**Decision Making Essay:** This is your first WI designated assignment, which will introduce or refresh you on the methods of writing a simple academic essay. Additionally, one of the Program Student Learning Outcome (PLSO) is that *students will be able to make decisions through business data analysis*. Decision Making is introduced in this course in Chapter 11. As part of the program outcome introduction, students will write an essay, of not more than 2 typed pages, in APA formatted form, and citing sources where needed (APA Ch 2, 8-10).

This essay will be based on the 4 stages of rational decision making, discussed in Chapter 11. See the essay instructions in the assignment for further details. This essay will include a title page, references page, introduction, body, and summary/conclusions. For more information on these requirements, go to the Additional Resources Module in our Canvas classroom.

The use of the University Writing Center (UWC) is recommended, but not required in this first assignment. You may use the textbook as your primary source of information; however, you may not copy/paste directly from the textbook. Additionally, you **MAY NOT** use quotations of any kind, in this essay; you will need to paraphrase the information taken from your sources (see Chapter 8 of the APA Manual, 7 Ed.).

Finally, when this paper is submitted, it will automatically be checked for similarity (plagiarism), using the Canvas SimCheck Plagiarism Review program. You may have AT MOST 12% similarity. Ensure you submit drafts of your paper prior to the due date so that you can track your similarity. Any score greater than 12% must be reduced to 12% prior to the due date/time. This means you will have to edit your paper to reduce the similarity identified by the program. The UWC can assist you with this. Grades will be reduced based on an index greater than 12%, see the assignment instructions.

### **OB Project – Part 1:**

This paper is second WI designated assignment and will lay the foundation for the second paper. You are to decide on an organization that you want to evaluate. The organization will be selected from the provided list of Fortune 500 Companies. You will write, in essay format, a 2-3 page written report (excluding title page, references and any figures, tables or appendices). Each paper will include an APA formatted title page and a separate References page. Do not include an abstract, table of contents, or appendixes. The primary topics included in this paper are as follows:

1. *Organization Background* - Provide *just enough* details on the company for me to be able to understand the problem that will be described. Resist the urge to provide irrelevant details and feel free to omit or disguise any details that might be sensitive in nature.  
[about ½ page]
2. *Organizational Culture* – Provide a brief description of the elements of the company’s culture in terms of artifacts, shared values, and shared assumptions as well as the dominant culture based on the competing values framework. Use pages 547-559 in your

textbook as a guide for this section. [about 1 page]

3. *Problem* - Describe, specifically, *one problem* that the company is struggling with that will serve as the focus of the paper. Resist the urge to discuss multiple problems--focus on one specific issue with which the organization is struggling. Be sure to focus on a problem that within the scope of this course. [about 1 page]

**NOTE:** This essay will include a title page, references page, introduction, body, and summary/conclusions. For more information on these requirements, go to the Additional Resources Module in our Canvas classroom.

**Writing Instructive (WI) Requirement:** You are required to have a conference (either online or F2F) with the Writing Center before submitting your OB Project Part 1 and will be required to show proof for full credit. Submit the results of your conference as an attachment in the assignment. You are strongly encouraged to confer with the tutors at the Writing Center on all of your assignments, even when it is not required. <https://www.tamuct.edu/coas/coas-special-topics/uwc.html>

All work submitted for grading shall be of collegiate quality, language, depth and organization. All work should be proofread, free of grammatical errors, include proper citations, and be in accordance with The Publication Manual of the American Psychological Association, 7<sup>th</sup> ed. (APA Ch 2, 8-10). For information on APA standards and correct citation formats consult the **APA Publication Manual**, and/or link to the following sources:

<http://www.apastyle.org/learn/index.aspx>

<https://owl.english.purdue.edu/owl/resource/560/01/>

Submit this assignment through the Assignments Course link. The due date for the OB Project – Part 1 is posted in the Course Schedule. The required file format for the paper is a .doc or .docx file (MS Word). This assignment will be run through the Canvas SimCheck Plagiarism Review program. The goal of this first paper is to have a 12% or less similarity. Ensure you submit prior to the actual due date to determine your similarity. If your similarity is greater than 12%, you will need to rework until you have achieved 12% or less. Grades will be reduced based on an index greater than 12%, see the assignment instructions. **No late submissions are accepted.**

