## **COURSE REQUIREMENTS**

**In class writing assignments (20%, 100 points)** Students are expected to be prepared to work on assignments in class. Bring laptops, tablets, or notebooks along with the textbook to help you work on these assignments. In-class assignments help you prepare for the Writing Assignments listed below.

**Media Quizzes (10%, 450 points)** Media quizzes present the course information in a different manner. Students watch videos relate to the course content and are quizzed on the material.

**Writing Assignments (Worth 70%, 700 points)** Students will complete 7 writing assignments. Students should be able to craft well written responses that demonstrate they understand the material by interpreting it in their own words, using terminology correctly, and providing accurate examples. **Responses must come from the book and course materials only. No other sources allowed.** Students are given the option to improve their essay grade by rewriting the portions with low scores.

### **Grading Criteria Rubric and Conversion**

Writing is a significant aspect of this course and significantly affects scores. Overall, writing should be concise, without losing important information, and submission should be well organized. Please review the [Writing for the Social Sciences](#) page for guidance.

A C grade is average, to earn an overall grade higher than a C you must consistently produce high quality and outstanding work. See individual assignments for more detailed rubrics.

- A, 90-100: Outstanding work and mastery of material.
- B, 80-89: High quality work and good understanding of the material.
- C, 70-79: Satisfactory work and basic understanding of the material.
- D, 60-69: Missing work and insufficient understanding of the material.
- F, <59: Missing work and no understanding of the material.

### **Posting of Grades**

Students can view their grades in the Canvas Gradebook by going to “Grades” link on Canvas. Most grades are available immediately. Grades for written assignments are returned within 7-10 days of the due date.

### **Grading Policies**

All materials, quiz, and assignments are posted at the start of the semester so students can work ahead if they like. However, I grade writing assignments when they are due, no earlier. Quiz due dates are flexible, but writing assignment due dates are not. Writing assignments received more than 3 days late will receive a 0.

### **University Writing Center**

Located in Warrior Hall 416 and online, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M–Central Texas) is a free service open to all A&M–Central Texas students. The face-to-face hours of operation are from 10:00 a.m.-5:00 p.m. Monday and Thursday in Warrior Hall 416. Online tutoring is available Monday thru Thursday from 10:00 a.m.-5:00 p.m. and from 6:00-9:00 p.m. and on Saturdays from 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via [WOnline](https://tamuct.mywconline.com/) [<https://tamuct.mywconline.com/>]. In addition, you can email Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu) if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

### **OTHER POLICY STATEMENTS**

#### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L). Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [<https://www.tamuct.edu/compliance/titleix.html>].

#### **Behavioral Intervention**

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the [referral](#) online

[<https://cm.maxient.com/reporting.php?TAMUCentralTexas>].
