COURSE INFORMATION

Course Overview and description: (*Writing Instructive*) (*3 Semester Credit Hours*). This course you will study and demonstrate the different types of letters and reports utilized in the modern 21st century business environment. Basic business research and APA citation skills will also be an essential component of the course, as well as presentation fundamentals. Completion of this course is recommended in the first semester of enrollment as it is a prerequisite for most business courses.

Course Objective: This course supports the BBA program learning objectives (PLO's 1, 2, & 3) in the College of Business Administration (COBA) – in the areas of: cross cultural competencies, oral communication, and written communication. All Chapter level learning objectives are found within the course content folder in Canvas.

Student Learning Outcomes: Upon successful completion of the Business Communications course, the student will be able to:

- Explain the importance and role communication serves in the business world today, including the impacts of culture and globalization.
- Tailor communications to the interests and preferences of their audience in ways that make oral and written communications clear, concise, and compelling to the reader or listener.
- Apply the principles of effective written communications through the development of various business correspondences, using Microsoft Word. Word is available in the Texas A&M University-Central Texas computer labs.
- Demonstrate the fundamentals of business related research, including the proper use of APA citations.

- Write professionally in web-based interactions with colleagues on issues of business communication, including observance of Netiquette norms.
- Demonstrate proper business oral communication and presentation skills, including the use of Microsoft Power Point.

Writing Intensive Competency, Goals, and Statements: This is a “Writing Instructive (WI) Course.” The purpose of this designation is to develop communication skills needed by those preparing to enter the business world as well as those who are already part of that world. The course will focus on continuous improvement in written and spoken correspondence. The professor will provide ongoing feedback of the individuals written, verbal and nonverbal skills. It will be the student’s responsibility to make the instructional adjustments and corrections throughout the semester. If you can communicate effectively (written, verbal and nonverbal), you have a highly valued and marketable skill. Surveys have shown that the ability to communicate well is ranked by business executives as first among the personal factors necessary for promotion. **The WI portion is designated as the average of: Communications #1 & #2, the Research Practice Exercise and the written part of the Final Individual Proposal.**

COURSE REQUIREMENTS

- **Student Profile and Course Agreement:** (12 points) – Students should review this Syllabus in depth and be sure they are willing to comply with all assignments and deadlines in this course. The course agreement requires students to agree to these expectations and promise that they have the computer set-up and self-discipline needed for a fully online course.
- **Introduction:** (22 points) – Student introductions will occur online in a discussion forum. This is a great opportunity to get to know one another and express your written communication style.
- **Discussion Forums:** (144 points) – There will be 8 discussions (18 points each) due throughout the semester. Each discussion has multiple topics. The exact requirements for each will be found within the discussion forum for the week it is scheduled. ***NOTE: Each discussion forum has 2 distinct due dates. DO NOT rely solely on the course calendar for the due dates.**
- **APA ‘Competency’ Exam:** (75 points) - You will be required to complete an exam that covers topics on basic APA formatting which is outlined in the APA 6th edition manual. It is essential to apply proper APA formatting on all of your academic papers. This exam will test your knowledge of proper usage of the APA format. You are graded based on the score received and not simply completion, so be diligent. APA resources/materials have been provided in Canvas. You will have **2 attempts** to pass the APA Exam with an 80% or higher.
- **Individual Research Practice (3 Article Summary) and Presentation:** (100 Points) – Your individual research paper will be worth (65 points) AND your video/oral presentation is worth (35 points). *****You will be required to utilize the TAMUCT Writing Center for this assignment**
 - **Individual Paper Requirements:** Utilizing our TAMUCT library databases, you must use at least 3 References (two scholarly journal articles -one may be a mainstream magazine article at least four pages in length- AND 1 credible internet article). The topic of your research must deal with a business communication issue. These may discuss good or bad communication techniques or describe instances where companies struggled or had great success in communicating (in any industry).
 - After reading the three articles, you need to prepare a 6 page research paper (1 Cover Page, 4 Body, and 1 Reference page). You should demonstrate your mastery of professional correctness, proper summarization, and applying proper APA formatting & citations. Your end reference should provide easy access for me to review the articles.

