Title: Justice Administration, Police, Courts and Corrections Management (9<sup>th</sup> ed.) (2019)

ISBN: 978-0-13-487140-0

**SUPPLEMENTARY MATERIALS**

Supplementary materials are available in Canvas. Students are responsible for supplementary materials.

**REQUIRED COURSE WORK**

**Assignments** – Complete assignments by going to Modules. Modules organize topics, assignments, and supplemental information, such as PowerPoints, links to videos, links to articles, and other resources. All written assignments are completed or submitted on Canvas. In this course, only five assignments exist: one attendance verification essay and four exams. However, to prepare for the four exams (which comprise 100% of your grade), you must read the textbook, and use it (along with all supplementary materials provided in Canvas) to prepare for the exams. Canvas is segmented into four parts. Completion of part 1 (and Exam 1) is a prerequisite for part 2 and the same is true the rest of the course; part 2 to begin part 3, and part 3 to begin part 4. To learn how to view assignments in Canvas, visit <https://community.canvaslms.com/docs/DOC-10566-4212191416>

**Attendance Verification Essay** – As I will be required to verify your attendance in the course, the introductory module will ask for you to provide a brief summary of your employment and educational experience, thus far. This assignment will be rather brief and is expected to be concise yet informative. It will suffice as verification while assisting me in getting familiar with each student. If you do not complete it, I will be required to submit notice to the university (shortly after the posted deadline) that you have not attended the course. It is imperative that you participate in this exercise.

**Exams** – There are four exams for 400 points. Your grade will hinge on your test performance and your test performance will hinge on your command of the material delivered in the textbook and the supplementary information provided by me in Canvas.

- **Exam 1** has 25 multiple choice questions, each worth 4 points = 100 points.
  - Exam 1 covers chapters 1-4 in the assigned textbook and leadership takeaways from “Remarks by General Stephen Townsend” (link included in Module Part 1).
- **Exam 2 (Midterm Exam)** has 25 Multiple choice questions, each worth 4 points = 100 points.
  - Exam 2 covers chapters 5-9 in the assigned textbook.
- **Exam 3** has 25 multiple-choice questions, each worth 4 points = 100 points.
  - Exam 3 covers chapters 10-13 in the assigned textbook.
- **Exam 4 (Final Exam)** has 25 multiple-choice questions, each worth 4 points = 100 points.
  - Exam 4 covers chapters 14-17 in the assigned textbook.
  
- **REMEMBER –**
  - You will have 90 Minutes to complete each exam.
  - If you begin the exam 30 minutes before the deadline expires for the exam, the access to the exam will expire in 30 minutes, and you will lose the remainder of your time to take the exam.
  - If you begin the exam, then the timer begins. The time will continue to run until time expires, without regard to your attention on the exam. When you begin the exam, ensure you are ready to train your complete focus on the exam and complete it before the deadline.
  - All four exams will be open resources, including your textbook, any notes, or other material the instructor has made available to you in Canvas.
  - HOWEVER – all four exams are your own work product; these are not group projects. Any violation of this provision that is detected will be referred to the University in accordance with the policy on Academic Integrity (addressed below).

## OTHER INFORMATION REGARDING THE COURSE

1. **Late assignments:** Late assignments will not be accepted. For this reason, exam deadlines will not be extended under normal circumstances. Because this is an online course students can complete work early and have adequate time to complete all assignments. The only possible deviation from this policy is the unlikely event the student or close family member has an unexpected serious medical situation. This MAY be an allowable excuse to make up a missed EXAM only, no other assignments. Documentation will be required and notice of such a circumstance should be communicated to me as soon as you become aware of it. If you work on the weekends, have a job that requires you to be on call, or have other obligations you should complete your work early to avoid any zeros for missed assignments.
  
1. **Supplementary Material:** Additional information will be given that supplements the topics to be addressed. This supplementary material is designed to broaden the educational experience. You are responsible for all information in the supplementary material.
  
1. **Extra Credit:** Extra credit is not available in this class.
  
1. **Note:** I will ONLY accept assignments that are submitted properly: through Canvas. You MUST submit the assignment in the appropriate location within the assignments section.
  
1. **Posting of Grades:** All student grades will be posted in the Canvas grade book and students should monitor their grading status through this tool. Students should generally expect grades to be posted within one week after the assignment’s due date. Deviations from this schedule will be announced on Canvas.

## STUDENT-INSTRUCTOR INTERACTION

Most communication between the instructor and students will be via Canvas. However, students can contact me via Canvas and email. All students are able to schedule either a Zoom meeting or a telephone conference. I do not maintain office hours, as I am not regularly on campus during the semester.

I will check and reply to student emails on a daily basis – students should expect a response within 24 hours Monday-Friday. Any deviations from this will be announced on Canvas. Checking Canvas frequently is important, as this is where any class announcements will be posted. Messages sent over the weekend can expect a response the following Monday.

It is HIGHLY recommended that you go into your “settings” in Canvas, select “notifications”, and elect to receive emails when announcements are made. You are responsible for obtaining information in a timely manner.

My preferred method of electronic student interaction is via Canvas. All students should identify the class they are in, use proper salutations and signatures, identify a question, be succinct, and maintain professionalism in any correspondence.

## OTHER POLICY STATEMENTS

### A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].
