**Grades**

10% Participation
15% Essay Draft 1
70% Essay Draft 2
5% Project Presentation

Grading scale: 90-100: A; 80-89: B; 70-79: C; 60-69: D; 0-59: F

All grades will be posted to Canvas’s grade book, and students will be able to view their grades (along with instructor feedback) as they are returned. You can generally expect grades to be returned within one week of the assignment deadline.

**Major Assignment Due Dates**

Essay Draft 1: Friday, April 22 (11:59 PM)
Project Presentation: Monday, May 9 (in-class)
Essay Draft 2: Friday, May 13 (11:59 PM)

**Participation**

Participation in class as well as in corresponding discussion forums is not optional; this participation must be active, meaningful, and consistent in order for students to earn all possible participation points. The participation score is based on 1) active participation in course meetings (including any required conferences with the instructor, as in Week 15) as well as 2) participation in the post-meeting discussion forums due every other week from Weeks 4-14 and completion of any other required activities (such as the Week 1 Introductions forum and emailed essay topic proposal due in Week 11). Preparation for and participation in meetings this semester is of great importance and constitutes a form of work which is required for this course; being able to discuss assigned readings and participate in activities contributes not just to your own experience in the course, but enriches your peers’ experiences as well.
Students are allotted two “free” missed opportunities to participate over the course of the semester. A missed opportunity to participate could mean that the student 1) missed a class meeting without an excused reason, 2) attended but made no meaningful contributions to discussion, or 3) neglected to complete a required discussion post or turned in a discussion post which did not fulfill prompt specifications. On the third missed opportunity to participate, the student forfeits all possible participation points for the semester, resulting in a letter grade drop to their overall course average.

**Essay (Draft 1 and 2) & Presentation**

Each student will produce a 15-20-page sociolinguistic analysis which engages in a sophisticated way with relevant scholarly conversations. Two drafts of the essay will be required so that students can revise their work after receiving feedback on Draft 1. During the last week of the semester, students will give presentations on their projects and engage in discussion of their own and their peers’ projects. Prompts for these assignments will be made available on Canvas.

**Instructor Availability**

You are welcome to contact me with questions or comments via email (but please send emails to me via the Canvas messaging system, unless the site is down). I endeavor to answer all emails within 24 hours of receiving them, not counting weekends and holidays. Office hour meetings are available by appointment via WebEx. You may request an appointment by email. I do ask that any appointment request be made at least 24 hours in advance of the desired meeting time to guarantee that I have time to review and respond to them. Do not assume that the meeting will take place unless I have responded to your request, confirmed the time, and sent you a WebEx invitation.

**Draft Review Policy**

Students often ask me whether I’ll look at drafts of assignments before the deadline and give advice on how to improve them. The answer is yes; however, students who wish for me to review an entire draft must schedule an appointment in order to discuss the paper. I will not review drafts that are emailed to me with no explanation; over email, I will limit my commentary to specific items that can be addressed in a brief email response. Additionally, I will not predict the grade that a draft might receive either prior to or after revision.

**Online Course Etiquette**

Students are to maintain a high level of collegiality and respect when interacting with one another and the instructor, whether over email, during a WebEx meeting, or on the discussion board. The same expectations for professional and respectful behavior apply online as in the face-to-face classroom. Disagreements are a normal and often productive aspect of academic
discourse, and differences in viewpoint relevant to course content may be expressed and explored during discussion activities. However, participants engaged in discussion must remain respectful to all parties involved and focused on topics relevant to the activity at hand.

Late Submission Policy
Generally, I do not accept late/make-up work for assignments unless the student has missed the deadline due to an excused reason. However, I will consider granting extensions before the deadline has passed if students are facing challenges which merit one. Whenever possible, students should notify me before the assignment deadline if they believe they cannot meet it. At that time, I will determine whether an extension is appropriate and, if so, set a new deadline.

After a new deadline for the assignment is established, you must abide by this deadline or else receive a zero on the assignment. In all situations involving missed and/or extended deadlines, it is the student’s responsibility to contact the instructor if any issues arise. If I do not hear from you and do not have your submission after a deadline passes, I will assume that you do not intend to turn in the assignment and will put a zero in the gradebook.

