Office Hours
My office hours will be virtual on Mondays and Thursdays from 10:00 AM – 2 PM. I can accommodate meeting other times as well by request. An appointment must be made with me by email to schedule a meeting time.

Student-instructor interaction
My goal is to ensure there are open lines of communication between you and I that are easily accessible and effective. Taking time during our class period to ask questions is an expedited way to gather needed information, so I highly encourage you to do so. Please keep in mind that our learning environment is collaborative and should allow for all students to contribute to the learning process. With that in mind, please be self-aware about thoughtfully contributing to class as well as intentionally making space for others’ contributions. If a question occurs outside of our class meetings, an Email is the most effective way to reach me. Monday-Friday I check emails daily and respond within two business days. On the weekend you can expect me to check emails at least once, as time permits.

If you would like a meeting outside of class I am available during my office hours. To confirm time is set aside for your academic needs, emailing me in advance to request a meeting time to make an appointment is required.

COURSE REQUIREMENTS

All assignments must be the students on work (see the academic integrity section). Do not copy directly from the text or research articles when completing assignments. Written work must follow the American Psychological Association (APA), 7th ed. publication guidelines. Assignment due dates are indicated on the Course Calendar.

Assignments:

1. **Research Topic:** (2pts) Students will create a research topic in the field of marriage and family therapy that will be the focus of their research paper. This topic will be submitted on Canvas for approval. Approval of the topic is required before students can begin their research proposal related assignments. This assignment must be submitted even if no points can be earned for late submission. (SLO 1,4)

2. **Article Review:** (3pts) Students will choose a qualitative or quantitative research article from a peer reviewed family therapy journal and read, summarize, and critique the article using the article review guidelines below. The article chosen must have been published within the last 10 years. (SLO 2,3,6,7,8,9)

   Article review should be two - five pages long (not including title page, abstract and reference page) using APA format. Students should summarize the study then critically review each area of the study presented in the article. Students should use the questions below as guides for their critical review of each area of the study. Student must not list the questions below then answer them, but instead create scholarly writing reflecting some of the questions provided in each section below. Please note all questions may not apply depending on the type of research study chosen. For example, a qualitative phenomenological study will not have a hypothesis but will have research questions.

**Posting of Grades**

Grades will be posted in Canvas within 2 weeks of the assignment due date or submission date, whichever is later. Grades will be posted on the Canvas grade book where students can monitor the status of their grade easily. Students’ final grades are based on their total points earned. Students can calculate an estimate of their grades, at any time, by adding their total points earned and comparing it to the chart above. **There will be no negotiation of grades or course policies. Students should be diligent in working toward the grade they desire in this course.**

**Grading Policies**

Assignments are expected to be turned in on time. Students should make plans to ensure that all assignments and exams are submitted by the due dates and times. **Late work will only be accepted up to 48 hours after the due date. No late quizzes or exams will be accepted.** Each day the assignment is turned in late the earned grade will be reduced by 1pt for assignments worth 9 points or less and 2pts for assignments worth 10 points or more. For example, if a student turns in an assignment worth 5 points, 5 minutes after the due date and time and they earn 4 points for the assignment based on the quality of their work, their final grade will be 3 pts (4pts earned grade - 1pt penalty for being a day late = 3pts final grade). **No assignments will be accepted more than 48 hours after the due date. If an assignment is submitted more than 48 hours after the due date a “0” will be entered in the gradebook on Canvas and no feedback will be provided.** Work must only be submitted in Canvas. Any work submitted via email will not be graded.

**Class Attendance**

Students will be expected to be present for class. Class participation is vital to the learning experience. Because of the importance of class attendance, **students will lose 2 points off their final grade for every unexcused absence.** Exceptions to this deduction would be professor approved and documented excused absences such as illness, death in the immediate family, legal proceedings, for example. Per the University catalog, students may request make-up consideration for valid and verifiable reasons, such as illness, death in the immediate family, legal proceedings, or participation in university-sponsored activities. Students participating in university-sponsored activities are responsible for obtaining a written explanation for their absence from the faculty/staff member responsible for the activity. In all cases, students are encouraged to notify the faculty member of the course in advance of any absence.

Students should be present, on-time, prepared, remain for the entire class period and be actively engaged in the class activities. Examples of engagement in class includes but is not limited to answering questions, provided thoughtful input based on the course content and one’s own experience, respectfully inquiring about the material or a fellow student’s perspective, etc. Students will be responsible for reading the assigned materials in the textbook and any other resources provided by the instructor in Canvas before each face-to-face class.

Cooperative group learning experiences will be promoted throughout the course. The goals will focus on shared decision-making, individual and group responsibilities, and effective written and or communication skills. Students are expected to be professional and respectful during
their participation in the course.

**COURSE OUTLINE AND CALENDAR**

*Each week course content will be available in the module associated with that week on Canvas. Be sure to check Canvas weekly for online content to review as part of the course. Online content may include videos, articles, etc. in addition to the textbook assigned readings. Weekly reading assignments should be done before class meetings unless otherwise indicated.*

For the Fall 2021 semester, the hours of operation are from 10:00 a.m.–5:00 p.m. Monday thru Thursday in Warrior Hall 416 (with online tutoring available every hour as well) with satellite hours available online only Monday thru Thursday from 6:00-9:00 p.m. and Saturday 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WCONline at https://tamuct.mywconline.com/. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor by making an appointment via WCONline at https://tamuct.mywconline.com/. The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 400,000 eBooks and 82,000 journals, in addition to the 96,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html).

You can complete the [referral online](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2).

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5800.
