**Program Student Learning Outcome (PLSO):** *Students will be able to make decisions through business data analysis.* This outcome will be introduced in this course and will be *practiced* in BUSI 3311 (Business Statistics). It is part of the Bachelor of Business Management (BBA) and Bachelor of Applied Arts and Sciences (BAAS) for Business degree programs' assessment method for continuous improvement. This PLSO corresponds to the Course Objective and Student Learning Outcome 6 and is being measured in a written essay in Module 2.

### **Course Objective:**

Students completing this course will be able to understand the importance of taking a systematic approach to the study of individual and group behavior in organizational settings. They shall analyze, synthesize, comprehend, and explain all components of the OB model and its relationship to the successful operation of modern organizations. An extensive study of the principles of psychology, sociology, and social psychology will allow students to be more effective members of organizations to which they might belong now or in the future.

### **Module Goals**

**Module 1:** Individual Behavior (CHs 1-7, 14). Demonstrate understanding of an individual's behavior within an organization, in particular, values, attitudes, emotion, diversity motivation, performance management, positive organizational behavior, and organizational culture, socialization, and mentoring. Obtain a minimum of 80% mastery by successfully completing the ConnectPlus exercises, the weekly activities, discussions, and written work.

**Module 2:** Group Behavior (CHs 8-13). Demonstrate understanding of group behavior within an organization, in particular, teaming, communicating, managing conflict and negotiation, decision making, using power and influence, and leading. Obtain a minimum of 80% mastery by successfully completing the ConnectPlus exercises, the weekly activities, discussions, and written work. Additionally, each student will describe the phases of decision making, given in Chapter 11, and apply the phases (after the fact) to an experience in which they had to make a major decision.

**Module 3:** Organizational Behavior (CHs 15-16). Demonstrate understanding of organizational processes, within an organization, in particular, organizational design, effectiveness, and innovation; and managing change and stress. Obtain a minimum of 80% mastery by successfully completing the ConnectPlus exercises, the weekly activities, discussions, and written work.

### ***Student Learning Outcomes:***

At the close of the semester, students will be able to:

1. Identify the factors that impact individual and group behavior in organizations and how organizations manage their environments.
2. Analyze, describe, and manage attitudes and behavior in organizations.
3. Improve and change individual, group, and organizational behavior to attain individual, group, and organizational goals.
4. Analyze organizational behavior at three levels: the individual, the group, and the organization as a whole.
5. Use the tools of organizational behavior to increase individual, team, and organizational effectiveness.
6. Describe the phases of decision making, then, apply those phases by analyzing a major decision the student made and identify the phases as they pertain to each step of the major decision.

### **Mode of instruction and course access:**

**Blended Course:** This course is blended which is a combination of the synchronous and asynchronous modes. The synchronous portion of this course will require students to attend class as stated in the course schedule and the asynchronous portion does not require the students or the instructor to be online at any specified day or time.

**Synchronous Mode:** Students are expected in class as per the course schedule, during the term.

**Asynchronous Mode:** Daily work (including listening to the recorded lectures) is completed by the student according to the weekly schedule in this syllabus, but at a time that is convenient to the student (Exception: see Lectures paragraph). This mode does require the instructor to be available (online), at least 5 days a week, to answer questions. Students are responsible for

ensuring constant access to the Internet and operability of their personal computers.

There are prerequisites to this course such as solid knowledge of APA style, familiarity with the use of PowerPoint, Microsoft Word, the Internet, and attaching documents. You will access all course materials (except textbook), assignments, student-instructor and student-student communication, activities, quizzes, and resource links via the Course website in Canvas. The course consists of 16 modules each week starting Monday and ending on Sunday night at 11:59 p.m. with all work for the module being due at that time.

**Lectures:** All lectures are pre-recorded and can be found in the respective Module folder on the homepage of the Canvas classroom. Recommend you use either an external speaker system or a headset to listen to the lectures.

Formal lectures will not be conducted during the synchronous portion of this course. The intent is to provide a review of concepts, answer questions concerning the concepts, and conduct class and or group discussions concerning the cases, as scheduled.

**Student-instructor interaction:**

I am accessible through Canvas Inbox, which I check several times a day during the week and usually once a day on weekends. I will try to get back to you within 24 hours during the week and within 36 hours during the weekend. Do not use my TAMUCT email for course related matters. If your concern needs my immediate attention, please send me a message via the Canvas Inbox (these are automatically forwarded to my phone).

