B = 140-157.49 points
C = 122.5-139.99 points
D = 105 to 122.49 points
F = 0 to 104.99 points

Posting of Grades: Grades will be posted on the Canvas Gradebook. I will do my best to post grades within two weeks of assignment submission. Please check Canvas for grades and feedback on assignments.

Late work policy: You can request one (1) 48-hour extension on an assignment. Please send an email to request this extension. Assignments will have due dates posted in Canvas (typically Monday evenings 11:59pm). Rather than levying late penalties on assignments that are turned in late, submission of an assignment after the posted deadline will result in a loss of points for “professionalism.” However, assignments will not be eligible for credit (i.e., grade of 0 assigned) if they are not submitted within one week of the posted deadline. If significant (documented) life events (e.g., illness) interfere with your ability to meet a deadline, you and the instructor will discuss whether late submission will result in loss of points and/or if submission past the 1-week cutoff would be permissible. The final decision will be made by the instructor.

**Attendance policy:** Class attendance is required and crucial to your development as a student and future counselor. Please send an email if you will be absent from any class. You will be allowed one absence with no penalty. There will be a grade reduction (2.5-point deduction to the professionalism grade) for each unexcused absence after the first.
Plagiarism Note: Plagiarism constitutes using others’ ideas, words, or images without properly giving credit to those sources. If you turn in any work with your name attached to it, I assume that work is your own and that all sources are specified and acknowledged in the text (with quotations and/or proper citations). If this is not the case, I will follow university policy concerning plagiarism. All cases of plagiarism (intentional and unintentional) will be reported to student affairs and the student may receive a zero on the assignment. For more information on academic integrity, see the university webpage: [https://www.tamuct.edu/student-affairs/academic-integrity.html](https://www.tamuct.edu/student-affairs/academic-integrity.html).

University Writing Center

Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M-Central Texas) is a free service open to all A&M-Central Texas students. For the Summer 2022 semester, the hours of operation are from 10:00 a.m.-4:00 p.m. Monday thru Thursday in Warrior Hall 416 (with online tutoring available every hour as well) with satellite hours available online only Monday thru Thursday from 6:00-9:00 p.m. and most Saturdays from 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WCONline at [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

**OPTIONAL POLICY STATEMENTS**

**A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html).

**Behavioral Intervention**

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. You can complete the referral online: [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the Behavioral Intervention Team website for more information [https://www.tamuct.edu/bit]. If a person’s behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5805.
