Required Reading and Textbook(s)

We will be using the text in addition to an online learning assessment website called “Connect,” offered by the textbook publisher, McGraw-Hill. Connect includes the online e-book version of the text, in addition to homework assignments, interactive assessments and end-of-chapter study material. The e-book version of the text is accessible online only, on any Windows or Apple PC/laptop, tablet or other mobile device.

You have three options for purchasing the text, along with McGraw-Hill Connect.

**Option A** Printed Text + McGraw-Hill Connect - You may purchase a new hardcover printed copy of the text, which includes a McGraw-Hill Connect website access code. Connect access codes are packaged with a new textbook at no additional cost. If you choose this option, you will also receive access to the e-book version of the text via the Connect website.

**Option B** Loose-leaf Text + McGraw-Hill Connect - You may purchase a loose-leaf, unbound copy of the text along with a McGraw-Hill Connect website access code. The loose-leaf text is slightly less expensive, and suitable for a three-ring binder, or folder. You will also receive access to the e-book version of the text via the Connect site with this option.

**Option C** McGraw-Hill Connect Plus (e-book only) - For full digital access to the course materials, you may purchase a McGraw-Hill Connect Plus access code on the McGraw-Hill website, which will give you the online e-book version of the text, along with full access to the Connect site. This is the least expensive option. Under this “all digital” option, there will be no printed text made available, and all course materials will be accessible only online with an internet connection.

Whichever option you choose, to have access to the full course materials, you will need to register on the McGraw-Hill website developed for this class, using the access code you purchased via the McGraw-Hill publisher site:

**COURSE REQUIREMENTS**
There will be a variety of graded and non-graded activities throughout the semester. Each activity will assess your command of the material as well as your understanding of the course goals and concepts. Activities are assigned and completed during the class period unless otherwise noted and cannot be turned in late or if classes are missed.

**Exams:** The course includes three equally weighted in-semester examinations. The material that will be covered on each exam is provided in the attached tentative course schedule. For Exam 2 and Exam 3, material from previous exams may be included at my discretion. All examinations will be comprised of objective questions (M/C, T/F) and subjective discussion questions. Written communications skills will constitute a portion of the grade. Anything I say in class, as well as any material from the assigned readings, is fair game on the exams. A final exam will be given during the scheduled final exam period (see attached tentative schedule). The final exam is mandatory, and the material covered will be comprehensive. In addition to accounting for 10% of the course grade, the grade on the final exam will replace the lowest semester exam grade (Exam 1 – Exam 3). However, if the grade on the final exam is lower than the lowest semester exam grade (Exam 1 – Exam 3), the final exam grade will only be counted once (i.e., I will not lower one of your in-semester exam grades).

**Homework Assignments and Quizzes:** There will be assignments/quizzes. The quizzes are designed to reinforce essential concepts and help you prepare for the exams.

**Career Preparation Research Project or VITA (12 hours):** Career Preparation Research Project - The purpose of this assignment is to engage in a selected activity related to career development. Write a paper (1,500 - 2,000 words) that includes the following:

- The career opportunities in the discipline which has the most appeal based on research.
- New knowledge gained through the research.
- How the information influences your studies and future career.

The paper may be written in first-person voice and must be grammatically correct. At least four external sources should be cited in the paper. The paper must be written on an activity that has been completed during this current course.

OR

**The Volunteer Income Tax Assistance (VITA) program** is an Internal Revenue Service (IRS) initiative founded in 1971 to serve low- to moderate-income individuals, persons with disabilities, the elderly, and limited English speakers. Anyone who has income generated in the U. S. must file an income tax return to be in compliance with U.S. tax laws. Yet many of these earners, even those with college degrees, throw up their hands in bewilderment when trying to decipher the ever-changing laws with which they must comply.

“The hardest thing in the world to understand is the income tax.”

~ Albert Einstein, physicist
Einstein said this to his own accountant! As an accounting major, you have proven your aptitude for unraveling something that stumped even Einstein! Thus, our VITA program provides a critical service to the TAMU-CT community through your unique talent. VITA at TAMU-CT saves not only low-income and military members of our community from the daunting and often expensive task of tax return preparation.

