UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Drop Policy

Drop Policy If you discover that you need to drop this class, you must complete a Drop Request Form [https://www.tamuct.edu/registrar/docs/Drop_Request_Form.pdf]. Professors cannot drop students; drops are the responsibility of the student. The Registrar's Office will provide on the University Calendar a deadline for which the form must be completed, signed and returned. Once you return the signed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. Attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits. Students that find themselves facing an unexpected, life altering circumstance before the drop deadline published on the academic calendar should drop the course. Should a student encounter an unexpected, life altering circumstance after the drop deadline, that student may be eligible for an incomplete so long as all work due before the circumstance has been submitted and the student has a reasonable chance to pass the course should remaining work be completed as soon as the circumstance resolves itself. No student should expect to receive an incomplete, and certainly not if there was time to drop the class.

OPTIONAL POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](#)

[\[https://www.tamuct.edu/compliance/titleix.html\]](https://www.tamuct.edu/compliance/titleix.html)].
