COURSE INFORMATION
COURSE OVERVIEW AND DESCRIPTION
The study of instructional leadership emphasizes the appropriate use of instructional practices within the framework of theory and research to enhance organizational effectiveness and improve school culture. EDLD 5316 will provide practical and relevant examples from the field of education with a balance of research to allow students to engage in the difficult decisions and challenges faced by 21st century school leaders. This course will also include Texas Teacher Evaluation and Support System (T-TESS) training. A course fee is connected to this course for T-TESS certification.

COURSE OBJECTIVE
The purpose of EDLD 5316 Leadership of Effective Instruction is to support aspiring principals in developing an understanding of the instructional leadership skills necessary to become effective campus principals. The course will require students to develop a general knowledge and understanding of the
use of student performance outcomes and data-driven decision making in the areas of curriculum, instruction, data gathering and analysis, goal setting, conferencing, team building, and teacher coaching and mentoring.

**COURSE-LEVEL LEARNING OBJECTIVES (CLO’S)/STUDENT LEARNING OBJECTIVES (SLO’S)**

The student will be able to:

1. Facilitate, monitor, and analyze instructional programs, curriculum alignment, and classroom instruction best practices that promote student learning. (B2, 3, 4, 6, 7)
2. Ensure use of multiple forms of data, assessment, technology, collaboration, and planning to maximize student development and learning. (B5, 8, 9, 10, 11)
3. Cultivate supportive practices such as coaching, mentoring, and setting of high expectations to develop the instructional and leadership capacity of the staff to increase student learning and eliminate achievement gaps. (B1, 9)
4. Utilize practices for AEL and TTESS to execute approved programs and research-based practices with the fidelity needed to ensure the learning, achievement, and complete educational development of all students. (B1-11, D1, 2, 7, 8, 9, F2, 4, 8)

**Standards-Based Competency Goals Statements (certification or standards)**

Principal preparation programs are required by the State Board for Educator Certification (SBEC) to use the knowledge and skills base developed by SBEC in the development of program curricula and coursework. The seven standards are (1) School Culture, (2) Leading Learning, (3) Human Capital, (4) Executive Leadership, (5) Strategic Operations, (6) Ethic, Equity, and Diversity. This course focuses specifically on and provides in-depth learning related to the following Texas standards:

- 19TAC 241.15 Standard B - Leading Learning (Instruction)
- 19TAC 241.15 Standard G – Ethics, Equity, Diversity

In addition the course will address the following state exam competencies and national standards:

- TExES Competencies
- Professional Standards for Educational Leaders

**REQUIRED READING AND TEXTBOOKS**

The following are required texts. Each will serve program and course needs in varying roles and purposes:

COURSE REQUIREMENTS

Texas Teacher Evaluation & Support System (T-TESS) (CLO/SLO #4) (10pts each - 50 points)
T-TESS training is a scripted program prepared by the Texas Education Agency and is based on clock hours. In order to be recommended for T-TESS Certification, students must participate in all training hours. Students must also have AEL certification as a prerequisite to T-TESS certification. Therefore, attendance and participation in all certification sessions and completion of all assignments is required. (Assessments: included in T-TESS materials)

Applied Reading Review (CLO/SLO #1, 2) (20 points)
Using Marshall’s Rethinking Teacher Supervision and Evaluation: How to Work Smart, Build Collaboration, and Close the Achievement Gap, students will complete a written review including each of the elements below. The applied reading review should be four to five pages excluding the cover page and reference page. APA format is required. Applied Reading Review Elements include: (1) a purpose statement (a brief statement of the main idea of the entire book); (2) an analysis of the essential points contained in the book; (3) a personal application of the material; and (4) cover page and reference page. (Assessment: Written Product Rubric)

Collaborative Dialogue Linked to Reading (CLO/SLO #1-4) (10 pts each – 30 pts)
Students will engage in a series of three online dialogue sessions via the Canvas course site concerning reading assignments topics. Each discussion is specifically linked to the reading assignment as a lead-in or follow-up learning activity. Each student is expected to post one (1) original post by the determined date, followed by at least two (2) responses to the postings of other students before the assignment closes, creating an online conversation about the readings. Students are expected to provide timely, honest, thoughtful responses that are reflective of prior readings and experiences. Consideration of ideas differing from one’s own perspective is required. (Assessment: Collaborative Discussion Rubric)

Equity Audit Process (CLO/SLO #1, 2) (20 points)
Using McKenzie & Skrla, Equity Audits in the Classroom to Reach and Teach All Students, students will develop a process for auditing equity in their schools. The audit framework should demonstrate understanding of the specific and practical application of the audit processes for providing academic achievement equity in schools. The process must include a supporting resource or resources such as surveys, data documentation charts, instructional data walks, or other forms of analysis for each of the following sections: (1) teaching and learning, (2) discipline, (3) parental involvement, and (4) programmatic equity. APA format is not required and would not be an effective presentation for this assignment. References should be included. (Assessment: Written Product Rubric)