Please provide in the subject line of each Canvas Inbox message the course information “MGMT 3350-1XX” so that I can identify your class.

Please practice good communication skills. Remember that Canvas communication and Canvas Inbox are communication in proper format. We will practice formal business communication emails so that you will develop good habits. Start out every Canvas message and discussion post with the name of the person you are addressing and close with your name. Utilize spelling and grammar check to help you write better.

**What You Can Expect of Me**

You can expect that I will create a respectful learning environment where everyone can express our thoughts and ask questions. While we do not have to agree with each other, we will do so in respectful ways. I expect to learn from you as we spend the next 16 weeks together! I will be available to answer your questions and help you be successful in this course.

## COURSE REQUIREMENTS

### Introductory Assessments:

**Biography and Student Course Agreement:** Both graded activities are required. The Introductory Biography Statement (2-3 paragraphs) is a discussion forum assignment that should include: your major, where you are in your studies, a summary of work experience, aspirations for future career and some personal tidbit like family or hobbies. In addition, share with your classmates what social style you possess (assessment is in Module 1 in Canvas) and how this might influence your behavior at work or in school. Evaluation criteria for this forum will be clear writing, and inclusion of all required elements. This Introductory Forum will help orient everyone to the “community” of our class, and let you begin thinking about how organizational behavior fits into your career aspirations. Be sure to respond to at least 2 peers. *No late submissions will be accepted.* Consider it like coming to class. If you fail to show up, you missed your opportunity to participate in the classroom discussion.

The Student Course Agreement is an assignment that requires you to fill out a form, digitally sign it, and submit it as an attachment in the assignment submission link. ***Late submissions will be accepted but without any credit.*** Completion of this assignment is required in order to proceed to Module 1 as well as all other Modules of the course.

**Orientation Videos:** Please complete the Connect and SmartBook Orientation Videos. You will find a link in the Connect Assignments and in Module 0.

### Discussion Forum:

***There will be 5 discussion questions throughout the semester.*** The due dates for each discussion assignment are posted in the Course Schedule. You will not be able to view the other students' comments until you post yours.

**You are required to post three messages per discussion to receive credit for each forum: one opening point of 150 to 200 words that needs to be posted by Wednesday and two counterpoints of 100 to 200 words each that are due by Sunday.** In your initial post, make sure to answer all questions at the end of the case or apply the 3-step problem-solving approach if instructed. Both quantity and quality are important considerations when posting substantive messages. For example, "I agree" or "I see your point" are not considered quality participation because neither adds substance to the discussion. Effective responses might share personal experience, ask for clarification, or add additional information, so feel free to analyze, interpret, critique, and suggest. **Do not use any attachments**, instead, cut and paste your questions/responses directly into a forum message. Be sure to restate the question you are answering and address your classmates by their names.

Your postings/insights on the discussion topic should be based on the following:

- Application of text concepts;
- Ability to articulate assigned analysis clearly; and
- Integration of student colleagues' contributions and insights leading the discussion to a deeper level of understanding.

**IMPORTANT!!!** To allow for a discussion, which is an ongoing process that cannot be achieved by submitting all three required posts on the last day of the week, **your first post should be submitted by Wednesday.** This will allow for your classmates to read your opening post and reply to you and for you to reply to them in turn. The remaining two posts can be completed between Wednesday and Sunday. Remember, for full participation points you need to post at least three substantive posts throughout the week!

The discussions assigned are:

Chapter 1	Case p.39 – Blood, Brilliance, Blind Ambition, and Fraud
Chapter 14	Case p.589 – Culture Clash at Ford
Chapter 6	Case p.247 – Incentives Gone Wrong.....
Chapter 10	Case p. 419 – With Trouble Comes Conflict
Chapter 13	Case p. 543 – Leadership Matters

### **LearnSmart Assignments:**

The required Connect portion of the course has "Learn-Smart" applications for each assigned chapter of the text. The Learn-Smart activities challenge your mastery of the content in each chapter, and provide prompts for additional study if needed. Finishing these activities will ensure your better understanding of the content and help prepare you for each Exam.

To access and purchase ConnectPlus, click the first Connect assignment in your Canvas course. You will be prompted to either login with an existing Connect account username and password, or to create a new account. Then enter your access code, purchase access online, or

begin a free trial period. Once you have completed your selection, you will arrive at the start of your first Connect assignment.