Additionally, extensions must be requested in a timely manner. If a student has not requested an extension within two calendar days (48 hours) of the deadline, the grade will remain zero unless the student can provide a reasonable explanation regarding why it was not possible to contact me sooner.

Attendance Policy
This semester will include weekly meetings over WebEx. Because class meetings this semester will be light on lecture and heavy on activity and discussion, and because graduate students are particularly responsible for contributing to the productivity of class meetings, attendance is of utmost importance (see the Participation section of the syllabus). For that reason, if you need to miss a class meeting due to a reason you believe would be excused, you should notify me as soon as possible, preferably before the meeting that would be missed. As stated in the Participation section, attendance means more than just logging into a weekly course meeting: students who do not maintain an active presence in meetings by participating in conversations and making meaningful contributions will be counted as absent.

Program Assessment Statement
To ensure the learning outcomes are met in the English Department, there is a program-wide artifact collection process. To that end, some of the projects you complete this semester may be used for programmatic assessment. Please note that all efforts will be made to keep your

Drop Policy
If you discover that you need to drop this class, you must complete the Drop Request Dynamic Form through Warrior Web.

Faculty cannot drop students; this is always the responsibility of the student. The Registrar’s Office will provide a deadline on the Academic Calendar for which the form must be completed. Once you submit the completed form to the Registrar’s Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar’s Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Incompletes
Incompletes are only assigned due to unexpected emergency situations which occur after the final drop date (for example, an emergency medical situation experienced by the student). If you simply find yourself overwhelmed by the semester’s demands, you do not qualify for an incomplete. If you experience an emergency which you believe will prevent you from completing the semester’s work before the final drop date, you are expected to drop. If you experience an unexpected emergency situation after the final drop date which you believe will prevent you from completing the semester’s work, please contact me as soon as possible so that we can discuss whether you qualify for an incomplete.

Academic Integrity

Texas A&M University-Central Texas values the integrity of the academic enterprise and strives for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Academic integrity is defined as a commitment to honesty, trust, fairness, respect, and responsibility. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. Academic misconduct is any act that improperly affects a true and honest evaluation of a student’s academic performance and includes, but is not limited to, cheating on an examination or other academic work, plagiarism and improper citation of sources, using another student’s work, collusion, and the abuse of resource materials. All academic misconduct concerns will be reported to the university’s Office of Student Conduct. Ignorance of the university’s standards and expectations is never an excuse to act with a lack of integrity. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

For more information regarding the Student Conduct process, [https://www.tamuct.edu/student-affairs/student-conduct.html].

If you know of potential honor violations by other students, you may submit a report, [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0].

Instructor’s Note on Plagiarism and Academic Integrity:

Plagiarism is the act of presenting another person’s work as if it were your own or failing to acknowledge your sources. This might be done by quoting a source without indicating that you are quoting (if you neglect to include quotation marks and/or a citation); paraphrasing or summarizing without acknowledging your source; and/or taking part or all of another text and presenting it as your own. You are responsible for understanding how to use sources correctly and ethically. You are also responsible for understanding how to cite a source which you have quoted, paraphrased, or summarized. This course uses the 9th edition of MLA for formatting and citations. You can access the guidelines online at the Purdue Online Writing Lab (OWL) website: [https://owl.purdue.edu/owl/research_and_citation/mla_style/mla_formatting_and_style_guide/mla_formatting_and_style_guide.html].
If you have questions about using and citing sources, please ask. I am always happy to explain how to cite sources correctly and to provide any clarification needed regarding questions of academic integrity. Be aware that any assignment that fails to attribute sources properly or was written in part or in whole by someone other than the student who submitted it will receive a grade of zero and will be reported to the Office of Student Conduct. Likewise, any other violations of academic integrity (such as collaborating on an assignment when the instructions are to work individually) will result in a grade of zero on the assignment in question and a report to the Office of Student Conduct. All major writing assignments will be checked for originality through a plagiarism-detecting service when they are uploaded to the assignment link.

A Note About Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2]. Anonymous referrals are accepted.
