COURSE REQUIREMENTS
Course Requirements:
Students are required to complete discussion questions, quizzes (covering textbook chapters), group case studies and an individual case study. The topic of all assignments and quizzes are announced on Canvas portal.

Meet and Greet Discussion Forum
This is the first discussion of the course which is due in first week. This will count towards initial attendance verification for this course. Students will introduce themselves in this forum. This discussion forum is worth 10 points.

Group Discussion Forums
There will be six (6) group discussion forums. The forum will be announced every other week (as it appears on the syllabus). As part of the weekly study efforts, students will read the questions and contemplate proposed answers in a group discussion forum. Each student will provide an answer to the provided questions and at least respond to one other students' responses.

Note: The purpose of the group discussion forums is to heighten collective ethical awareness and knowledge (noting there is NO wrong answer to any question posed and further we are to respect any stated opinion). All students are expected to participate in the required group discussion forums, which are worth a maximum of twenty (20) points each for a maximum total of 120 points.
Note: The group discussion forums may introduce new material (beyond the course textbook) and thus may require students to utilize established critical thinking and research skills.

**Quizzes**
There will be ten (10) at-home quizzes to be completed in the Canvas LMS portal. Each quiz includes multiple-choice questions to be answered. Each quiz includes two (2) attempts with the highest score recorded in the grade book. Each quiz is worth a maximum of 20 points each for a maximum total of 200 points.

**Group Case Studies**
There will be three (3) in-class group case studies (for which students will self-enroll into groups at a number determined by the instructor (dependent on enrollment),). Students will be presented with a choice of four (4) case studies for which they must choose one (1). Students will align efforts (discussing the case study) and determine the best course of action to answer the following four questions:
1) Identify the primary issues prevalent in the case study,
2) Identify any ethical implications,
3) Provide prevention solutions and remedies, and
4) Provide your collective personal perspective of the case study (finding common ground with your classmates).

Students will construct a Word document with a minimum of 500 words using Times New Roman 12-point font, 1-inch margins (approximately 1.5 pages single-spaced. Upon completion, the students (one per group) will upload the completed Word document to Canvas (using the appropriate link). The group case studies will be graded using the Group Case Study Grading Rubric (will be announced on Canvas portal).

One of this group study assignment will be considered as a signature assignment and will be graded using a given PSLO 2 rubric (the rubric is uploaded on Canvas portal). Note: All groups will be provided an opportunity to improve (if they so choose) after the initial grading period. All students are required to participate in the Group Case Studies fully. Fully participating student grades will not be impacted by students not fully participating. Each one-attempt case study is worth a maximum of 40 points each for a maximum total of 120 points.

Note: The group case studies may introduce new material (beyond the course textbook) and thus may require students to utilize established critical thinking and research skills.

**Individual Case Study**
There will be one (1) individual case study. Students will be presented with a choice of several case studies for which they must choose one (1) noting the choice cannot be the same as any priory performed/completed group case study.
Students will answer the following four questions:
1) Identify the primary issues prevalent in the case study,
2) Identify any ethical implications,
3) Provide prevention solutions and remedies, and
4) Provide your personal perspective of the case study.

Students will construct a Word document with a minimum of 1,000 words using Times New Roman 12-point font, 1-inch margins (approximately 3 pages single-spaced. Upon completion, the student will upload the completed Word document to Canvas (using the appropriate link).

The individual case study will be considered as a signature assignment and it will be graded as using PSLO 1 rubric (mentioned in the canvas portal).

Note: The Individual Case Study opens approximately two (2) weeks prior to the stated syllabus deadline. The individual case study will be graded using the Individual Case Study Grading Rubric that will be announced on Canvas portal. Each one-attempt case study is worth a maximum of 50 points each for a maximum total of 50 points.

Note: The individual case study may introduce new material (beyond the course textbook) and thus may require students to utilize established critical thinking and research skills.

OPTIONAL POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

Behavioral Intervention

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5805.
