COURSE DATES, MODALITY, AND LOCATION:
This is an Online course; we will be using the A&M-Central Texas Canvas Learning Management System (Canvas) [https://tamuct.instructure.com]. You will use the Canvas username and password communicated to you separately to logon to this system. The course syllabus, schedule, supplemental readings, class announcements, power point slides, learning modules, homework assignments, exams and other course related documents will be posted on Canvas. Each student is responsible for the posted material and should check Canvas at least daily for updates. The course outline in this syllabus shows the basic schedule for the semester.

WARRIOR SHIELD
Emergency Warning System for Texas A&M University-Central Texas
Warrior Shield is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in Warrior Shield through their myCT email account.

Connect to Warrior Shield by 911Cellular [https://portal.publicsafetycloud.net/Account/Login] to change where you receive your alerts or to opt out. By staying enrolled in Warrior Shield, university officials can quickly pass on safety-related information, regardless of your location.

COURSE INFORMATION
Course Overview and description:
All levels of management have the burden of insuring that appropriate information systems are in place to bring about a productive profitable organization. The objective of this course is to meet the challenges which are seemingly unending. Information Technology Services departments will be required to increase system performance and improve availability while simultaneously cutting costs and improving quality, measured by customers satisfaction. The use of best practices methods and metrics must be considered for improvement for already in place. Information technology professionals need to acquire business skills to complement their traditional technical skills. We will learn how these business skills can be applied effectively to cut Information Systems costs and improve the quality without reducing services.

Course Objective:
Student Learning Outcomes
Upon successful completion of this course, you will be able to:

1. Summarize how business organizations employ information technology to create a competitive advantage.
2. Demonstrate among the way’s businesses use IT strategically, such as for enterprise, business-to-business, and e-commerce computing.
3. Explain the roles and impact of business processes as they relate to information systems within an organization.
4. Analyze formal methodologies to improve system planning, analysis, and architecture design.
5. Analyze the architecture of an electronic commerce system, including the system hardware, system software, database system, online transaction, and user interface.
6. Evaluate how each component of an e-commerce system can be used to improve a business organization and contribute to its competitive advantage; and
7. Create a technology strategy for an organization.

Required Reading and Textbook(s):
a. Authors: Joe Peppard and John Ward
COURSE REQUIREMENTS

1. Reading Assignments: All assigned chapters will be used as basis for class and/or blackboard discussions. Study the assigned readings before each class.

2. Attendance/Participation Policy: Class attendance is required. The policy as officially stated by the University will be enforced. Students are expected to make arrangements with the instructor before missing a series of classes due to job requirements. Students are responsible for any material missed during an absence. In all cases, the responsibility remains with the students to meet/obtain all course requirements/changes. If you are not present the class period your presentation is scheduled, the presentation grade is zero. Regular course progress is expected. It is each student’s responsibility to review the blackboard and syllabus for the latest information, assignments and examinations.

3. Term Paper: Each Student will be required to write a Research Paper. In the required paper, students will select and explore a current topic/trend in Strategic Information Systems for a specific (student selected) industry. It will consist of at least five double spaced pages (not including title page, table of contents, bibliography, appendixes, etc.) in length with 1” margins formatted in APA style, using 11 (Arial) or 12 (Times Roman or Calibri) point font. This is a professional paper – do not use informal language. Do not over quote your references, instead summarize what they say in your own words, and provide reference to the article. Every claim you make in the paper should have a peer-reviewed academic reference. Wikipedia is NOT academic and should not be used unless it is unavoidable. The paper must be submitted in MS Word format (.doc, .docx) or pdf. There will be three preliminary deliverables:

   a) A proposal describing the company and why you chose it. Give a little background so I can see if it is a good choice. I have to approve the company before you can complete the Case Study (10 Points) NOTE: Each of the two case studies will focus on a different company!

   b) The Final Case Study Analysis with Recommendations (should be at least 5 pages, not including title, cover, appendix, references, charts, graphs, etc.). 100 Points

   c) An Executive Summary of the Case Study – this is a one to one-and-a-half-page summarization of the case. (40 Points)

4. Mini Case Studies Research: There will be 6 Mini Research, they are all aim to help you construct the final (Main) case study. See calendar/Canvas for deadline for details.
5. **Homework:** There will be homework assignments for each chapter, worth 10 points each (only top 10 quizzes will be kept) for a total of 100 points (10% of your grade).

