Spring 2023

Texas A&M University-Central Texas

INSTRUCTOR AND CONTACT INFORMATION

Instructor: Marty Hanby, Assistant Professor of Finance

Office: Founder's Hall, 323S

Email: m.hanby@tamuct.edu

Office Hours: By appointment via WebEx.

Mode of instruction and course access:

This course is an online class with materials and lectures made available online via the A&M-Central Texas Canvas Learning Management System [<https://tamuct.instructure.com>]

Course Materials and Textbook: Bodie, Kane and Marcus, Essentials of Investments, eleventh edition, Irwin McGraw Hill. **Connect is not required for the course.**

You will need a financial calculator. I will teach the class using the TI BAII Plus Professional financial calculator. This is because I can show you examples in class using these calculators. If you prefer to use a HP business calculator or a graphics calculator that has financial functions. that is fine but do not expect me to tutor you on how to use your own calculator. A graphics calculator will be useful for all exams and if you prefer to use formulas.

Student-instructor interaction:

My preferred communication method is via the TAMUCT email system, you are responsible for the content of all course emails. I check email regularly on weekdays and a couple of times a day on weekends.

I highly recommend that you take the time to communicate with me, this will be beneficial to both of us. This gives me the opportunity to understand both your strengths and weaknesses, students that take the time to get to know me usually do much better in my class. **Finally, do not fall behind and do not be afraid to ask for help.**

Emergency Warning System for Texas A&M University-Central Texas

SAFEZONE. SafeZone provides a public safety application that gives you the ability to call for help with the push of a button. It also provides Texas A&M University-Central Texas the ability to communicate emergency information quickly via push notifications, email, and text messages. Describe trading practices in dealer markets, specialist-directed stock exchanges, and electronic communication networks.

Compare the mechanics and investment implications of buying on margin and short-selling

4. MUTUAL FUNDS AND OTHER INVESTMENT COMPANIES

Cite advantages and disadvantages of investing with an investment company rather than buying securities directly.

Contrast open-end mutual funds with closed-end funds, unit investment trusts, hedge funds, and exchange-traded funds.

Define net asset value and measure the rate of return on a mutual fund.

Classify mutual funds according to investment style.

Demonstrate the impact of expenses and turnover on mutual fund investment performance.

5. RISK AND RETURN

Cite advantages and disadvantages of investing with an investment company rather than buying securities directly.

Contrast open-end mutual funds with closed-end funds, unit investment trusts, hedge funds, and exchange-traded funds.

Define net asset value and measure the rate of return on a mutual fund.

Classify mutual funds according to investment style.

Demonstrate the impact of expenses and turnover on mutual fund investment performance.

6. EFFICIENT DIVERSIFICATION

Show how covariance and correlation affect the power of diversification to reduce portfolio risk.

Calculate mean, variance, and covariance using either historical data or scenario analysis.

Construct efficient portfolios and use the Sharpe ratio to evaluate portfolio efficiency.

Calculate the composition of the optimal risky portfolio.

Use index models to analyze the risk and return characteristics of securities and portfolios.

Understand the effect of investment horizon on portfolio risk.

7. CAPITAL ASSET PRICING AND ARBITRAGE PRICING THEORY

Use the implications of capital market theory to estimate security risk premiums.

Construct and use the security market line.

Specify and use a multifactor security market line.

Take advantage of an arbitrage opportunity with a portfolio that includes mispriced securities.

Use arbitrage pricing theory with more than one factor to identify mispriced securities.

8. THE EFFICIENT MARKET HYPOTHESIS

Demonstrate why security price changes should be essentially unpredictable in an efficient market.

Cite evidence that supports and contradicts the efficient market hypothesis.

Provide interpretations of various stock market “anomalies.”

Formulate investment strategies that make sense in informationally efficient markets.

10. BOND PRICES AND YIELDS

Explain the general terms of a bond contract and how bond prices are quoted in the financial press.

Compute a bond's price given its yield to maturity, and compute its yield to maturity given its price.

Calculate how bond prices will change over time for a given interest rate projection.

Describe call, convertibility, and sinking fund provisions, and analyze how these provisions affect a bond's price and yield to maturity.

Identify the determinants of bond safety and rating and how credit risk is reflected in bond yields and the prices of credit default swaps.

Calculate several measures of bond return, and demonstrate how these measures may be affected by taxes.

Analyze the factors likely to affect the shape of the yield curve at any time, and impute forward rates from the yield curve.

11. MANAGING BOND PORTFOLIOS

Analyze the features of a bond that affect the sensitivity of its price to interest rates.

Compute the duration of bonds and use duration to measure interest rate sensitivity.

