--	--

**Course Overview and Description.** This course will cover a variety of children's literature from the Western World written during the nineteenth-century as a means of exploring how literature written for children introduces its audience to serious issues of colonization, social class, sex education, and mental health, among others. The locales covered include: British India (Kipling), Denmark (Anderson), England (Carroll) and the United States (Alcott). The course may be repeated for credit when topics vary.