6. **Exams:** There will be two exams (a mid-term and a final) worth 10% (100 points) of your total grade each. The Mid-Term will cover chapters 1-6 and the Final will cover 7-12 (i.e. not comprehensive)

7. **Late Submissions:** All short assignments (Homework, Micro research, and such must be submitted the due day, no extensions will be allowed. Large writing assignments (Term paper, Exams, Paper Draft, etc. will be considered late if submitted after the due date/time. A late penalty of 5% per DAY will be applied. That means that NO submissions will be accepted if submitted more than 5 days after the due date. In addition, Late tests will **NOT** be accepted! Attention procrastinators: The last week of the course is not the time to be concern about your grades. NO work will be accepted after Sunday 07/19/2020.

8. ** Discussions** are part of the course; the discussion forum allows you the opportunity to exchange knowledge with your classmates. Many students are already working in the industry and possess a wealth of up to date information, benefit from that.

9. **Other Notes about assignments:** All assignments will be submitted via Canvas.

   9.1 All assignments are due the following Sunday after being assigned.

   9.2 It is your responsibility to ensure the files submitted can be open by the faculty. Submitting unreadable material hoping to gain extra time will be viewed as a dishonesty act. All academic misconduct concerns will be reported to the university’s Office of Student Conduct for further disciplinary actions. **Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity.** When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

   9.3 Make sure all parts are labelled in a logical manner that makes it easy for me to figure out which part of the assignment is which. (Meaning .... I will not guess what is what is your paper, and no credit will be given if not labeled correctly).

**Grading Criteria Rubric and Conversion**
Posting of Grades
All student grades will be posted on the Canvas Grade book and students should monitor their grading status through this tool. Grades for weekly assignments, discussions, quizzes and exams should be posted (no guarantees) within 7 days following the due date.

Canvas Grade Book has weighted columns for each of the groups of assignments (Homework, Term Paper, Participation/Attendance, Case Studies, and Exams) as well as a weighted column for the entire course. These columns put 0’s for all incomplete assignments, so they all start at 0% and go up as you submit assignments. So, at any given time, you can see what your grade would be if you did no additional work. HOWEVER; Canvas does not set this up by default, so... To view the gradebook as I intended it to look, please go to the gradebook on Canvas, find the gear icon in the upper right corner (not quite all the way at the top...), click the down arrow beside the gear, and enable the “Treat ungraded as 0” option.

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy.
If you discover that you need to drop this class, you must complete a Drop Request Form [https://www.tamuct.edu/registrar/docs/Drop_Request Form.pdf]. Professors cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity.
Texas A&M University-Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation
may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

**Academic Accommodations.**
At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Office of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated as such. For more information please visit our Access & Inclusion web page [https://www.tamuct.edu/student-affairs/access-inclusion.html].

**Important information for Pregnant and/or Parenting Students.**
Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education’s Office of Civil Rights, the Dean of Student Affairs’ Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit the Student Affairs web page [https://www.tamuct.edu/student-affairs/index.html]. Students may also contact the institution’s Title IX Coordinator. If you would like to read more about these requirements and guidelines online, please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf]. Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University’s Title IX Coordinator.

**Tutoring.**
Tutoring is available to all A&M-Central Texas students, both on-campus and online. Subjects tutored on campus include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111. If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or have any other question, contact Academic Support Programs at (254) 519-5796, or by emailing Dr. De Eadra Albert-Green at deeadra.albertgreen@tamuct.edu.
Chat live with a tutor 24/7 for almost any subject from on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log in and receive FREE online tutoring and writing support. This tool provides tutoring in over 40 subject areas. Access Tutor.com through Canvas.

**University Writing Center.**
Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WC Online at [https://tamuct.mywconline.com/](https://tamuct.mywconline.com/). In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu for any assistance needed with scheduling. Tutors are prepared to help writers of all levels and abilities at any stage of the writing process.

While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

If you have any questions about the UWC, please do not hesitate to contact Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu).

**University Library.**
The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.
Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website [http://tamuct.libguides.com/index].

OPTIONAL POLICY STATEMENTS:
A Note about Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].

Behavioral Intervention
Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, who are exhibiting concerning behaviors, or individuals causing a significant disruption to our community, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/student-affairs/bat.html]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5800.

INSTRUCTOR POLICIES.
1. Instructor reserves the right to modify the syllabus during the course of the semester for the benefit of the students.
2. Instructor reserves the right to supplement the material presented in the text with additional material that may benefit the students by either providing additional information or a different point of view.

3. Instructor expects that the students will act in a curious and professional manner in all interactions with other students and the instructor.

4. Instructor reserves the right to modify grading rubrics. Changes to grading rubrics are only made to current and/or future assignments.

5. Any changes made will be announced on Canvas.