### **OB Project – Part 2:**

This paper is third WI designated assignment and builds on the previous paper. Based on the feedback from the OB Project – Part 1 you will now produce another essay, that is a 2-3 page written report (excluding title page, references and any figures, tables or appendices). Each paper will include an APA formatted title page and a separate References page. Do not include an abstract, table of contents, or appendixes. The primary topics included in this paper are as follows: Providing a brief overview of the problem (3-4 sentences), the following:

1. *Theoretical Lens* - Choose one topic from the list below, and apply that topic to the your

chosen organization and the problem developed in OB Project- Part 1. Describe very specifically how the concepts, principles, and findings represented in the topic matter to the problem, and how they can be leveraged to articulate a solution. [about 1 page]

- Ethical decision making: moral intensity, moral sensitivity, and situational influences
  - Schwartz's Theory
  - Organizational Commitment
  - Perceived Organizational Support
  - Models of Job Satisfaction
  - Managing Diversity
  - Content Theories of Motivation
    - Theory X/Y
    - Herzberg's Motivator-Hygiene Factors
  - Process Theories of Motivation
    - Equity/Justice
    - Expectancy
    - Goal-Setting
  - Job Design
  - Performance Management/Goal setting
  - Organizational Climate
  - Team processes
  - Effective Communication
  - Effective Conflict Management
  - Types of Power
  - Empowerment
  - Organizational Politics
  - Leadership Theories
  - Organizational Change
2. *Recommendation* – Provide a list (at least three) of very specific recommendations/action steps that flow out of the discussion of the topic and that can help solve the problem. In thinking about how to craft the topic into those recommendations, strike a balance between being *practical* and being *bold*. Every organization has key constraints (culture, organizational stakeholders, and competitive environment) that need to be taken into account when designing interventions. Although those should be considered, resist the urge to “play it safe”, as that tendency often leads to modest interventions that are ultimately ineffective. [about 1 page]

All work submitted for grading shall be of collegiate quality, language, depth and organization. All work should be proofread, free of grammatical errors, include proper citations, and be in accordance with The Publication Manual of the American Psychological Association, 7<sup>th</sup> ed. (APA Ch 2, 8-10). Please refer to the grading feedback for your first part of the project to avoid making

the same APA mistakes again.

**NOTE:** This essay will include a title page, references page, introduction, body, and summary/conclusions. For more information on these requirements, go to the Additional Resources Module in our Canvas classroom.

**Writing Instructive (WI) Requirement:** You are to apply what you learned from the Writing Center from the OB Part 1 to this assignment. You are also strongly encouraged to have a conference (either online or F2F) with the Writing Center before submitting your paper. Submit this assignment through the Assignments Course link. The due date for the OB Project - Part 2 is posted in the Course Schedule. The required file format for the paper is a .doc or .docx file. This assignment will be run through the Canvas SimCheck Plagiarism Review program. The goal of this paper is to have a **10% or less** similarity. Ensure you submit prior to the actual due date to determine your similarity. If your similarity is greater than 10%, you will need to rework until you have achieved **10% or less**. Grades will be reduced based on an index greater than 10%, see the assignment instructions. **No late submissions are accepted.**

### Evaluation of Work

**A:** Performance is excellent and stands out due to sharp insight into material and discussion of many sides of an issue. Submitted work is well articulated and logically and clearly written. "A" work indicates an example for others to follow.

**B:** Performance is above the minimum requirements with an insight into the material at a level considered to be good to very good. Submitted work is of high quality. A "B" is considered a high grade and recognition for solid work.

**C:** Performance satisfies only the minimum requirements and displays little or no initiative. Insight into the material is satisfactory and an acceptable understanding of all basic concepts was communicated. A student receiving a "C" has met the requirements, including course deadlines.

**D:** Quality and quantity of work is below average and barely acceptable. "D" work is passing by a slim margin.

**F:** Quality and quantity of work is unacceptable and does not warrant a passing of this course.

In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

### **A Note about Sexual Violence at A&M-Central Texas**

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].