Show how convexity affects the response of bond prices to changes in interest rates.

Formulate fixed-income immunization strategies for various investment horizons.

Analyze the choices to be made in an actively managed bond portfolio.

13. EQUITY VALUATION

Use financial statements and market information to estimate firm value.

Calculate the intrinsic value of a firm using either a constant-growth or multistage dividend discount model.

Assess the growth prospects of a firm and relate growth opportunities to the P/E ratio.

Value a firm using free cash flow models.

15. OPTIONS MARKETS

Calculate the profit to various option positions as a function of ultimate security prices.

Formulate option strategies to modify portfolio risk-return attributes.

Identify embedded options in various securities and determine how option characteristics affect the prices of those securities.

16. OPTION VALUATION

Identify the features of an option that affect its market value.

Compute an option value in two-scenario and binomial models of the economy.

Compute the Black-Scholes value and implied volatility of an option.

Compute the proper relationship between call and put prices.

Compute the hedge ratio of an option and use that ratio to manage risk.

COURSE REQUIREMENTS

Homework (100 points) - There will be end of chapter homework assignments throughout the semester. **All homework will be submitted via the links provided in the Assignments section of Canvas.** All homework assignments combined will be worth 100 points. I will not accept late homework. Let me repeat. I WILL NOT ACCEPT LATE HOMEWORK!

Exams (300 points) - You will have 3 exams in this class. Each exam is worth 100 points. All exams will cover material from the chapters that were covered after the previous exam. This means that the exams are not comprehensive...technically. However, since much of the material builds on itself you must understand earlier chapters to be able to show your understanding of later chapters. **The optional final exam is comprehensive and if you elect to take the final it will replace your lowest exam grade. There is a risk to taking the final, your grade can improve or decline depending on your test score. Also, if you elect to take the final and do not complete the exam, you will receive a grade of 0.**

All exams will be administered online using Proctorio!

Exam Dates:

Exam 1	February 23rd
Exam 2	March 30th
Exam 3	May 4th
Optional Final	May 11th

Grading:

> 90%	A
80 - 89.99%	B
70 - 79.99%	C
60 - 69.99%	D
< 60%	F

NOTE: Requests for Incomplete Grades: Incompletes will only be given in emergency or other extreme circumstances. Any request for an incomplete grade in this course must be approved by the professor prior to the last week of classes. Requests should be submitted in written form. include a detailed explanation and documentation. and must include an address and/or telephone number where you may be contacted throughout the following semester. There is a university requirement that a substantial portion (roughly 70%) of the course work must have been completed by the student prior to receiving and incomplete. Also. students will be required to enter into a contract with the professor to finish the course within some set time frame to be determined by the professor. Students will no longer be able to get an IC after doing 5% of the class and then get an extra semester to complete their work.

Posting of Grades

Grades will be posted in Canvas, in most cases they will be posted just prior to the next class after an exam.

UNIVERSITY RESOURCES, PROCEDURES, AND GUIDELINES

Academic Accommodations

At Texas A&M University-Central Texas, we value an inclusive learning environment where every student has an equal chance to succeed and has the right to a barrier-free education. The Warrior Center for Student Success, Equity and Inclusion is responsible for ensuring that students with a disability receive equal access to the university’s programs, services and activities. If you believe you have a disability requiring reasonable accommodations, please contact the Office of Access and Inclusion, WH-212; or call (254) 501-5836. Any information you provide is private and confidential and will be treated as such.

For more information, please visit our [Access & Inclusion](https://tamuct.instructure.com/courses/717) Canvas page (log-in required) [<https://tamuct.instructure.com/courses/717>]

Academic Integrity

Texas A&M University-Central Texas values the integrity of the academic enterprise and strives

for the highest standards of academic conduct. A&M-Central Texas expects its students, faculty, and staff to support the adherence to high standards of personal and scholarly conduct to preserve the honor and integrity of the creative community. Any deviation by students from this expectation may result in a failing grade for the assignment and potentially a failing grade for the course. All academic misconduct concerns will be referred to the Office of Student Conduct. When in doubt on collaboration, citation, or any issue, please contact your instructor before taking a course of action.

For more [information regarding the student conduct process](https://www.tamuct.edu/student-affairs/student-conduct.html), [https://www.tamuct.edu/student-affairs/student-conduct.html].

If you know of potential honor violations by other students, you may [submit a referral](https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0), [https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=0].

Drop Policy

If you discover that you need to drop this class, you must complete the [Drop Request](#) Dynamic Form through Warrior Web.

