After reading an article, note the proper citation (APA style), type a summary of the material, and save it. As you read articles, you add them to your annotated bibliography. The document should consist of 10 article citations and summaries for each article, for a total of 10 summaries.

## ATTENDANCE, STUDENT RESPONSIBILITIES, AND PERFORMANCE PO

**Attendance.** A student is attending the course if they are actively interacting with the Canvas course pages and completing assignments.

**Student Responsibilities.** Students are responsible for keeping up with the reading and utilizing the resources available to learn the material. Modules are organized to give students an opportunity to complete the readings and assignments in a timely manner. Each module contains slides for the chapter, chapters summaries, and additional tools for learning. Students are expected to refer to these materials and contact me for further clarification.

Other responsibilities:

- Read the assignment instructions. Failing to follow instructions will affect your scores.
- Read all of the information included with assignment instructions. There are helpful tips included and examples.
- Meet with a writing tutor to review your work before submitting it.
- Submit assignments on time or ahead of time.
- Review the comments I make on your submissions and contact me for more information.
- Have reliable internet access or have a backup plan to work somewhere that does.

**Performance Policy.** Writing is important and significantly affects scores. In general, college level writing contains no spelling and grammar errors. All information should be paraphrased unless a direct quote is necessary. Overall, writing should be concise, without losing important information, and submission should be strongly organized moving from point to point in a logical and organized manner.

**Late Assignments.** I generally do not accept late assignments. However, there are exceptions. Whether I accept a late assignment depends on a student's overall performance in the class. When assessing overall performance, I focus on:

- Repeated meaningful communication (i.e. to discuss course material and performance) with the instructor. This does not include requests for extensions or excuses for late submissions.
- *Demonstrated* use of all available course materials.
- Prior assignments are completed on time.

If a student's performance warrants this special consideration, the late assignment is graded once I have completed all other grading and the submission will receive limited feedback.

**Drop Policy.** If you discover that you need to drop this class, you must complete a [Drop Request Form](#) [https://www.tamuct.edu/registrar/docs/Drop\_Request\_Form.pdf]. Professors cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

**Academic honesty.** It is also important that students engage in academic honesty. To learn about TAMUCT academic policy, please review the Student Honor Code of Academic

Integrity <https://www.tamuct.edu/student-affairs/docs/honor-code-of-academic-integrity.pdf>

**Plagiarism.** Plagiarism is a form of academic dishonesty. Plagiarism, most simply defined, is not properly crediting sources of information through the use of textual citations and the provision of a works cited list. If something is not your own original idea, thought, words, or the product of your original data collection and analysis, you must cite your source in the text. Students who plagiarize will receive a 0 for the assignment and may be referred to the Office of Student Conduct. To learn more about plagiarism, please visit <https://owl.english.purdue.edu/owl/resource/589/02/>

## **University Writing Center**

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via [WCOnline](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu) if you have any questions about the UWC and/or need any assistance with scheduling.

## **University Library**

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding,

### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/departments/compliance/titleix.php) [https://www.tamuct.edu/departments/compliance/titleix.php].

### **Behavioral Intervention**

If you are aware of individuals for whom you have a concern, who are exhibiting behaviors that pose a threat to safety, or individuals causing a significant disruption to our community, please make a referral to the Behavioral Intervention Team. You can complete the [referral](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2) online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout\_id=2].
