NURS 3300, 10035, Professional Role Transition
Fall 2021
Texas A&M University-Central Texas

COURSE DATES, MODALITY, AND LOCATION
This is a 100% online course and uses the A&M Central Texas Canvas Learning Management System(opens in a new page) https://tamuct.instructure.com
Course dates: August 23, 2021-December 10, 2021
Mandatory virtual (live) course and program orientation: see course calendar for dates/times

INSTRUCTOR AND CONTACT INFORMATION
Instructor: Amy Mersiovsky, DNP, RN, PED-BC
Office: Heritage Hall, Room 302A
Phone: 254-519-5487
Email: Canvas inbox is the preferred method for communication for course-related communications. Secondary email: a.mersiovsky@tamuct.edu

Office Hours
Please contact the professor for a virtual or phone appointment at least 24 hours in advance. After business hour appointments may be arranged due to student need.

Student-instructor interaction
Messages within Canvas are checked daily. Emails to secondary email are checked Monday through Friday during business hours. Students may expect a response within 24 to 48 hours. It is expected that all Canvas message communication from faculty receive a response within 48 hours.

The Canvas announcements page is used to send information that pertains to all students. It is strongly suggested that you adjust your Canvas settings to receive announcements in your email account or check announcements frequently.

WARRIOR SHIELD
Emergency Warning System for Texas A&M University-Central Texas
Warrior Shield is an emergency notification service that gives Texas A&M University-Central Texas the ability to communicate health and safety emergency information quickly via email, text message, and social media. All students are automatically enrolled in Warrior Shield through their myCT email account.

Connect to Warrior Shield by 911Cellular [https://www.tamuct.edu/police/911cellular.html] to change where you receive your alerts or to opt out. By staying enrolled in Warrior Shield, university officials can quickly pass on safety-related information, regardless of your location.

COURSE INFORMATION

Course Overview and description
Nursing is defined, especially as it relates to promotion and restoration of health. Roles of the nurse are explored, Professional nursing is examined from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice. Students will examine personal, professional and cultural values as influences upon nursing practice. The process of critical thinking and the use of nursing informatics is examined from multiple perspectives. Prerequisite(s): ENGL 1302 or 2311 and admission into the nursing program.

Course Objective or Goal
1. Create a written philosophy of personal nursing practice through scholarly writing.
2. Apply critical thinking skills to learn the art and science of critical appraisal of potential evidence for nursing practice discovered in web sources and/or library electronic databases.
3. Recognize best practices in scholarship to translate evidence into nursing philosophy and practice.
4. Utilize information technology tools to access, retrieve, organize and critically appraise relevant data
5. Explore the concepts of nursing informatics as they interface with professional practice.
6. Incorporate information technology into professional nursing practice.
7. Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice.
8. Relate nursing informatics competencies to quality, safety and cost in health delivery systems.
9. Analyze the Core Competencies of Interprofessional Collaboration as they relate to nursing practice.
10. Critically appraise personal philosophies of nursing and career goals
11. Explore nursing theories and concepts as applied to evidence-based nursing practice

**Student Learning Outcomes**

1. Integrate knowledge and skills in the provision of patient-centered care from liberal education base
2. Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
3. Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
4. Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes
5. Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
6. Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

**Competency Goals Statements (certification or standards)**

This course aligns with the following competencies of the American Association of Colleges of Nursing **Competency Goals Statements from The Essentials of Baccalaureate Education for Professional Nursing Practice** (2008):

1. Essential I: Liberal Education
2. Essential II: Organizational and Systems Leadership for Quality Care and Patient Safety.
3. Essential III: Scholarship for Evidence-Based Practice.
4. Essential IV: Information Management and Application of Patient Care Technology
5. Essential V: Healthcare Policy, Finance and Regulatory Environment
6. Essential VI: Interprofessional Communications and Collaboration for Improving Patient Health Outcomes
7. Essential VIII: Professionalism and Professional Values
8. Essential IX: Baccalaureate Generalist Nursing Practice

**Differentiated Essential Competency Statements from The Texas Board of Nursing**

I. Member of the profession
   a. Demonstrate responsibility for continued competence in nursing practice, and develop insight through reflection, self-analysis, self-care, and lifelong learning.