VITA provides a meaningful, valuable service to the TAMU-CT community. As a student, you will find this experience to provide immeasurable value to you, as well. One of the essential parts of the learning process is applying one’s trade. While preparing tax returns, you will research clients’ issues, resolve questions, and navigate challenging tax scenarios. You will gain first-hand experience working with actual clients’ real problems. However, the technical learning you will gain is only part of the picture. I guarantee you will not forget the gratitude of your clients, the satisfaction of knowing your unique talents enriched their lives, as well as the pride of representing and serving a community that has contributed so much to your own growth.

Requirements:

- Complete the required IRS Training
  - Volunteer Standards of Conduct Training certificate
  - Intake/Interview and Quality Review Exam certificate
  - Basic Training Exam Certificate
  - Advance Training Exam Certificate

- Submit certificates in Canvas and email to the designated email address.

- Volunteer **12 hours** (Spring semester – starting 25 January – 15 April) to the VITA program.

**Grading Criteria Rubric and Conversion**

Students earn their course grades by completing scheduled assignments; no extra credit assignments are given. To satisfactorily pass this course, students must complete each of the graded items listed below. Failure to submit appropriate documents for scoring in each category will result in a failing grade. Each class session will combine presentations related to the assigned readings with opportunities for questions and discussion. **I expect you to have read the assigned material before each class session.**

Posting of Grades

Grades will be posted on the Canvas Grade book (turn-around time for grades to be posted is 7 days). I rely on the definition of grading marks provided by Texas A & M University-Central Texas Catalog to provide a classification of grades. “The grade of “A” is given for outstanding achievement to a relatively small number of excellent scholars. The grade of “B” represents good achievement. The grade of “C” is given for average achievement and the grade of “D” for poor but passing work. The grade of “F” denotes failure and is given for unsatisfactory work.”

OPTIONAL POLICY STATEMENTS
A Note about Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

Behavioral Intervention
Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a
concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the referral online [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2]. Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5805.

INSTRUCTOR POLICIES

All communications, both to the Professor and student colleagues should be kept professional, including Discussion Board postings and email correspondence. For written assignments, all work should be proofread, free of grammatical errors, include proper citations, and be by American Psychological Association (APA) standards.

NOTE #1: There are NO EXTRA CREDIT assignments available for this course.

NOTE #2: Requests for Incomplete Grades: Incompletes will only be given in emergency or other extreme circumstances. The professor must approve any request for an incomplete grade in this course before the last week of classes. Where possible, requests should be submitted in written form and must include an address and telephone number where you may be contacted throughout the following semester. For a request for an incomplete grade to be considered, at least two-thirds of the coursework has to be completed. Finally, approval of an incomplete is up to the department chair.

NOTE #3: Questions concerning one’s grade on a particular task (e.g., test, case) This should be resolved within one week after receiving the graded material. There will not be reviewing of previously graded material at the end of the semester.

NOTE #4: Late Submissions/Resubmissions You have a period of 7 days each week to complete and submit the weekly assignments. Make sure to plan your time wisely and avoid last minute submissions since no late assignments will be accepted. All assignments must be turned in by the due date unless an extension has been granted. EXTENSIONS ON ASSIGNMENTS WILL BE CONSIDERED ONLY IF THEY ARE REQUESTED AT LEAST 48 HOURS BEFORE THE DUE DATE OF THE ASSIGNMENT UNDER QUESTION. After the fact, extensions will not be granted, so if you are sick and you know you will not be able to take a test or submit an assignment on the set due date, make sure to contact me at least 48 hours in advance.
NOTE #5: Changes to Syllabus A syllabus serves as an instructional and study planning document for both faculty and students. Although every effort will be taken to complete the semester according to the syllabus, it may become necessary to make specific changes to facilitate the academic environment better. In such an event, changes will be notified via an announcement in the course. Changes may be made within the last two weeks of the semester only in exceptional circumstances.
