Required Reading and Textbook(s):

*The cost appears to be around $145.

If you only want the e-text and MindTap, that can be purchased directly from Cengage if our bookstore is not carrying that option. It appears the ISBN is 978-1-337-10544-6. It should be around $100. If you choose to acquire a complete bound text through another source (not our bookstore), be sure it comes with MindTap access. The above options are the most financially feasible as the full bound text with MindTap is over $400.

MindTap registration instructions will be available in Canvas.

There is at least a one week free trial available if you cannot immediately purchase your text and access.

A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

2. Reliable internet access for assignment submissions and exams, as well as a properly configured computer, with: speakers or a headset (to listen to audio/video files), PDF reader software like Adobe for additional readings, and MS Word & PowerPoint.

Course Instructional Materials: Click on “Modules” on the left side of Canvas to access audio explanations of the material, a summary PowerPoint, and additional readings/resources. You will generally find links to the assignments there as well.

COURSE REQUIREMENTS
Assignments and Point Distributions (all assignments must be submitted in a .doc or .docx format):

1. MindTap Assignments – 150 total points - Each week you will utilize MindTap to complete quizzes and sometimes application exercises related to the chapter(s) covered that week. We cover 24 chapters, thus there are 24 quizzes, but just 10 graded exercises. Each quiz or exercise will be worth 5 points. Thus, there are really 170 points available, so you have four “free” ones built in. They do come with short time limitations, so you need to be very familiar with the content prior to taking them. There are minimal hint/answer checks programmed in. These will generally be due on Saturdays. I did set up many additional exercises for you in MindTap for practice, but they don’t count grade wise.

2. Discussions – 70 points (Introduction at 10 points and four at 15 points each) - You will be required to contribute and participate in an introduction and four discussions
throughout the semester. In the “Discussions” area in Canvas, you will find three postings for each of the discussions assignments. You must make an original post, worth 5.5 points each, on two of them and substantively reply to another student on the other (worth 4 points). A grading rubric is provided at the end of this syllabus as Appendix A.

3. **Journals – 40 Points (20 points each)** – In weeks 4 and 7, you will be required to reflect on what you have learned and what you found troubling or in the following manner:

Thoughtfully reflect on what you learned or found interesting in substantive paragraph of at least five sentences. *Also,* in a separate paragraph, state what you found confusing (muddiest issue) and/or ask me for clarification(s). There are no format requirements for requirement #2, other than it appearing separately from requirement #1. Do not ignore the second part though. You may access the Journals through the link on the left side of Canvas titled “Assignments” or via the link in that Module’s content folder. *Journal #2 will only consider material scheduled to be covered since Journal #1 (−5 points if you stray).* **Type your journal in the text box and do not attach it in a Word document (0 credit) for this one.** Your entry must be comprehensible; thus grammar can affect your score if I am struggling to understand what you are trying to say.

4. **Supreme Court “Briefing” Assignment – 60 Points** - As we talk about the Supreme Court, I think it’s vitally important that you actually read and try to understand one of their cases. Whenever an opinion is issued, the law may change. Businesses have to be ready to understand the changes and react accordingly. You will find more detailed instructions in the “Assignments” area on Canvas.

5. **Getting to Know the Law Assignment (GTKL) – 80 points** - The assignment is posted in the “Assignments” section on the left side of Canvas and also available via a link in Module 6. If you’re looking to get ahead or for work to do if you don’t have your book yet, this would be one assignment you can do now. This assignment generally has very high grades, but also takes quite a bit of time to complete.

6. **Exams - 4 exams (1 every 2 weeks) comprising 150 Points of your grade each (600 points combined)** - You must schedule around the available time window. If there is an unavoidable conflict, you must let me know *ahead of time,* not after. I may allow a make-up, but even then, it may be an entirely differently structured exam (all essay) or mode of delivery (in my office). I am the sole judge on these matters and you should bring exam issues to me when they arise. *Exams are not easy* and may be comprised of multiple choice, T/F, matching and essay questions at my discretion. They will likely be roughly two-thirds MC/TF and one-third short answer/essay and will not be comprehensive. For full credit on essay questions, you must use the proper vocabulary from the text and lectures. You will have 120 minutes to complete each online examination.

You may use your text and notes to assist you, but **you may not use another person’s help or the Internet! If you do so, it will be an academic integrity violation.*** **Check the syllabus calendar for dates and availability windows.** *If you fail to take an exam*
without notifying me prior to the exam window (an email takes 30 seconds), you can score no higher than the lowest grade a class member received who took it on time and only if I feel the excuse warrants allowing a make-up. Unfortunately, since I have been lied to in the past, I will likely require documentation of extreme illness, funerals, sudden necessary trips (like a last minute purchase receipt), or field exercises. “Vacations” are not a valid excuse to turn in work late.

Each exam may be accessed either via the link in that Module or the “Quizzes” link on the left side of Canvas.

Grading Scale
Note the C, D, and F Ranges Especially
895-1000 = A - Excellent  
795-894 = B - Good  
715-794 = C – Acceptable  
645-714 = D – Needs Improvement  
644 or less = F – Unacceptable

Grades may also be adjusted at the end of the semester based on class results. This means that an average may qualify for a higher letter grade than the scale normally provides for, to facilitate an appropriate grade distribution.

Additionally, it is vital for business success to be able to communicate courteously and professionally, as saying the wrong thing to the wrong person could ruin one’s career, thus we have CLO #7. As such, I reserve the right to reduce the grade of a student who communicates in a grossly unprofessional manner (email, discussion board, etc.) with respect to another student or myself. Example – Do not call another student a moron in the Discussion Boards, which happened in the Summer 2018 course. We can disagree with one’s view or judgment, but we must learn how do so respectfully in order to maintain employment and be successful in business today.

****There is one bonus assignment posted on the left hand side of Canvas under “Assignments.” Be sure to comply with the deadline stated. You are ineligible for bonus credit if you have more than two late or missing assignments, MindTap excluded, without my approval of extenuating circumstances. ****

Posting of Grades
It will be my goal to have all work graded within 72 hours after it is due. Your grades are always posted and available in Canvas once finished.

Late Work Issues:
1. Discussions, Journals, and MindTap – NO credit will be given for late Discussion Postings, Journals or MindTap completions.
2. The Supreme Court Assignment and the Getting to Know the Law Assignment will lose 10 points per day late. 12:01 AM is technically late by one day.

3. Again, if you fail to take an exam without notifying me prior to the exam window, you can score no higher than the lowest grade a class member received who took it on time and only if I think the excuse warrants allowing a make-up.

University Writing Center
Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WCOnline [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC and/or need any assistance with scheduling.

University Library
The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in
peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website [http://tamuct.libguides.com/index].