**You must complete each LearnSmart activity by its due date to get full credit.** Although you can continue working on the activity after the due date, you will receive no credit for this work.

#### Exams:

There will be four required exams testing students' knowledge of the key frameworks, terms, and concepts included in the assigned text chapters. Exams will be grouped as follows, and are not cumulative:

- Exam 1 will cover chapters 1-4
- Exam 2 will cover chapters 14, 5-7
- Exam 3 will cover chapters 8-11
- Exam 4 will cover chapters 12, 13, 15, 16

The exams will be available online, so be sure and check your Canvas Exam Link for the exam dates. Exams will be timed and once started, must be completed at that time. You have 90 minutes to answer all questions. Further, no exam may be taken more than one time in an effort to improve the score achieved. **There will be no make-ups for missed exams unless there is a documented medical emergency.** Any exam not made up as approved and arranged by the instructor will be scored as a zero. **Make-ups have to be requested no later than 48 hours before the scheduled due date.**

Reviewing the Chapter PowerPoint presentations, and using the Publisher Supplemental Materials and self-quizzes are good ways to prepare for each Exam.

For further help in preparing for multiple-choice exams see: <http://www.lib.uoguelph.ca/get-assistance/studying/exam-prep/multiple-choice-exams>

#### OB Project – Part 1:

This paper is first WI designated assignment and will lay the foundation for the second paper. You are to decide on an organization that you want to evaluate. The organization can be a current or a past employer of yours. It must be a company/organization with which at least you have significant familiarity. It is important that you have some knowledge of the inner workings of the company/organization-- its struggles, its strengths, its culture, and so forth -- or have access to the organization. You will write, in essay format, a 2-3 page written report (excluding cover sheet, references and any figures, tables or appendices). Each paper will include an APA formatted cover sheet and a separate References page. Do not include an abstract, table of contents, or appendixes. The primary topics included in this paper are as follows:

1. *Organization Background* - Provide *just enough* details on the company for me to be able to understand the problem that will be described. Resist the urge to provide irrelevant

details and feel free to omit or disguise any details that might be sensitive in nature.  
[about ½ page]

2. *Organizational Culture* – Provide a brief description of the elements of the company’s culture in terms of artifacts, shared values, and shared assumptions as well as the dominant culture based on the competing values framework. Use pages 547-559 in your textbook as a guide for this section. [about 1 page]
3. *Problem* - Describe, specifically, *one problem* that the company is struggling with that will serve as the focus of the paper. Resist the urge to discuss multiple problems--focus on one specific issue with which the organization is struggling. Be sure to focus on a problem that within the scope of this course. [about 1 page]

**Writing Instructive (WI) Requirement:** You are required to have a conference (either online or F2F) with the Writing Center before submitting your OB Project Part 1 and will be required to show proof for full credit. You are strongly encouraged to confer with the tutors at the Writing Center on all of your assignments, even when it is not required.

<https://www.tamuct.edu/coas/coas-special-topics/uwc.html>

All work submitted for grading shall be of collegiate quality, language, depth and organization. All work should be proofread, free of grammatical errors, include proper citations, and be in accordance with The Publication Manual of the American Psychological Association, 7<sup>th</sup> ed. For information on APA standards and correct citation formats consult the **APA Publication Manual**, and/or link to the following sources:

<http://www.apastyle.org/learn/index.aspx>

<https://owl.english.purdue.edu/owl/resource/560/01/>

**Referencing multiple pages from the same organization’s web site only count as one citation.**

When using more than one page from the same company, provide a URL that links to the home page or entry page for the document. Also, if there isn't a date available for the document use (n.d.) for no date. **All references must be cited in the body of your paper and all citations must have a source listed in on the references page, as directed in the APA 7<sup>th</sup> Ed. manual.**

Submit this assignment through the Assignments Course link. The due date for the OB Project – Part 1 is posted in the Course Schedule. The required file format for the paper is a .doc or .docx file (MS Word). This assignment will be run through the Canvas SimCheck Plagiarism Review program. The goal of this first paper is to have a 12% or less similarity. Ensure you submit prior to the actual due date to determine your similarity. If your similarity is greater than 12%, you will need to rework until you have achieved 12% or less. **No late submissions are accepted.**

