**Student-instructor interaction:**
My preference is to have contact with students via Canvas first, then email. Urgent or complicated issues, feel free to call me at (209) 207-8527. Please text me first and explain your issue, and I will call you back. I usually do not answer phone calls I am not familiar I do not recognize.

**UNILERT**
Emergency Warning System for Texas A&M University-Central Texas

UNILERT is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in UNILERT through their myCT email account. Connect at www.TAMUCT.edu/UNILERT to change where you receive your alerts or to opt-out. By staying registered in UNILERT, university officials can quickly pass on safety-related information, regardless of your location.

**COURSE INFORMATION**

1.0 **Course Overview and Description:**

This course explores today and tomorrow's technology with particular attention to the impact on real people at home, work, and school. Topics presented in the course include hardware and software fundamentals, essential applications, telecommunications, the Internet, artificial intelligence, programming, and the future of these technologies. Students work with word processing, spreadsheets, database, and presentation software. The course focuses on those students with little or no experience with personal computers and the applications presented.
2.0 Course Objective:

The objective of this course is to present the most up-to-date technology in the ever-changing computer technology environment. This course seeks to provide an in-depth understanding of the fundamentals of computers and computer terminology, mainly concerning personal computer hardware and software, and the Web. Finally, an important objective is to and assist students in planning a career that uses computer technology.

2.1 Student Learning Outcomes:

- Explain why computer literacy is vital to success in today's world
- Discuss the evolution of the Internet
- Identify the four categories of application software
- Differentiate among various styles of system units on desktop computers, notebook computers, and mobile devices
- Define input and differentiate among a program, command, and user response
- Describe the types of output: text, graphics, audio, and video
- Differentiate between storage devices and storage media
- Define system software and identify the two types of system software
- Demonstrate a basic skill level in word processing, spreadsheets, databases, and presentation software.

3.0 Required Reading and Textbook(s):

Discovering Computers 2018
*Digital Technology, Data, and Devices*
Vermaat, Sebok, Freund, Campbell, Frydenberg
Cengage Learning
ISBN: 978-1-337-28510-0

Optional:
Microsoft Office 365
Office 2016 Introductory

This textbook is optional, however, if you are unfamiliar with using Microsoft Office 365 applications such as Word, Excel, PowerPoint, and Access, you should purchase this textbook because it explains step by step how to use Microsoft Office projects that are part of this course.

Microsoft Office 2016 Introductory
Shelly Cashman Series
Cengage Learning
ISBN: 978-1-305-87001-7
Note: A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Supplemental Material: The course textbook will be supplemented with other materials including handouts, oral presentations, industry articles, research paper readings, case studies, Power Point presentations etc.

Required Reading: The student is expected to read and review all material presented in the assigned chapter prior to class.

COURSE REQUIREMENTS

4.0 Course Requirements:

Participation: Participation is worth 120 points.

Quizzes: There will be 12 quizzes. Each quiz is worth 25 points. The quizzes will be available via Canvas and will be timed. The quizzes allow for three attempts each and the highest score for each attempt will be entered into the gradebook. Late submissions will be penalized 10% of grade.

Assignments: There will be 7 assignments. Each assignment will be worth 40 points. Assignments with directions are posted on Canvas. Late submissions will be penalized 10% of grade.

Examinations: There will be three exams. Each of the three exams are worth 100 points. Exams will be taken via Canvas, must be completed in one session, and will be timed. If accepted, late submissions will be penalized 10% of grade.

**Note:**  
*All assignments Except Access 01 are due on Sunday at 11:59 PM. Access 01 is due on Friday July 24, 2020 at 11:59 PM (last day of class)*
COURSE AND UNIVERSITY PROCEDURES AND POLICIES

7.0  Drop Policy

If you discover that you need to drop this class, you must go to the Records Office and ask for the necessary paperwork. Professors cannot drop students; this is always the responsibility of the student. The record's office will provide a deadline for which the form must be returned, completed and signed. Once you return the signed form to the records office and wait 24 hours, you must go into Warrior Web and confirm that you are no longer enrolled. Should you still be enrolled, FOLLOW-UP with the records office immediately? You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the deadline or fail to follow the procedure, you will receive an F in the course.

