COURSE REQUIREMENTS
Graded assignments. More details and grading criteria (rubrics) are included in Canvas.

0. **Syllabus/Netiquette Review** (0 points). During Week 1, you will need to mark the Syllabus and Netiquette statement as reviewed. You’ll do this via a “quiz” in Canvas.

1. **Discussions**. You will participate in 4 graded discussions in Canvas. Although not high-stakes in terms of points, the discussions are central. This is where we discuss course material, explore a variety of perspectives, and get to know each other. Participation is assessed on contribution (content) and engagement. Participation is also assessed for writing mechanics which includes proper APA style and formatting of any citations (if needed). Guidelines are provided in Canvas.

2. **Annotated Bibliography**. Your annotated bibliography will include citations and analytical/critical annotations for each of the six articles you select and read from the list of options provided. Guidelines for the annotations are provided in Canvas.

3. **Critical Review of one of the journal articles**. You will submit a critical review of one the articles from your bibliograph. The review must be 4-5 pages in length, and must include proper APA formatting of the citation, and apply APA style (clear, precise, and inclusive). Guidelines are provided in Canvas.

4. **Leadership Interview and Essay**. You and a partner(s) will conduct one 30 to 60-minute recorded interview with an approved individual currently employed at an institution of
higher education. Your interview questions should emphasize the individual’s leadership philosophy and specific questions aligned with course content (history of higher education). The interview is conducted by the group. You will also submit a self and peer review feedback assessment of this group effort.

In addition, you will each submit an individual reflective essay about the interview, of at least five pages. Your essays must demonstrate APA formatting. You must also submit a digital recording of their interview (audio or video) for verification purposes. Guidelines are provided in Canvas.

5. **Final Exam.** You will complete one exam that consists of three (3) short essay questions drawn from the course content. Your paragraph-length responses will need to be well-constructed and substantive. They need to clearly and fully answer the assigned questions. Make good use of specific examples from or references to the assigned reading materials to support your responses. You will have 2-hours to complete the three essay questions, so effective time management is part of the exam.

OTHER POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

Behavioral Intervention

Texas A&M University-Central Texas cares about the safety, health, and well-being of its
students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5805.
