COURSE REQUIREMENTS

a. Student Profile and Course Agreement
Students must read this Syllabus carefully and document they understand all course requirements by the end of the first week of class. The course agreement certifies students understand this Syllabus, all required course assignments, and the expectations associated with this graduate online class. This completed agreement is worth 10 grading points.

b. Exam: (Learning objectives 1 & 2)
There is one required combined multiple choice, and true/false exam covering the models, terms, and concepts in the text Chapters 1-10, and selected supplemental readings. The Exam will be available over a 3 day period online; for dates see the course calendar. The exam will be timed and once started, must be completed at that time. The PPT presentations, and publisher provided key word definitions and self quizzes for each Chapter demonstrating the key frameworks and sample questions are good study tools for the exams. A Study Guide will be provided to point out the key PPT slides and supplemental reading frameworks to review for the Exam. The Exam will be 140 points. There will be no make-ups for missed Exams unless there is a documented medical emergency. Upon receipt of a doctor’s statement, an equivalent essay exam will be assigned.

c. Case Analysis Assignments: (Learning objectives 1 & 5)
There are 3 major case analyses assigned through the course of the semester. Students must demonstrate understanding of the text frameworks and strong analysis and writing skills in each case assigned. Each case study assignment is worth 50 grading points.

d. Engagement Exercises: (Learning objectives 1 & 4)
These essay exercises challenge you to engage with and apply ethical frameworks from the supplemental Giving Voice to Values curriculum. Being able to clearly articulate approaches to ethical dilemmas in the workplace and your personal approach to values and ethics are key learnings in this class. Each of the 2 exercises assigned this semester are worth 40 grading points.

e. Discussion Forums: (Learning objectives 1, 2, 3, 5 & 8)
Students will participate in 5 in-depth Discussion Forums on a variety of topics related to course content. For each, students must analyze a key topic in the course and post their well thought-out and fully proofread analysis in an initial discussion post (worth 20 points). Following an interim deadline (will be Saturday nights this semester), students must read their colleagues’ posts and are required to respond to two students. These second posts are purposeful – your responses should show you have read your colleague’s posts carefully and have additional insights to offer them. Response posts are worth 5 points each (10 total on each Forum).
f. Group Ethics Audit Project: (Learning objectives 2 & 9)
A strong framework that weaves throughout the entire Collins text is the “Optimal Ethics System Check-Up Benchmarking Tool”, which can be used to evaluate all the elements of an organization’s ethics programs. Students will work in small groups (3-4 people) throughout the semester using this benchmarking tool to evaluate a major corporation. The Ethics Project Resources folder on the course web site has detailed instructions, and videos about the project by Dr. Altman and the Business librarian, along with sample projects from previous semesters. The class will come up with a possible list of companies to study this semester and groups will be formed via a “choice” process. Students are required to write a “Choices Memo” (20 points) stating their top 4 choices for companies and initial research (2 credible articles) on each, demonstrating their ability to do the research required. Throughout the semester groups will research their company using the Collins “Optimal Ethics System Check-Up” (in text and assignment link) using company materials and library database sources. Several assignments provide “check-ins” (2@20 points each) for each group’s audit research. This research and application of the benchmark set of principles will result in groups writing an 8 – 10 page descriptive and analytical paper outlining their chosen company's approach to ethics and offering insights on found weaknesses and recommendations for improvement. The final paper is worth 110 grading points. Groups are required to post their Executive Summary to a final Discussion Forum at the end of the semester.

Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WCOnline at https://tamuct.mywconline.com/. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

Professional, full proofread and grammatically correct writing is a requirement in this class. Should you need assistance, be sure to make use of the Writing Center’s resources.

University Library
The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 400,000 eBooks and 82,000 journals, in addition to the 96,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place virtually through WebEx, Microsoft Teams or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other

**A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html).

**Behavioral Intervention**

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the [referral online](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2). Anonymous referrals are accepted. Please see the [Behavioral Intervention Team website](https://www.tamuct.edu/student-affairs/bat.html). If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5800.
