Airlines in the United States

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board: Airline review

ATP Test Prep Book, read and complete CH. 1, pages 1-69 through 1-92

WEEK 6

TOPIC(S): Equipment, navigation and facilities

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board #1: Airline Operations current event

Discussion Board #2: YouTube video link to a modern day “glass cockpit” Primary Flight Display

ATP Test Prep Book, read and complete CH. 2, pages 2-1 through 2-29

WEEK 7

TOPIC(S): Navigation, airport and approach lighting systems, runway incursions

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board #1: two-page APA formatted discussion post on a runway incursion near-miss or accident

ATP Test Prep Book, read and complete CH. 2, pages 2-29 to 2-54.

WEEK 8

TOPIC(S): Aerodynamics

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board #1: Aerodynamics in airline operations

ATP Test Prep Book, review CH 1, 2, and 3 for your midterm next week.

WEEK 9

TOPIC(S): Mid-term exam and turbine engine performance

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board: How does engine technology drive aviation advancements?

ATP Test Prep Book, read and complete CH. 4, pages 4-1 through 4-24

WEEK 10

TOPIC(S): Lifelong learning plan and FAA Advisor Circulars

STUDENT LEARNING OUTCOME: #1, #2, #4

ASSIGNMENT(S):

Discussion Board: Lifelong learning plan (begin work, not due until Week 15)

ATP Test Prep Book, read and complete CH. 4, pages 4-25 through 4-58

WEEK 11

TOPIC(S): Efficient, effective, safe and legal airline operations

STUDENT LEARNING OUTCOME: #1, #2, #3

ASSIGNMENT(S):

Discussion Board #1: Airline operations efficiencies

Discussion Board #2: Multi-media link to aircraft weight and balance mishap

ATP Test Prep Book, read and complete CH. 4, pages 4-59 to end of CH. 4

WEEK 12

TOPIC(S): Weight and balance

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board: Airline operations current events

ATP Test Prep Book, read and complete CH. 5 (except helicopter operations)

WEEK 13

TOPIC(S): Flight Operations, National Airspace System, Instrument approaches

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board #1: Find the closest airport to you, pick three NOTAMS, list the NOTAMS and explain the NOTAM and why you think it is listed as a NOTAM.

Discussion Board #2: At the same airport you chose for the previous Discussion Board, chose one instrument approach. Insert the Approach Chart into your post (so we can view the chart). Brief the approach in your post in a written paragraph.

ATP Test Prep Book: CH 6 read and complete pages 6-1 to 6-37

WEEK 14

TOPIC(S): Communications, emergencies and flight physiology

STUDENT LEARNING OUTCOME: #1, #2

ASSIGNMENT(S):

Discussion Board #1: Post your research on an airline emergency that occurred on landing.

Discussion Board #2: Post an example of a flight physiology issue that might affect an airline passenger on board an en-route flight.

ATP Test Prep Book: CH 6 read and complete pages 6-38 to end of CH 6. CH 7 read and complete entire chapter.

*Reminder – Lifelong learning plan is due next week.

WEEK 15

TOPIC(S): Meteorology and Weather Services

STUDENT LEARNING OUTCOME: #1, #2, #4

ASSIGNMENT(S):

Discussion Board #1: Post a recap of an airline operation that was affected by a weather event. Explain if the event was handled correctly and if there were any 'lessons learned'.

ATP Test Prep Book: CH 8 read and complete entire chapter.

Review Chapters 1-8 for Final Exam next week.

Lifelong Learning Plan: E-mail your Plan to your instructor per the instructions in Week 10.

WEEK 16

TOPIC(S): Semester wrap-up and Final Exam

STUDENT LEARNING OUTCOME: #1, #2, #3, #4, #5

ASSIGNMENT(S):

Discussion Board #1: Airline marketing video link and post

Final Exam

Technology Requirements

This course will use the A&M-Central Texas Instructure Canvas learning management system.

Logon to A&M-Central Texas Canvas [<https://tamuct.instructure.com>].

Username: Your MyCT username (xx123 or everything before the "@" in your MyCT e-mail address)

Password: Your MyCT password

Canvas Support

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select "Chat with Canvas Support," submit a support request through "Report a Problem," or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

Other Technology Support

For log-in problems, students should contact Help Desk Central.

24 hours a day, 7 days a week:

Email: helpdesk@tamu.edu

Phone: (254) 519-5466

Web Chat: [<http://hdc.tamu.edu>]

Please let the support technician know you are an A&M-Central Texas student.

COURSE AND UNIVERSITY RESOURCES, PROCEDURES, AND POLICIES

Drop Policy.

If you discover that you need to drop this class, you must complete a Drop Request Form, found through the Registrar's web page:

<https://www.tamuct.edu/departments/business-office/droppolicy.php>

Professors cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the University Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity.

Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student's academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university's Office of Student Conduct. Ignorance of the university's standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

Academic Accommodations.

At Texas A&M-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier free education. The Department of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the University's programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Department of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated

as such.

For more information please visit our Access & Inclusion webpage:

<http://www.tamuct.edu/departments/access-inclusion>

TAMUCT supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. For more information, please visit <https://www.tamuct.departments/index.php>. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these requirements and guidelines, please visit: <http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf>

Tutoring.

Tutoring is available to all TAMUCT students, both on-campus and online. On-campus subjects tutored include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or any other question, contact Academic Support Programs at 254-519-5796, or by emailing Kim Wood at k.wood@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject on your computer! Tutor.com is an online tutoring platform that enables TAMUCT students to log-in and receive FREE online tutoring and writing support. This tool provides tutoring in over forty subject areas. Access Tutor.com through Canvas.

The University Writing Center.

Located in 416 Warrior Hall, the University Writing Center (UWC) at Texas A&M University – Central Texas is a free workspace open to all TAMUCT students from 10am-4pm Monday-Thursday during the Fall semester (August 28, 2017 to December 15, 2017). Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available). Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the University

Writing Center is here to help!

If you have any questions about the University Writing Center, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

University Library.

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 72,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at TAMUCT are available through our website to help students navigate these resources. On-campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available twenty-four hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the TAMUCT main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our homepage: <https://tamuct.libguides.com/>