### **OB Project – Part 2:**

This paper is second WI designated assignment and builds on the previous paper. Based on the feedback from the OB Project – Part 1 you will now produce another essay, that is a 2-3 page written report (excluding cover sheet, references and any figures, tables or appendices). Each paper will include an APA formatted cover sheet and a separate References page. Do not

include an abstract, table of contents, or appendixes. The primary topics included in this paper are as follows: Providing a brief overview of the problem (3-4 sentences), the following:

1. *Theoretical Lens* - Choose one topic from the list below, and apply that topic to the problem. Describe very specifically how the concepts, principles, and findings represented in the topic matter to the problem, and how they can be leveraged to articulate a solution. [about 1 page]
  - Ethical decision making: moral intensity, moral sensitivity, and situational influences
  - Schwartz's Theory
  - Organizational Commitment
  - Perceived Organizational Support
  - Models of Job Satisfaction
  - Managing Diversity
  - Content Theories of Motivation
    - Theory X/Y
    - Herzberg's Motivator-Hygiene Factors
  - Process Theories of Motivation
    - Equity/Justice
    - Expectancy
    - Goal-Setting
  - Job Design
  - Performance Management/Goal setting
  - Organizational Climate
  - Team processes
  - Effective Communication
  - Effective Conflict Management
  - Types of Power
  - Empowerment
  - Organizational Politics
  - Leadership Theories
  - Organizational Change
2. *Recommendation* – Provide a list (at least three) of very specific recommendations/action steps that flow out of the discussion of the topic and that can help solve the problem. In thinking about how to craft the topic into those recommendations, strike a balance between being *practical* and being *bold*. Every organization has key constraints (culture, organizational stakeholders, and competitive environment) that need to be taken into account when designing interventions. Although those should be considered, resist the urge to “play it safe”, as that tendency often leads to modest interventions that are ultimately ineffective. [about 1 page]

All work submitted for grading shall be of collegiate quality, language, depth and organization.

All work should be proofread, free of grammatical errors, include proper citations, and be in accordance with The Publication Manual of the American Psychological Association, 7<sup>th</sup> ed. Please refer to the grading feedback for your first part of the project to avoid making the same APA mistakes again.

**Writing Instructive (WI) Requirement:** You are to apply what you learned from the Writing Center from the OB Part 1 to this assignment. You are also strongly encouraged to have a conference (either online or F2F) with the Writing Center before submitting your paper. Submit this assignment through the Assignments Course link. The due date for the OB Project - Part 2 is posted in the Course Schedule. The required file format for the paper is a .doc or .docx file. This assignment will be run through the Canvas SimCheck Plagiarism Review program. The goal of this first paper is to have a **10% or less** similarity. Ensure you submit prior to the actual due date to determine your similarity. If your similarity is greater than 10%, you will need to rework until you have achieved **10% or less**. **No late submissions are accepted.**

#### **Grading Criteria Rubric and Conversion**

**Decision Making Essay:** One of the Program Student Learning Outcome (PLSO) is that *students will be able to make decisions through business data analysis*. This essay will be based on the 4 stages of rational decision making, discussed in Chapter 11. See the essay instructions in the assignment for further details.

### Posting of Grades

Grades for Exams will be posted the day after the availability period has expired. Grades for Discussion Forums, and short Written Assignments will be posted by the Friday following the due date. Grades for longer Written Assignments will be posted within one week from the due date.

### Evaluation of Work

**A:** Performance is excellent and stands out due to sharp insight into material and discussion of many sides of an issue. Submitted work is well articulated and logically and clearly written. “A” work indicates an example for others to follow.

**B:** Performance is above the minimum requirements with an insight into the material at a level considered to be good to very good. Submitted work is of high quality. A “B” is considered a high grade and recognition for solid work.

**C:** Performance satisfies only the minimum requirements and displays little or no initiative. Insight into the material is satisfactory and an acceptable understanding of all basic concepts was communicated. A student receiving a “C” has met the requirements, including course deadlines.

**D:** Quality and quantity of work is below average and barely acceptable. “D” work is passing by

a slim margin.

F: Quality and quantity of work is unacceptable and does not warrant a passing of this course.

University Writing Center: Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M–Central Texas) is a free service open to all A&M–Central Texas students. The hours of operation are from 10:00 a.m.-5:00 p.m. Monday thru Thursday in Warrior Hall 416 (with online tutoring available every hour as well) with satellite hours available online only Monday thru Thursday from 6:00-9:00 p.m. and Saturday 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via [WConline](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu) if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

### ***A Note about Sexual Violence at A&M-Central Texas***

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively

create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].