- **Presentation:** Online students (teams) will be required to **submit a 2-3 minute video recording summarizing your Research** (via: Screencast-O-Matic [<https://screencast-o-matic.com/home>]). *Do not read the paper word for word in your presentation.
- **Professional Communication Assignments:** (120 total points; 2 assignments) - Each student will develop several original business communications (Communication 1: 50 pts & Communication 2: 70 points) and submit them on the due dates outlined in the course schedule.
 - (1). **Communication # 1:** You will act as a manager and construct an email communicating a new policy to your employees that they will not be happy with (negative). Some examples you could use include: dress code policy, cell phone use, break time, personal use of computer, etc. Then, in the same document and on the next page you will write an essay describing how your oral communication of this policy would be similar or different than the written policy.
 - (2). **Communication # 2:** Prepare a resume with a cover letter for a job that you would be qualified for based on the degree you are presently pursuing. **Online students will be required to submit a 90 second video/introduction** (via: Screencast-O-Matic [<https://screencast-o-matic.com/home>]).
- **Creating an Electronic Presentation:** (60 points) – In this assignment you will develop an effective power point slide presentation with appropriate white space, charts, diagrams, figures, pictures, and other images while utilizing a professional font and style.
- **Chapter Quizzes:** (320 total points): You will have 16 examinations in this course worth **20 points each**. Each exam may be composed of T/F, Matching, Multiple Choice, and Essay in order to assess the course and chapter objectives, as well as the course content in general. They may vary in composition from exam to exam. Quizzes will generally be available the week they are due and dates will be posted online as well as in the schedule section of this syllabus. They will be timed and once started, must be completed at that time.
- **Individual Proposal Paper and Oral Presentation:** (225 total points) - This major assignment will be developed in accordance with the parameters below and the rubrics found in Canvas with the assignment instructions. All subjects and materials to be presented in this course must be “new works” researched and assembled by you for this course only. Recycling of cases, proposals, reports, and subjects from this or other classes “is prohibited” and in violation.
 - **Midpoint Individual Proposal Worksheet:** You will have to complete a **Midpoint Proposal Worksheet** that will be worth **25 of the 225 total points**. This worksheet will identify the company chosen, research the company history,

identify the business problem, provide two of the four alternatives, and provide a minimum of two references written in proper APA format.

- You will have to produce an internal proposal addressed to the instructor as your supervisor worth **125 of the 225 total points**. This proposal must address a business problem (with a Fortune 500 Company) of your choosing, contain an introduction to the problem, provide at least four alternatives (with support) that you believe could correct the problem, provide a cost-benefit analysis, explain your recommended alternative to correct the problem, and an implementation schedule with timeline. Be specific and detailed!
 - Your proposal paper must include at least nine references, with a minimum of two books, four scholarly journal articles from the Texas A&M – Central Texas library database and no more than 3 internet articles. All references and citations must conform to APA style guidelines. The final paper should be an 11 page report (1-cover sheet, 1-table of contents, 8 body, 1-reference page), excluding attached appendices. *Use the provided template.

- **Individual Oral Presentation: You will also make an individual “10” minute oral presentation about your portion of the research paper.** Online students will record (via: Screencast-O-Matic [<https://screencast-o-matic.com/home>]). This is worth **75 of the 225 points**. A copy of your Individual “MS PowerPoint Slides” will be submitted to the assignment link in Canvas prior to your oral presentation. **Please note for online students that both you AND your power point must be visible in the recorded presentation. You will need to submit a copy of your video to the assignment link in Canvas.** More detailed grading parameters are found in the rubric on Canvas.
 - **NOTE:** Oral presentations will be conducted in a professional manner, to include appropriate business dress. Men: slacks, shirt, socks, shoes, and tie (No denims, jeans, boot pants, Levi’s, sneakers, etc.). Ladies: blouse and slacks or dress, or suit with socks/stockings and either low or high-heeled shoes. Look like professionals! Timing will be strictly adhered to. Presentation points will be deducted if the presentation runs short or over by more than “1” minute.

Instructor Grading Polices/Guidelines:

- **Individual Performance:** It is vital that you are active in the course and complete all work in a professional fashion. One of the biggest issues with student success in online courses is simply not submitting work on time. You are expected to read the chapters as assigned in the syllabus as well as read or view any supplemental resources that may be found in the Module content folders for that period.

- **Quality Work:** All work submitted for grading shall be of upper level quality: Depth of analysis, grammatical structure, etc.
- **Identifying Submissions:** Submissions must clearly identify the student and the title of the assignment (**ie: Smith_Essay 1**)
- **Submission Style Requirements:** Submissions will be in accordance with The Publication Manual of the American Psychological Association, 6th ed. **All written work must be submitted utilizing Microsoft Word in either a .doc or .docx format.**
- **Due Dates and Late Submissions:** The assignment instructions and deadlines are clearly laid out in the syllabus. Though some assignments are fairly involved, you do not have more than one assignment due in any week. As such, it is expected that all work will be submitted **on time**, as timeliness is an important aspect of professional communications and behavior. If you encounter an issue, please let me know as soon as possible. It is much easier to discuss issues before due dates rather than after. **Late work is not accepted.**
- **Changes to Syllabus:** This syllabus serves as an instructional and study planning document. Although every effort will be made to maintain the schedule and activities presented herein, it may become necessary during the course of the semester to make changes to the syllabus. In such events, changes will be announced and students will receive written notice as soon as possible.

University Writing Center

University Writing Center: Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University—Central Texas (A&M—Central Texas) is a free service open to all A&M—Central Texas students. For the Spring 2022 semester, the hours of operation are from 10:00 a.m.-5:00 p.m. Monday thru Thursday in Warrior Hall 416 (with online tutoring available every hour as well) with satellite hours available online only Monday thru Thursday from 6:00-9:00 p.m. and Saturday 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via [WCOOnline](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can

OPTIONAL POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For

additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].