II. Member of the Healthcare Team
   a. Communicate and collaborate in a timely manner with members of the interdisciplinary health care team to promote and maintain the optimal health status of patients, families, populations, and communities.
   b. Communicate and manage information using technology to support decision-making to improve patient care and delivery systems.

**Required Reading and Textbook(s)**

Friberg, E.E. (2019). *Conceptual foundations: The bridge to professional nursing practice (7th ed.).* St. Louis, **MO:** Elsevier; **ISBN:** 9780323551311

Reading materials posted to Canvas course site

Purdue Owl APA website

COURSE REQUIREMENTS

Course Requirements: (include point values for each - not just a percentage)

See the course schedule for due dates on all assignments

**Synchronous meeting.**
WebEx beginning of course session (completion grade)
Choose a date/time to attend an online synchronous learning session. Perform the required system check to log onto WebEx to meet with other students and faculty to review course syllabus and requirements.

**Quizzes.**

Practice Quiz (pass/fail completion grade)
- This multiple choice quiz covers information in the student welcome, nursing handbook and resources needed to be successful in the program. Required to pass in order to progress to module 2.

**Quiz, Nursing Theories and Critical Thinking** (60 points)
- Apply critical thinking skills to learn the art and science of critical appraisal of potential evidence for nursing practice discovered in web sources and/or library electronic databases.

**Quiz, Applications for Professional Presentation** (20 points)
- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice

**Quiz, Foundations of Nursing Informatics** (60 points) three attempts, open book
- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice
- Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice.

**Quiz Informatics and Quality** (60 points) three attempts, open book
- Incorporate information technology into professional nursing practice by proficiently utilizing information technology tools to access, retrieve, organize, and critically appraise relevant data.
- Explore the concepts of nursing informatics and cultural competence as they interface with professional practice
• Apply theories related to computer-human interfaces, ethics, confidentiality and privacy, caring, and nursing informatics to evidence-based nursing practice

Written assignments.

Practice Assignment – (pass/fail completion score)
Practice uploading a file submission into Canvas.

P.A.T.C.H. Assessment and reflection (10 points – full points will be awarded for submission that contains all of the items and has realistic analysis of needs/plan)
Complete the P.A.T.C.H. (Pretest for Attitudes toward Computers in Healthcare) assessment either via the paper or online format. Submit your score and formulate provide a plan of action to help develop your desired level of computer literacy in one area.

Associated Student Learning Outcome:
• Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
• Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
• Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes.

E-Learning short essay (20 points):
The student will examine effective teaching/learning strategies in an online environment.
Associated Student Learning Outcome:
• Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
• Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

The writing component of this course will utilize writing assignments that build upon each other to ultimately develop a formal paper on your Philosophy of Nursing. There are five separate assignments, each with their own requirements. See the specific grading and rubric for each submission.

Your paper will state your personal philosophy of nursing using nursing theories and concepts from this course to support. This is a formal paper requiring nursing research articles to be referenced utilizing in text citations, reference, and title pages all in APA format. There are APA formatting resources as well as your textbook to utilize as a resource.

Database Articles (25 points)
Use the database tools provided in this module to locate two nursing research articles that link a nursing theory to clinical practice. Be sure the articles are peer reviewed, written in the USA, and within the last five years of publication. These articles will serve as support for your personal philosophy paper, the final writing instructive assignment in this course, so choose articles that you can analyze and use to support one of the nursing theories and how you believe it fits into nursing practice. Associated Student Learning Outcomes:
• Integrate knowledge and skills in the provision of patient-centered care from liberal education base.
• Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
• Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
• Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

Assignment 1 (35 points per rubric)
Utilize the final paper rubric (assignment 4), thesis and outline information and APA training videos to create the Title page thesis statement for your final paper, using APA format.
Associated Student Learning Outcomes:
• Integrate knowledge and skills in the provision of patient-centered care from liberal education base
• Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
• Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
• Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

Assignment 2 (35 points per rubric)

a. Utilize two evidence-based resources on how your chosen nursing theory can be applied to a nursing practice situation.
b. Describe your search including the database utilized, search terms (Keywords), number of articles returned and how you narrowed the choice to two.
c. Prepare a summary statement of the material and a brief paragraph on how they will inform your final paper. Describe the type of study, level of evidence, conclusions and limitations.
d. Submit summary and reference page with proper APA format.