Mentor Consultation (CLO/SLO #1-4) (10 points)
Principal mentors are in a pivotal position to guarantee the success of the School Leadership Candidate by providing coaching support in the school setting. The consultation is facilitated by the student: set agenda using focus topics related to the required reading and course content, set meeting time and location, interview principal, document meeting notes, and write reflection. Each mentor consultation will align with a specific learning focus area. Use the Mentor Consultation template to document the meeting and your reflection and attach it to the assignment. (Assessment: Mentor Reflections Template)
OPTIONAL - Benchmark Assignment: Coaching Protocol (CLO/SLO #3, 4)  (20 bonus points)
For this assignment, the student will investigate the process for becoming an Impact School through targeted, consistent professional learning that is done with teachers rather than to teachers. Each student will develop a Coaching Protocol for his or her future campus to assure implementation of Knight’s Big Four critical instructional areas: (1) content, (2) formative assessments, (3) instruction, and (4) community building. The Protocol should include the process for instructional coaching and professional development. As appropriate, resources from the Impact Toolkit, Bernhardt, AEL, course texts, and other resources should be included. The Coaching Protocol will be added to the Student Achievement section of the School Portfolio. APA format is not required and would not be an effective formal for the presentation of this assignment. References should be included.
(Assessment: Coaching Protocol Template)

FIT2LEAD Continuous Improvement & Competency Inventory (CLO/SLO #1-3)  (10 points)
Beginning in EDAK 500, each student in the program will complete an ongoing analysis of personal strengths and challenges related to the state-identified leadership standards and skills (19 TAC §241.15 and §149 BB). Utilizing the updated reflective FIT2LEAD format, students will share their own “read” and that of their mentor principal related to the state principal standards studied during the semester. Additionally, the student and mentor will assess the discreet leadership skills using the School Leadership Competency Inventory. Students will complete all sections of the FIT2LEAD Continuous Improvement Analysis and Planning template: FeedBack, FeedForward, and GrowForward.
(Assessment: FIT2LEAD TEMPLATE & COMPETENCY INVENTORY)

Professional e-Portfolio Additions – Teaching and Learning  (CLO/SLO #1-4)  (10 points)
The student will expand the Professional Portfolio began in EDLD 5300 Foundations of Educational Leadership by developing the section for the concept of Teaching and Learning. Write and include a one-page reflective anchoring essay about Teaching and Learning (related to principal standard #2 Leading Learning). APA style should be used as appropriate. Locate and include in the e-Portfolio two artifacts and completed reflection forms showing evidence of knowledge, skill, and values related to Teaching and Learning. Place the additions in the Teaching and Learning tab of the Professional e-Portfolio and make the e-Portfolio available to the professor for assessment.
(Assessment: Professional e-Portfolio rubric.)

School e-Portfolio Additions – Student Achievement  (CLO/SLO #1-4)  (10 points)
The student will expand the School Portfolio (Bernhardt, 1999) case study started in EDLD 5301 by developing the Student Achievement section. Add the Student Achievement Continuum (rubric rated by highlighting), the accompanying Student Achievement Story (use school portfolio writing template for leadership), any items you find that are on the Student Achievement Items list, and any additional items that you have included in the Student Achievement Story. As evidence that you have completed the Student Achievement section, place the additions in the Student Achievement tab of the Student e-Portfolio and make the e-Portfolio available to the professor for assessment.
(Assessment: School e-Portfolio rubric)

GRADING CRITERIA RUBRIC AND CONVERSION
The instructor will determine grades for the course assignments and assessments through the use the assignment criteria and assessment rubrics outlined in this syllabus. Rubrics may be found on the next two pages. Instructor, self, and peer evaluation will be utilized as means of assessing growth and learning. Assignments turned in from 1-3 days after the posted due date are subject to a maximum of 45% reduction of points based on the date received by the instructor. Assignments that are more than 3 days late may not be accepted. In no case should materials be those submitted for another course. A grade of Incomplete (I) will not be given except in extremely unusual cases. You are expected to attend and
participate (Collaborative Participation Rubric) in f2f class sessions AND complete and submit all assignments to be eligible for an A in the course. A grade of C may result in retaking the course. Point system may be revised if necessary to accommodate unexpected changes in course schedule. The instructor reserves the right to amend the syllabus at any time.

To earn the Grade of A: **162** minimum accrued points (90% of 180)
To earn the Grade of B: **144** minimum accrued points (80% of 180)

Students not meeting the grading guidelines described above will receive a grade of C or lower based on their performance or absences. In addition to specific suggestions and/or criteria given in individual assignments, the grading criteria and rubrics on the next two pages will be used in the course.

A---90 to 100, B---80 to 89 , C---70 to 79, D---60 to 69, F---0 to 59

**University Library.**

The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and
laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our Library website [http://tamuct.libguides.com/index].

OPTIONAL POLICY STATEMENTS:
A Note about Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/departments/compliance/titleix.php].

INSTRUCTOR POLICIES.
