## COURSE REQUIREMENTS

### Assignments

1. Performance Assessments You will partake in *at least* five performance exams throughout the semester. *At least 3* of these will be solo performances. For any of the performances, you may be asked to perform in front of the class, record the performance and/or upload your performance to the ELMS website, Class SmartMusic site, or other designated place. Expectations are different for students based on their experience level with brass instruments:
  1. *High Brass players (trumpet, horn):* you will spend approximately 80% of your performance time learning to play the trombone, euphonium and tuba. The remaining 20% will be devoted to the final brass instrument.
  2. *Low Brass players (trombone, euphonium, tuba):* you will spend approximately 80% of your performance time learning to play the trumpet and horn. The remaining 20% will be devoted to the flow brass
  3. *Non-brass players:* you will spend approximately 30% of your performance time on trumpet & 30% on trombone, with the remaining 40% dedicated to horn, euphonium and tuba.
2. Quizzes, Test & Exams Short quizzes will be given at various times throughout the semester at the beginning of class or on canvas. They could be based on any material that has been read, presented, discussed, etc. as part of the class. Written midterm and final exams will be given. The grade necessary to pass any exam, quiz or test, is 70%. If a grade is not achieved, and the assignment is completed on time, then the instructor has the right to give an alternative quiz/assessment. For

any quiz given to assess comprehension of reading material not passed, the student will provide a detailed outline of the content covered by the next class. **If not turned in by the next class, the opportunity to improve one's grade will no longer be available.**

3. Private Lesson assignment: This assignment is comprised of two parts. For the first part, you must find a student that has never played a brass instrument. You will bring that student to class (on the date stipulated in the syllabus) and teach them an introductory lesson on either the trumpet or trombone. For the second part of the assignment, you will teach the same student a follow up lesson in which you will successfully teach them how to play a short song. The second lesson will be video recorded and uploaded to YouTube or Dropbox. Both lessons will require a typed lesson plan to be turned in at the time of the assignment.
4. Brass arrangement: You will create an arrangement of an American folk-tune, popular song, or other instructor-approved piece and arrange it for a Level 2-3 brass ensemble as assigned using proper scoring techniques and musical ideas. Since this is in the fall semester a holiday tune could also be appropriate. You will also create a Tuning Sequence for brass instruments similar to those utilized by drum and bugle corps.
5. The arrangement should be 1- 2 minutes in length. It should be created using notation software such as Sibelius or Finale. For ideas of what may constitute an American folk-tune, think about what may be considered to be folk music to Americans. For ideas visit [http:// www.folkways.si.edu](http://www.folkways.si.edu). Look specifically at the Classic Series.
6. To determine what is meant by Grade 2-3 brass ensemble music you will want to check out what current brass music (solos, duets, quintets, etc.) look like at this level. I encourage you to look on the Internet for ideas. You may wish to search publisher sites such as Kendor, Hal Leonard, etc. or through distributors such as [jwpepper.com](http://jwpepper.com). Additionally, examine materials available in SmartMusic. The MERC has Sibelius on its computers as does the tech lab. You may also wish to use.
7. On the rough draft due date, please bring a copy of the score and parts all instruments to class.
8. The score and parts should be transposed so that it can be read for the assembled group. Extra credit will be given for those students who record themselves playing all brass parts of the arrangement mixed together and recorded on Youtube.
9. Brass methods note book Either a three-ring binder or digital file containing used information to refer to when you are teaching. Information should include items such as fingering charts. Lip Slurs, technical ideas, mouthpiece information etc.
1. Brass Performance Listening-You will locate an inspirational (to you) brass recording and share it with of 3-5 minutes in length and present it to the class with your comments on what students should listen for in the piece .
2. Weekly Attendance: You are allowed three unexcused absences (sick/personal days). After that a doctor's note will be required. Any more than three absences and points will be deducted from your grade.
8. NOTE: At times, it may be necessary to add or adapt assignments for the benefit of student learning. If this is the case, all necessary information will be provided and students will be given an appropriate amount of time to complete the assignment.

## OTHER POLICY STATEMENTS

### A Note about Sexual Violence at A&M-Central Texas

Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Wellness and Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don't agree with their behaviors and tell survivors we will support them. Your actions matter. Don't be a bystander; be an agent of change. For additional information on campus policy and resources visit the [Title IX webpage](https://www.tamuct.edu/compliance/titleix.html) [https://www.tamuct.edu/compliance/titleix.html].