Associated Student Learning Outcomes:
• Integrate knowledge and skills in the provision of patient-centered care from liberal education base
• Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
• Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

Assignment 3 (25 points per rubric)

e. Submit a draft of your final paper for comments/revisions using SimCheck Turnitin.
f. If your paper returns with more than 30% unoriginal work on the SimCheck Turnitin analysis, it must be corrected prior to final submission. SimCheck Turnitin will exclude quotations and work previously authored by you.
g. You may submit up to two times for feedback.

Associated Student Learning Outcomes:
• Integrate knowledge and skills in the provision of patient-centered care from liberal education base
• Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
• Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

Assignment 4 Final Paper (200 points per rubric)

Submit your final formal APA paper detailing your personal nursing philosophy utilizing nursing theory and references to support your position. Submission requires VeriCite.

Associated Student Learning Outcomes:
• Integrate knowledge and skills in the provision of patient-centered care from liberal education base
• Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
• Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

Discussion boards. Initial posting and response to 2 peers required for full credit on all discussion boards. See rubric for requirements.
Practice Discussion Board (BD) – pass/fail completion
Discussion Meet and Greet – upload a picture and introduce yourself to the class.

Discussion Board (DB) 1 (50 points): Baccalaureate Competencies/Nursing education entry into practice.
Associated Student Learning Outcomes:
- Integrate knowledge and skills in the provision of patient-centered care from liberal education base
- Evaluate the use of nursing informatics from multiple perspectives within nursing practice.

DB 2 (50 points): Nursing Socialization/Improvement
Associated Student Learning Outcomes
- Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
- Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes

DB 3 (50 points): EBP Questions.
Associated Student Learning Outcomes
- Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.

DB 4 (50 points) Patient Communication
Empowered Consumer
Associated Student Learning Outcomes
- Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
- Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes

DB 5 (50 points) Team Communication for Safety
Associated Student Learning Outcomes
- Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
- Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes

DB 6 (50 points) Patient Access to Records
Associated Student Learning Outcomes:
- Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
- Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
- Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes

DB 7 (50 points) Informatics and Quality
Associated Student Learning Outcomes
- Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
- Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
- Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

DB 8 (50 points) Health Teaching
Associated Student Learning Outcomes
- Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
- Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
- Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes
- Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
- Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

**DB 9 (50 points) Telehealth**

Associated Student Learning Outcomes

- Evaluate the use of nursing informatics from multiple perspectives within nursing practice.
- Identify means by which professional nurses affect quality of health care delivery based on political, legal, ethical, and policy issues.
- Analyze the role of the nurse in interprofessional communication and collaboration to improve patient outcomes
- Examine professional nursing from historical and contemporary perspectives, including the philosophy and theoretical foundations that define professional nursing practice.
- Demonstrate reasoning at the level of a baccalaureate prepared nurse pertaining to membership in the profession, provision of patient care and advocacy.

| Correct use of APA without errors, including in-text citations and References list. | 3 or more errors in APA in-text citations or reference list. |
| 50 pts. total | 5.0 pts |

**Posting of Grades**

All student grades will be posted on the Canvas Grade book. Students should monitor their grading status often and report to the instructor any discrepancies. Quiz and exam grades taken through Canvas are posted upon successful submission. Faculty graded assignments and discussion posts will usually be posted within 7 days after the due date and time.

**Grading Policies**

The Operation of the Online Course and Being an Online Student

Online learning requires students to be very self-disciplined. For this course, Monday will be considered the first class day. Initial discussion board postings are due on Thursday of the appropriate week with responses due by the following Sunday at 2355. All other assignments such as quizzes and written work will be due by midnight (2355) on Sunday of that module week. Ten percent will be taken off for each day for late submissions and will not be accepted after three days.

**Statement on Late Assignments.**

Assignments are due on the date and time outlined in the course schedule and syllabus. A 10% deduction will be taken for each day an assignment is past the due date. After three days (72 hours), a grade of 0 will be entered into the gradebook for that assignment. This includes all quizzes, discussion boards, and any other written work in the course. Exceptions will be granted at faculty discretion and only if arrangements were made prior to the due date.

Since this is a three semester credit hour course, expect to spend at least three hours a week on your computer and reading. Study time and time for assignment completion will be in addition to that time. The course should be accessed on Canvas at least 3-4 times a week.

Quizzes for this course are used as “learnings” more than testing knowledge. You will have an unlimited amount of time to complete, but only one attempt. So, plan ahead, complete the readings first, and set aside time to complete the quiz.

