Assignments/quizzes will be administered through MindTap and you will have *unlimited attempts* at each assignment/quiz before the due date.

**Exams**

The course includes two equally weighted in-semester examinations. The material that will be covered on each exam is provided in prior chapters’ topics identified, class discussions, and assessments/quizzes. Generally, I will give 2-day exam windows, and the actual exam will be timed to complete in 120-150 minutes, depending the difficulty level. By *Wednesday of Week 2 (Aug 31, 2022)*, please submit me your team’s name listing and I will post all of them through Announcement on Canvas the following day. When submitting the project, each team is required to submit both an excel worksheet and a PPT
presentation file. The submitted PPT will be shared in the Canvas for the whole class view – as it is a “presentation.” See other detail requirements in Canvas team projects.

The grade of “B” represents good achievement. The grade of “C” is given for average achievement and the grade of “D” for poor but passing work. The grade of “F” denotes failure and is governed for unsatisfactory work.”

**OPTIONAL POLICY STATEMENTS**

**A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

**Behavioral Intervention**

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring to your concern shows you care. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5805.

**INSTRUCTOR POLICIES**

Professional-level writing and communication are critical skills in the business world. This standard should be displayed in all assignments for this class. All communications, both to the professor and student colleagues should be kept professional, including Discussion Board postings and email correspondence. For written assignments, all work should be proofread, free of grammatical errors, include proper citations, and be by American Psychological Association (APA) standards.
NOTE #1: Requests for Incomplete Grades: Incompletes will only be given in emergency or other extreme circumstances. The professor must approve any request for an incomplete grade in this course before the last week of classes. Where possible, requests should be submitted in written form and must include an address and telephone number where you may be contacted throughout the following semester. For a request for an incomplete grade to be considered, at least two-thirds of the coursework has to be completed. Finally, approval of an incomplete is up to the department chair.

NOTE #2: Questions concerning one’s grade on a particular task (e.g., test, project) should be resolved within one week after receiving the graded material. There will not be reviewing of previously graded material at the end of the semester.

NOTE #3: Late Submissions/Resubmissions: Students have a period of 7 days each week to complete and submit the weekly assignments. Make sure to plan your time wisely and avoid last-minute submissions since no late assignments will be accepted. All assignments must be turned in by the due date unless an extension has been granted. Extensions on assignments will be considered only if they are requested at least 48 hours before the due date of the assignment under question. After the fact, extensions will not be granted. If you are sick and you know you will not be able to take a test or submit an assignment on the set due date, make sure to contact me at least 48 hours in advance.

NOTE #4: Changes to Syllabus: A syllabus serves as an instructional and study planning document for both faculty and students. Although every effort will be taken to complete the semester according to the syllabus it may become necessary to make specific changes to facilitate the academic environment better. In such an event, changes will be notified via an announcement in the course. Changes may be made within the last two weeks of the semester only in exceptional circumstances.