[https://federation.ngwebsolutions.com/sp/startSSO.ping?PartnerIdpId=https://eis-prod.ec.tamuct.edu:443/samlssso&SpSessionAuthnAdapterId=tamuctDF&TargetResource=https%3a%2f%2fdynamicforms.ngwebsolutions.com%2fSubmit%2fStart%2f53b8369e-0502-4f36-be43-f02a4202f612].

Faculty cannot drop students; this is always the responsibility of the student. The Registrar's Office will provide a deadline on the Academic Calendar for which the form must be completed. Once you submit the completed form to the Registrar's Office, you must go into Warrior Web and confirm that you are no longer enrolled. If you still show as enrolled, FOLLOW-UP with the Registrar's Office immediately. You are to attend class until the procedure is complete to avoid penalty for absence. Should you miss the drop deadline or fail to follow the procedure, you will receive an F in the course, which may affect your financial aid and/or VA educational benefits.

Important information for Pregnant and/or Parenting Students

Texas A&M University-Central Texas supports students who are pregnant, experiencing pregnancy-related conditions, and/or parenting. In accordance with requirements of Title IX and related guidance from US Department of Education's Office of Civil Rights, the Dean of Student Affairs' Office can assist students who are pregnant and/or parenting in seeking accommodations related to pregnancy and/or parenting. Students should seek out assistance as early in the pregnancy as possible. For more information, please visit [Student Affairs](https://www.tamuct.edu/student-affairs/pregnant-and-parenting-students.html) [https://www.tamuct.edu/student-affairs/pregnant-and-parenting-students.html]. Students may also contact the institution's Title IX Coordinator. If you would like to read more about these [requirements and guidelines](http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf) online, please visit the website [http://www2.ed.gov/about/offices/list/ocr/docs/pregnancy.pdf].

Title IX of the Education Amendments Act of 1972 prohibits discrimination on the basis of sex and gender—including pregnancy, parenting, and all related conditions. A&M-Central Texas is able to provide flexible and individualized reasonable accommodation to pregnant and parenting students. All pregnant and parenting students should contact the Associate Dean in the Division of Student Affairs at (254) 501-5909 to seek out assistance. Students may also contact the University's Title IX Coordinator.

Tutoring

Tutoring is available to all A&M-Central Texas students, both virtually and in-person. Student success coaching is available online upon request.

If you have a question, are interested in becoming a tutor, or in need of success coaching contact the Warrior Center for Student Success, Equity and Inclusion at (254) 501-5836, visit the Warrior Center at 212 Warrior Hall, or by emailing WarriorCenter@tamuct.edu.

Chat live with a remote tutor 24/7 for almost any subject from on your computer! Tutor.com is an online tutoring platform that enables A&M-Central Texas students to log in and receive online tutoring support at no additional cost. This tool provides tutoring in over 40 subject areas except writing support. Access Tutor.com through Canvas.

University Library & Archives

The University Library & Archives provides many services in support of research across campus and at a distance. We offer over 350 electronic databases containing approximately 631,525 eBooks and 75,149 journals, in addition to the 97,443 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place virtually through WebEx, Microsoft Teams or in-person at the library. [Schedule an appointment here](https://tamuct.libcal.com/appointments) [https://tamuct.libcal.com/appointments]. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our [Library website](https://tamuct.libguides.com/index) [https://tamuct.libguides.com/index]

University Writing Center

University Writing Center: Located in Warrior Hall 416, the University Writing Center (UWC) at Texas A&M University–Central Texas (A&M–Central Texas) is a free service open to all A&M–Central Texas students. The hours of operation are from 10:00 a.m.-5:00 p.m. Monday thru Thursday in Warrior Hall 416 (with online tutoring available every hour as well) with satellite hours available online only Monday thru Thursday from 6:00-9:00 p.m. and Saturday 12:00-3:00 p.m.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students' ideas and writing, our tutors highlight the ways in which they read and interpret students' texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via [WOnline](https://tamuct.mywconline.com/) [https://tamuct.mywconline.com/]. In addition, you can email Dr. Bruce Bowles Jr. at bruce.bowles@tamuct.edu if you have any questions about the UWC, need any assistance with scheduling, or would like to schedule a recurring appointment with your favorite tutor.

OTHER POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].

Behavioral Intervention

Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, please make a referral to the Behavioral Intervention Team. Referring your concern shows you care. You can complete the [referral](#) online

[https://cm.maxient.com/reportingform.php?TAMUCentralTexas&layout_id=2].

Anonymous referrals are accepted. Please see the [Behavioral Intervention Team](https://www.tamuct.edu/bit) website for more information [https://www.tamuct.edu/bit]. If a person's behavior poses an imminent threat to you or another, contact 911 or A&M-Central Texas University Police at 254-501-5805.
