University Writing Center

Located in Warrior Hall 416 and online, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M–Central Texas) is a free service open to all A&M–Central Texas students. The face-to-face hours of operation are from 10:00 a.m.-5:00 p.m. Monday and Thursday in Warrior Hall 416. Online tutoring is available Monday thru Thursday from 10:00 a.m.-5:00 p.m. and from 6:00-9:00 p.m. and on Saturdays from 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance
and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via WCOnline [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

OPTIONAL POLICY STATEMENTS
A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

OTHER POLICIES
Class Attendance
Regular, punctual attendance, documented participation, and submission of completed assignments are expected at all classes, field experience, and other activities for which the student is registered. Failure of students to adhere to these requirements may influence the course grade, financial assistance, and/or enrollment status. Students may be excused from attendance for reasons such as health/medical reasons, family emergencies, or student participation in approved university-sponsored events. However, students are responsible for notifying their instructors in advance, when possible, for excusable absences. Whether absences are excused or unexcused, a student is still responsible for all course content and assignments. Make-up work must be completed as soon as possible after returning from an absence.

A. Personal Days- Students are expected to attend all classes, arrive on time, sign in, and actively participate in class, including online courses. Students are allowed two “personal days” of absence that they may take at their discretion, but only with prior notification. You may notify the instructor by phone, email, or during class time.

B. Excused Absences- You also have officially excused university days available to you that are covered under university policy- health-related issues, family emergencies, and student participation in university-related activities. Sick days and university-related activities require appropriate documentation so that any missed work may be completed.

C. Unexcused absences- If there is a situation for an absence beyond your two personal days, please communicate with your instructor. It is YOUR responsibility to NOTIFY the instructor of your absent. When a student is absent more than twice without an excused absence or communication with the professor, a conference will be held with the faculty and department chair and if necessary, a statement of concern will be issued and signed by the student. Further absences without excuses will be grounds for failing this class.

D. Tardies- Two tardies of over 20 minutes late will count as one absence, unless there are extenuating circumstances. This is the same rule as in Clinical Practice (Student Teaching).

Mobile technology: Please turn off any mobile phones prior to the beginning of class unless we are using them to complete a class assignment. If you are expecting an important call during class time, please inform the instructor before class.

To complete Certification/Licensing Requirements in Texas related to public education and other professional settings:

1. Candidates must undergo a criminal history background check prior to observation in Pre-Practicum as well as in clinical teaching and prior to employment as an educator. The public-school campuses are responsible for completing the criminal background check. A person who is enrolled or planning to enroll in a State Board for Educator Certification-approved educator preparation program or planning to take a certification examination may request a preliminary criminal history evaluation letter regarding the person's potential ineligibility for certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

A Preliminary Criminal History Evaluation is a non-mandatory, non-binding evaluation of an individual’s self-reported criminal history. In addition, the agency obtains your name-based Texas criminal history information. The service is provided to the requestor for a non-refundable fee. The requestor will receive an evaluation letter by email from agency staff advising of potential ineligibility for educator certification.

You are eligible to request a Preliminary Criminal History Evaluation if:

- You enrolled or planning to enroll in an educator preparation program or
- You are planning to take a certification exam for initial educator certification, and
- You have reason to believe that you may be ineligible for educator certification due to a conviction or deferred adjudication for a felony or misdemeanor offense.

You are not eligible for a preliminary evaluation of your criminal history if you do not have a conviction or deferred adjudication for a felony or misdemeanor offense.

In addition, you must complete the fingerprinting process when you apply for certification. Participation in the evaluation does not preclude you from submitting to a national criminal history review at the time you apply for your educator certification. Your criminal history will be reviewed and you may be subject to an investigation based on that criminal history, including any information you failed to submit for evaluation.

Additional information can be found at https://tea.texas.gov/Texas_Educators/Investigations/Preliminary_Criminal_History_Evaluation-FAQs/.

2. Provide one of the following primary ID documents: passport, driver’s license, state or providence ID cards, a national ID card, or military ID card to take the TExES exams (additional information available at www.texas.ets.org/registrationBulletin/). YOU must provide legal documentation
to be allowed to take these mandated examinations that are related to certification/licensing requirements in Texas.

Participation, Personal Responsibility and Professional Dispositions

Stay in Touch with the Instructor
Teaching well takes serious effort and commitment. You have not chosen an easy job, but you have chosen an important and rewarding job. As a teacher, you are responsible for helping students learn and grow. What you do as a teacher will make a difference in students’ lives. There is much to do to prepare for taking on the demands of leading a classroom so we ask you to put in your best effort. This class will require you to stay on top of your work. If you find yourself stumbling, overwhelmed, or generally stressed out, that’s a signal to get in touch with me. We will set up a time to meet or talk. I will offer support and try to figure out how to help you balance these demands and learn so that you are prepared to teach.

Discussions
Discussions will take place with class members during class and online. I expect you to share your ideas, listen to and try to understand the ideas of others, ask each other questions about the topic of discussion and ideas shared, build on each other’s ideas, cite examples from the texts or your experiences to support your ideas, and treat each other with respect. As a participant in discussions, do what you can to encourage your peers to participate, move the discussion forward, and make the classroom safe for different perspectives.

Consider the following behavioral practices to support active listening as you participate in class: Good practice includes looking at the person who is talking to you; making an effort to hear the exact words the speaker is saying; reflecting back what you hear; responding to others’ ideas by extending, supporting, or challenging those ideas with your own thoughts; using specific examples from course readings to support your ideas or connect to the ideas of others; and use nodding or other signs to show that what a classmate says matters.

Some cautions to avoid include interrupting before the person has finished speaking, being preoccupied with other things, conveying immediate disagreement or impatience by how you look at the person, or quickly suggesting other perspectives without understanding those of the speaker.