8.0  Academic Integrity

Texas A&M University - Central Texas expects all students to maintain high standards of honor in personal and scholarly conduct. Any deviation from this expectation may result in a minimum of a failing grade for the assignment and potentially a failing grade for the course. All academic dishonesty concerns will be reported to the university's Office of Student Conduct. Academic dishonesty includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student's work, collusion, and the abuse of resource materials. When in doubt on collaboration, citation, or any issue, please contact me before taking a course of action. More information can be found at: http://www.tamuct.edu/departments/studentconduct/academicintegrity.php

9.0  Disability Support Services

At Texas A&M University – Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to an education that is barrier-free. The Office of Disability Support and Access is responsible for ensuring that students with a disability enjoy equal access to the University's programs, services and activities. Some aspects of this course or the way the course is taught may present barriers to learning due to a disability. If you feel this is the case, please contact Disability Support and Access at (254) 501-5831 in Warrior Hall, Ste. 212. For more information, please visit their website at www.tamuct.edu/departments/disabilitysupport. Any information you provide is private and confidential and will be treated as such.

10.0 Tutoring

Tutoring is available to all TAMUCT students, both on-campus and online. Subjects tutored include Accounting, Finance, Statistics, Mathematics, and Writing. Tutors are available at the Tutoring Center in Warrior Hall, Room 111. Visit www.ct.tamuct.edu/AcademicSupport and click "Tutoring Support" for tutor schedules and contact info. If you have questions, need to schedule a tutoring session, or if you're interested in becoming a tutor, contact Academic Support Programs at 254-501-5830 or by emailing tutoring@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject on your computer! Tutor.com is an online tutoring platform that enables TAMU-CT students to log-in and receive FREE online tutoring and writing support. This tool provides tutoring in Mathematics, Writing, Career Writing, Chemistry, Physics, Biology, Spanish, Calculus, and Statistics. To access Tutor.com, log into your Canvas account and click "Online Tutoring." Read the introduction to each chapter ("Objectives"), read the summary, read the chapter, then answer the review questions, study the vocabulary words, go to the web site and take some of the quizzes, and ask questions in class.
11.0 Library Services

*Library distance education services* aims to make available quality assistance to A&M-Central Texas students seeking information sources remotely by providing digital reference, online information literacy tutorials, and digital research materials. Much of the A&M-CT collection is available instantly from home. This includes over half of the library's book collection, as well as approximately 25,000 electronic journals and 200 online databases. Library Distance Education Services are outlined and accessed at: http://www.ct.tamus.edu/departments/library/deservices.php

*Information literacy* focuses on research skills which prepare individuals to live and work in an information-centered society. Librarians will work with students in the development of critical reasoning, ethical use of information, and the appropriate use of secondary research techniques. Help may include yet is not limited to exploration of information resources such as library collections and services, identification of subject databases and scholarly journals, and execution of effective search strategies. Library Resources are outlined and accessed at http://www.tamuct.edu/library

12.0 The University Writing Center

The University Writing Center at Texas A&M University-Central Texas is a free workspace open to all TAMUCT students. The UWC is located in 416 Warrior Hall. The center is open 11am-6pm Monday-Thursday during the spring semester. Students may work independently in the UWC by checking out a laptop that runs Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Students may also arrange a one-on-one session with a trained and experienced writing tutor. Tutorials can be arranged by visiting the UWC. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. Sessions typically last between 20-30 minutes. While tutors will not write, edit, or grade papers, they will help students develop more effective invention and revision strategies.

13.0 Any Instructor Policies Related to Absence, Grading, ETC

1. Instructor reserves the right to modify the syllabus during the course of the semester for the benefit of the students.
2. Instructor reserves the right to supplement the material presented in the text with addition material that may benefit the students by either providing additional information or a different point of view.
3. Instructor expects that the students will act in a curious and professional manner in all interactions with other students and the instructor.
4. Instructor reserves the right to modify grading rubrics. Changes to grading rubrics are only made to current and possibly future assignments.
5. Instructor will not accept assignments after the last day of classes
