COVID-19 SAFETY MEASURES

To promote public safety and protect students, faculty, and staff during the coronavirus pandemic, Texas A&M University-Central Texas has adopted policies and practices to minimize virus transmission. All members of the university community are expected to adhere to these measures to ensure their own safety and the safety of others. Students must observe the following practices while participating in face-to-face courses, course-related activities (office hours, help sessions, transitioning to and between classes, study spaces, academic services, etc.) and co-curricular programs:

- **Self-monitoring**—Students should follow CDC recommendations for self-monitoring. Students who have a fever or exhibit symptoms of COVID-19 should participate in class remotely and should not participate in face-to-face instruction. Students required to quarantine must participate in courses and course-related activities remotely and must not attend face-to-face course activities. Students should notify their instructors of the quarantine requirement. Students under quarantine are expected to participate in courses and complete graded work unless they have symptoms that are too severe to participate in course activities.

- **Face Coverings**— Face coverings must be worn inside of buildings and within 50 feet of building entrances on the A&M-Central Texas Campus. This includes lobbies, restrooms, hallways, elevators, classrooms, laboratories, conference rooms, break rooms, non-private office spaces, and other shared spaces. Face coverings are also required in outdoor spaces where physical distancing is not maintained. The university will evaluate exceptions to this requirement on a case by case basis. Students can request an exception through the Office of Access and Inclusion in Student Affairs.
- o If a student refuses to wear a face covering, the instructor should ask the student to leave and join the class remotely. If the student does not leave the class, the faculty member should report that student to the Office of Student Conduct. Additionally, the faculty member may choose to teach that day’s class remotely for all students.
 - **Physical Distancing**—Physical distancing must be maintained between students, instructors, and others in the course and course-related activities.
 - **Classroom Ingress/Egress**—Students must follow marked pathways for entering and exiting classrooms and other teaching spaces. Leave classrooms promptly after course activities have concluded. A Note about Sexual Violence at A&M-Central Texas: Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members

are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. You are expected to follow the school's dress code policy while there. You must attend all field experience classes. Because the school allows us to come, please discuss any schedule changes with the cooperating teacher and the CIS.

Attendance and Late Assignment Policy:

Attendance: Professional behavior and commitment to teaching are the expectations. Attendance and punctuality are required. It is not possible to make up the work missed during the class period since it involves interactions of students, instructor, and content.

Three class absences for any reason will result in lowering the final grade by a letter grade. Four or more absences will result in failure of the class. Tardies will result in the loss of professionalism points. Four (4) times a student is tardy for 15 minutes or more is equal to one absence. Students missing class are responsible for notes, handouts, assignments, and any changes in schedules. Your

commitment to becoming the best teacher possible includes regular, timely attendance and participation.

Late Work: Work is due according to the course calendar. No late work will be accepted except under extenuating circumstances which are communicated with the professor in a timely manner. If an extension is granted, the late work may be subject to deduction of points of 10% each day past the due date. If the assignment is due on Canvas, and it is late, the assignment date will not be reopened. Supplemental assignments are not available.

Class Participation: Being prepared to participate includes completing assigned reading and bringing necessary textbooks, assignments and materials to class. You are expected to read before the class session, actively participate in classroom assignments and discussions, and fully participate in online work. Any in-class presentations and activities cannot be made up. The use of technology, to include cell phones and other electronic devices, can enhance learning and the educational experiences; however it can also become a distraction to the learning tasks at hand. Off-task technology usage will result in deduction in professionalism points.