Be sure to submit assignments, discussions, or any other types of assignments in the correct place as directed.

### TECHNOLOGY REQUIREMENTS AND SUPPORT

**Technology Requirements**

This course will use the A&M-Central Texas Instructure Canvas learning management system. **We strongly recommend the latest versions of Chrome or Firefox browsers. Canvas no longer supports any version of Internet Explorer.**

Logon to A&M-Central Texas Canvas [https://tamuct.instructure.com/] or access Canvas through the TAMUCT Online link in myCT [https://tamuct.onecampus.com/]. You will log in through our Microsoft portal.

Username: Your MyCT email address. Password: Your MyCT password

**Canvas Support**

Use the Canvas Help link, located at the bottom of the left-hand menu, for issues with Canvas. You can select “Chat with Canvas Support,” submit a support request through “Report a Problem,” or call the Canvas support line: 1-844-757-0953.

For issues related to course content and requirements, contact your instructor.

**Online Proctored Testing**

A&M-Central Texas uses Proctorio for online identity verification and proctored testing. This service is provided at no direct cost to students. If the course requires identity verification or proctored testing, the technology requirements are: Any computer meeting the minimum computing requirements, plus web camera, speaker, and microphone (or headset). Proctorio also requires the Chrome web browser with their custom plug in.

**Other Technology Support**

For log-in problems, students should contact Help Desk Central

24 hours a day, 7 days a week

Email: helpdesk@tamu.edu

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy
If you discover that you need to drop this class, you must complete the Drop Request Dynamic Form through Warrior Web.

Faculty cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the Academic Calendar for which the form must be completed. Once you submit the completed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Academic Integrity
Texas A&M University-Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. All academic misconduct concerns will be referred to the Office of Student Conduct. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

For more information regarding the Student Conduct process, [https://www.tamuct.edu/student-affairs/student-conduct.html].

If you know of potential honor violations by other students, you may submit a report, [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0].

Academic Accommodations
At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Office of Access and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations, please contact the Office of Access and Inclusion, WH-212; or call (254) 501-5836. Any information you provide is private and confidential and will be treated as such.

For more information, please visit our Access & Inclusion Canvas page (log-in required), [https://tamuct.instructure.com/courses/717].

Important information for Pregnant and/or Parenting Students
Texas A&M University-Central Texas supports students who are pregnant and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education’s Office of Civil Rights, the Dean of Student Affairs’ Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit Student Affairs [https://www.tamuct.edu/student-affairs/pregnant-and-parenting-students.html]. Students may also contact the institution’s Title IX Coordinator. If you would like to read more about these requirements and guidelines online, please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—
including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University’s Title IX Coordinator.

**Tutoring**

Tutoring is available to all A&M-Central Texas students, on a remote online basis. Visit the Academic Support Community in Canvas to view schedules and contact information. Subjects tutored on campus include Accounting, Advanced Math, Biology, Finance, Statistics, Mathematics, and Study Skills. Student success coaching is available online upon request.

If you have a question regarding tutor schedules, need to schedule a tutoring session, are interested in becoming a tutor, success coaching, or have any other question, contact Academic Support Programs at (254) 501-5836, visit the Office of Student Success at 212F Warrior Hall, or by emailing studentsuccess@tamuct.edu.

Chat live with a tutor 24/7 for almost any subject from on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log in and receive online tutoring support at no additional cost. This tool provides tutoring in over 40 subject areas except writing support. Access Tutor.com through Canvas.

**University Writing Center**

University Writing Center: Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M–Central Texas) is a free service open to all A&M–Central Texas students. For the Fall 2021 semester, the hours of operation are from 10:00 a.m.-5:00 p.m. Monday thru Thursday in Warrior Hall 416 (with online tutoring available every hour as well) with satellite hours available online only Monday thru Thursday from 6:00-9:00 p.m. and Saturday 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WCOnline at https://tamuct.mywconline.com/. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor by making an appointment via WCOnline at https://tamuct.mywconline.com/. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

**University Library**

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 400,000 eBooks and 82,000 journals, in addition to the 96,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place virtually through WebEx, Microsoft Teams or in-person at the library. Assistance may cover many
topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website [http://tamuct.libguides.com/index].

OPTIONAL POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone disclosures that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

Behavioral Intervention

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5800.
