*****WI Course (Writing Instructive Course)**

Writing Instructive courses vary across programs, just as writing adopts diverse forms and functions across different disciplines. WI Course Requirements

- This course has a range of writing assignments worth a significant part of the final grade.
- Writing assignments are an integral part of measuring the mastery of the content in a course.
- All written assignments are tied to specific course objectives and outcomes.
- You will receive feedback on submitted writing assignments.
- You will be required to revise two assignments (Teaching Reflection and Fry Readability Assessment) to improve your understanding what it means to be a reflective practitioner and to gain understanding of readability formulas.

OPTIONAL POLICY STATEMENTS A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].

Referring your concern shows you care. You can complete the [referral](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2) online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Failure of students to adhere to these requirements may influence the course grade, financial assistance, and/or enrollment status. Students may be excused from attendance for reasons such as health/medical reasons, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Make-up work must be completed as soon as possible after returning from an absence.

- A. Personal Days**-Students are expected to attend all classes, arrive on time, and actively participate in class, including online courses. **Students are required to have cameras ON during class time.** Students are allowed **two “personal days” of absence that they may take at their discretion, but only with prior notification.** You may notify the instructor by phone, email, or during class time.
- B. Excused Absences**-You also have officially excused university days available to you that are covered under university policy- health-related issues, family emergencies, and student participation in university-related activities. Sick days and university-related activities require appropriate documentation so that any missed work may be completed.

- D. Tardies**- **Two tardies of over 20 minutes late will count as one absence, unless there are extenuating circumstances. This is the same rule as in Clinical Practice (Student Teaching).**
- E. LATE WORK POLICY**- **Missed exams and quizzes** may only be re-scheduled in cases of excused absences and must be made up within 2 weeks of the original date. Late work on major grades will be accepted for no penalty for university-excused absences. For other late work due to extenuating circumstances, please speak with the professor privately. Late work of assignments worth more than 20 pts. may be accepted up to a week late by the professor with extenuating circumstances- speak with your instructor.

Code of Ethics for Texas Educators

The Texas educator shall comply with standard practices and ethical conduct toward students, professional colleagues, school officials, parents, and members of the community and shall safeguard academic freedom. The Texas educator, in maintaining the dignity of the profession, shall respect and obey the law, demonstrate personal integrity, and exemplify honesty and good moral character. The Texas educator, in exemplifying ethical relations with colleagues, shall extend just and equitable treatment to all members of the profession. The Texas educator, in accepting a position of public trust, shall measure success by the progress of each student toward realization of his or her potential as an effective citizen. The Texas educator, in fulfilling responsibilities in the community, shall cooperate with parents and others to improve the public schools of the community. This chapter shall apply to educators and candidates for certification.

Please go to TAC 247.2 – Code of Ethics and Standard Practices for Texas Educators. This can be found at [https://texreg.sos.state.tx.us/public/readtac\\$ext.ViewTAC?tac_view=4&ti=19&pt=7&ch=247&rl=Y](https://texreg.sos.state.tx.us/public/readtac$ext.ViewTAC?tac_view=4&ti=19&pt=7&ch=247&rl=Y).

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings:

1. Candidates must undergo a criminal history background check prior to clinical teaching and prior to employment as an educator. The public school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual's self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a **nonrefundable fee**. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at

https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_EvaluationFAQs/.

2. Provide one of the following primary ID documents: passport, driver's license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/ <<http://www.texas.ets.org/registrationBulletin/>>). YOU must provide legal documentation to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas.

Participation, Personal Responsibility and Professional Dispositions

Stay in Touch with the Instructor

Teaching well takes serious effort and commitment. You have not chosen an easy job, but you have chosen an important and rewarding job. As a teacher, you are responsible for helping students learn and grow. What you do as a teacher will make a difference in

students' lives. There is much to do to prepare for taking on the demands of leading a classroom so we ask you to put in your best effort. This class will require you to stay on top of your work. If you find yourself stumbling, overwhelmed, or generally stressed out, that's a signal to get in touch with me. We will set up a time to meet or talk. I will offer support and try to figure out how to help you balance these demands and learn so that you are prepared to teach.

Discussions

Discussions will take place in partners/groups, as a whole class, and ONLINE. I expect you to share your ideas, listen to and try to understand the ideas of others, ask each other questions about the topic of discussion and ideas shared, build on each other's ideas, cite examples from the texts or your experiences to support your ideas, and treat each other with respect. **As a participant in discussions, do what you can to encourage your peers to participate, move the discussion forward, and make the classroom safe for different perspectives.** Consider these behavioral practices and cautions to support active listening as you participate in class: Good practice includes looking at the person who is talking to you; making an effort to hear the exact words the speaker is saying; reflecting back what you hear; responding to others' ideas by extending, supporting, or challenging those ideas with your own thoughts; using specific examples from course readings to support your ideas or connect to the ideas of others; use nodding or other signs to show that what a classmate says matters. Some cautions to avoid include interrupting before the person has finished speaking, being preoccupied with other things, conveying immediate disagreement or impatience by how you look at the person, or quickly suggesting other perspectives without understanding those of the speaker.¹

¹ In constructing this syllabus I drew on the ideas of several people and appreciate their good thinking and generosity: Vicki Thomas of Stephen F. Austin state University; Erik Byker of The University of North Carolina at Charlotte and Chauncey Montesano of The University of Michigan.
