Texas A&M University-Central Texas
NURS3330-110 Care of Older Adults
Spring 2018 – Syllabus rev. 01/15/2018

INSTRUCTOR AND CONTACT INFORMATION
Instructor: Nina Jackson, MSN, RN
Office: virtual
Phone: (210) 843-6338 (voice/text)
Email: ninajacksonrn@gmail.com (preferred) or n.jackson@tamuct.edu
Office Hours: Online and by phone office hours by appointment.

Mode of Instruction and course access:
This course is 100% online taught through the A&M-Central Texas Canvas Learning Management System (https://tamuct.instructure.com). You will use the Canvas username and password communicated to you separately to logon to this system. Faculty serve as a resource person to guide the student in the learning process. Other teaching strategies include online assignments, online discussion boards, and scholarly papers. The instructor guides the online student’s learning and serves as a resource person in the learning process.

Student-instructor interaction:
Please email me simultaneously on ninajacksonrn@gmail.com and n.jackson@tamuct.edu. You can also email and message me from Canvas.

911 Cellular:
Emergency Warning System for Texas A&M University – Central Texas
911Cellular is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in 911 Cellular through their myCT email account.

Connect at 911Cellular [https://portal.publicsafetycloud.net/Texas-AM-Central/alert-management] to change where you receive your alerts or to opt out. By staying enrolled in 911Cellular, university officials can quickly pass on safety-related information, regardless of your location.

COURSE INFORMATION

Course Overview and Description
In this course, the aging process is examined with a focus on risk reduction, chronic disease management and disease prevention in the older adult. The concept of healthy aging will be explored. The course includes strategies for health promotion, health restoration, health maintenance and life transitions of the older adult. Expected professional nurse competencies in
providing and directing culturally sensitive care of the older adult and their families across the wellness/illness continuum will be emphasized.

Course Objective

By the end of this course the student will be able to assess health and wellness needs of the older population, and analyze available resources for the elderly and their care givers.

Student Learning Outcomes

1. Examine the underlying causes of physical changes associated with the aging process.
2. Explore the major psychological and sociological theories of aging.
3. Comprehend the expected competencies of the professional nurse in providing care to the older adult across the wellness/illness continuum.
4. Analyze strategies used in the health assessment, promotion, restoration, and maintenance of the older adult.

Competency Goals Statements from The Essentials of Baccalaureate Education for Professional Nursing Practice, American Association of Colleges of Nursing (2008).

III. Scholarship for Evidence Based Practice.

VII. Clinical Prevention and Population Health.

IX. Baccalaureate Generalist Nursing Practice

Required Reading and Textbooks:

3. **Shadow Health Digital Clinical Experience (DCE) software.** Purchase from the Bookstore or purchase online.

Students must create their accounts by visiting [http://app.shadowhealth.com](http://app.shadowhealth.com)

Students must enroll in the course with this course-specific PIN: August2018-4202-9299-0438-1982

COURSE REQUIREMENTS

**Online Discussion: Meet and Greet – Due Sunday September 2, 2018**

Introduce yourself to your peers. Include your name, where you obtained your ADN, what kind of nursing you practice, and how many courses you have taken at TAMUCT. Include a few personal details (spouse, children, pets, etc.). Please upload a picture of yourself/family. Respond to at least 2 peers.

**Module 1: Healthy Aging, History, Culture, Nursing Theories**

Associated student learning outcomes:
1. Examine the underlying causes of physical changes associated with the aging process.
2. Analyze strategies used in the health assessment, promotion, restoration, and maintenance of the older adult.

**Online Discussion 1 – Cross-Cultural Caring and Aging (100 points)**

Read chapter 2 in the textbook. Discuss your personal beliefs regarding health and illness and explain how they fit into the three major classifications of health belief models. Propose 4 strategies that would be helpful in planning care for elders from different ethnic backgrounds. Note the different due dates and follow the rubric.
Initial post: due 9/4

Responses: due 9/7

Answer to peer question: due 9/11

- Analyze strategies used in the health assessment, promotion, restoration, and maintenance of the older adult.

**Field Work**

This course will require 15 hours of field work to meet the learning outcomes. All field work preparation, computer search, assessment, planning, implementation and evaluation time are counted as part of the field work hours. The hours spent on the ShadowHealth assignments will count as field work hours.
Posting of Grades

All student grades will be posted on the Canvas Grade book. Students should monitor their grading status often and report discrepancies to the instructor. The Shadow Health DCE score is your grade for each Shadow Health assignment.

Students must earn a grade of “C” or higher to pass the course.

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy.
If you discover that you need to drop this class, you must complete a Drop Request Form [https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf].

Professors cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the Academic Calendar for which the form must be completed, signed and returned. Once you return the signed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity.
Texas A&M University -Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

Academic Accommodations.
At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations please contact the Office of Access and Inclusion at (254) 501-5831. Any information you provide is private and confidential and will be treated as such.

For more information please visit our Access & Inclusion web page https://www.tamuct.edu/student-affairs/access-inclusion.html.
Important information for Pregnant and/or Parenting Students.
Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education’s Office of Civil Rights, the Dean of Student Affairs’ Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit the Student Affairs web page [https://www.tamuct.edu/student-affairs/index.html]. Students may also contact the institution’s Title IX Coordinator. If you would like to read more about these requirements and guidelines online, please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University’s Title IX Coordinator.

Tutoring.
Tutoring is available to all A&M-Central Texas students, both on-campus and online. Subjects tutored on campus include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Tutors are available at the Tutoring Center in Warrior Hall, Suite 111.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, or have any other question, contact Academic Support Programs at (254) 519-5796, or by emailing Dr. DeEadra Albert-Green at deeadra.albertgreen@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject from on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log in and receive FREE online tutoring and writing support. This tool provides tutoring in over 40 subject areas. Access Tutor.com through Canvas.

University Writing Center.
Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free workspace open to all TAMUCT students from 10:00 a.m.-5:00 p.m. Monday thru Thursday with satellite hours in the University Library Monday thru Thursday from 6:00-9:00 p.m. This semester, the UWC is also offering online only hours from 12:00-3:00 p.m. on Saturdays.

Students may arrange a one-on-one session with a trained and experienced writing tutor by visiting the UWC during normal operating hours (both half-hour and hour sessions are available) or by making an appointment via WCOnline at [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu for any assistance needed with scheduling.
Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

The UWC is also continuing with synchronous online writing tutoring this semester, which has grown substantially over the past two semesters. Using WCONline, students can schedule video consultations with trained UWC tutors, and they will be able to work with UWC tutors from the comfort of their own homes!

If you have any questions about the UWC, please do not hesitate to contact Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu.

University Library.
The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website [http://tamuct.libguides.com/index].

OPTIONAL POLICY STATEMENTS:
A Note about Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].
