Course Overview and description
Crew Resource Management acquaints the students with the set of training procedures for use in environments where human error can have devastating effects. Used primarily for improving air safety, CRM focuses on interpersonal communication, leadership, and decision-making in the cockpits of aircraft. In addition, students will acquire an increased understanding of how CRM training encompasses a wide range of knowledge, skills, and attitudes including communications, situational awareness, problem solving, decision making, and teamwork.

Course Objective
Upon completion of this course, the student will be able to:

- Describe Crew Resource Management (CRM) and explain how it is applied in aviation situations to improve safety.
- Research a past aviation accident case and discuss how an awareness based on CRM training could have prevented the accident from occurring.
- Demonstrate an increased understanding of FAA regulations and civil law as they apply to the importance of CRM being adhered to.
- Prepare an Aviation Timeline that defines numerous events in your aerospace background that help to define goals in your aviation vocation upon completion of this capstone course.

Student Learning Outcomes (SLOs #1 - #6)
The following numbered outcomes are for the entirety of the Professional Pilot degree. Elements of each of the SLOs may be found in certain aspects of instruction. The Point Based Grade Component section shows which SLOs are accomplished through evaluation.

**Aviation Timeline:** You will compile an aviation timeline that defines numerous events in your aerospace background from the past, present and into the foreseeable future. The completed timeline will help define the goals you will set for your upcoming aviation vocation after completing this capstone course. This will be completed in the form of bullet-point timeline events.

1. There will be a sample of an aviation timeline posted for an example.
2. The three parts of the timeline will be past, present and future in your aviation experiences.
3. The completed entries will be due at the end of week 3.
4. These entries are not meant to be posted for the rest of the class; these are just for you as an individual.

Grading scheme

- A 4.00 (90 +) Achievement that is outstanding relative to the level necessary to meet course requirements.
- B 3.00 (80-89%) Achievement that is significantly above the level necessary to meet course requirements.
- C 2.00 (70–79%) Achievement that meets the course requirements in every respect.
- D 1.00 (60–69%) Achievement that is worthy of credit even though it fails to meet fully course requirements.
• F 0.00 (<60%) Represents failure and signifies that the work was either (1) completed but at a level of achievement that is not worthy of credit or (2) was not completed and there was no agreement between the instructor and the student that the student would be awarded an “I” (incomplete).

• “I” (Incomplete) The “I” shall be assigned at the discretion of the instructor when, due to extraordinary circumstances, the student was prevented from completing the work of the course on time. The assignment of an “I” requires a written agreement between the instructor and student specifying the time and manner in which the student will complete the course requirements. In no event may any such written agreement allow a period of longer than one year to complete the course requirements. For graduate and professional students, an “I” is to remain on the transcript until changed by the instructor or department. For all other students, work to make up an “I” must be submitted within one year of the last day of final examinations of the term in which the “I” was given; if not submitted by that time, then the “I” will automatically change to an F. To obtain an incomplete you must have been doing passing work in the course.

Weekly Discussion Post:

There will be one weekly discussion post to be submitted over topics presented by instructor. Check in daily for instructor notes, updates and the posting of audio/video topics. Posts will be graded for writing ability and original content. Required two main paragraphs for your post, with a minimum of two hundred words. A minimum of 100 words in your well composed paragraph response to each of two classmate’s post. APA Seventh Edition writing and citing of sources is required.

GRADING POLICIES

Individual Performance: It is vital that you are active in the course and complete all work in a professional fashion. One of the biggest issues with student success in online courses is simply not submitting work on time. You are expected to read the chapters as assigned in the syllabus as well as read or view any supplemental resources that may be found in the Module content folders for that period.

Quality Work: All work submitted for grading shall be of upper-level quality: Depth of analysis, grammatical structure, etc. Your work will be checked for plagiarism using online plagiarism assessment programs. Plagiarism will not be tolerated.

Identifying Submissions: Submissions must clearly identify the student, course, and the title of the assignment (Last Name, Course Name, and Assignment) or (Smith_GBK301_Essay1).

Written Assignment Requirements: Submissions will be in accordance with The Publication Manual of the American Psychological Association, 7th Ed. All written work must be submitted utilizing Microsoft Word in either a .doc or .docx format. Students whose assignment includes plagiarism will receive a 0 on the assignment and possible referral to Student Affairs. However, I reserve the right to reduce the penalty if I believe plagiarism was unintentional or very minor in impact.

Due Dates and Late Submissions: The assignment instructions and deadlines are clearly laid out in the syllabus. Your assignments are fairly involved, so please stay ahead and stay engaged with the material. As such, it is expected that all work will be submitted on time, as timeliness is an important aspect of professional communications and behavior. If you encounter an issue, please let me know as soon as possible. Ask for an extension as soon as you see you may need one prior to the due date. It is much easier to discuss issues before due dates rather than after. Late work is not accepted.
Changes to Syllabus: This syllabus serves as an instructional and study planning document. Although every effort will be made to maintain the schedule and activities presented herein, it may become necessary during the course of the semester to make changes to the syllabus. In such events, changes will be announced, and students will receive written notice as soon as possible.

**University Writing Center**

Located in Warrior Hall 416 and online, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M–Central Texas) is a free service open to all A&M–Central Texas students. The face-to-face hours of operation are from 10:00 a.m.-5:00 p.m. Monday and
Thursday in Warrior Hall 416. Online tutoring is available Monday thru Thursday from 10:00 a.m.-5:00 p.m. and from 6:00-9:00 p.m. and on Saturdays from 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WCOnline [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

OTHER POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

Instructor Policies

Life happens. As such, if a student realizes that a posting, quiz, or assignment will be late due to unforeseen emergency or special circumstance, please notify the instructor as soon as is practical to assess the impact on the course. The instructor may grant extra time to complete an assignment within the confines of the 16-week course. However, if it becomes apparent that this policy is abused, or that the request was fraudulent, the instructor reserves the right to place an unfavorable grade for incomplete work.
Behavioral Intervention

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community.
