COURSE INFORMATION

COURSE OVERVIEW AND DESCRIPTION
The course provides aspiring principals with opportunities to strengthen knowledge and skills necessary to
become critical consumers and producers of research. The course utilizes literature on educational
research, research methods, and action research so that students will become developers of quality
research impacting school improvement. Specific resources used in the course are the required texts,
problem-based learning activities, interactions with peers/practitioners in the field, personal experience,
and resources provided by the instructor.

The course utilizes a “blended” (online and face-to-face) format managed through Canvas. Each lesson
builds on the previous lesson (research, data collection, school portfolio, and action research project), so
overall success in the course is dependent upon the successful participation and attendance. The final
session is a collaborative opportunity designed to share projects and receive peer feedback. Instructor
contact is expected if questions cannot be resolved using the information provided in Canvas.

IMPORTANT: Please note the five (5) in-person course session seminar dates/times: June 3, June 24, July 8,
July 22, and August 5.

Prerequisite(s): Admission to program and approval of program coordinator.
STUDENT LEARNING OUTCOMES (STATE STANDARD ALIGNMENT)
EDLD 5301 students will be able to:

1. Search for and critique current journal articles related to action research. (A2, E1)
2. Collect and analyze multiple data points from the school environment to guide efforts in instructional/programmatic decision-making, quality planning, visioning and continuous improvement. (A2 D1,2,7,8,9 E1)
3. Use current research and multiple data measures to identify goals and strategies toward the development of an action research/school improvement plan. (A2 D1,2,7,8,9 E1)
4. Create an action research plan/school improvement that is developed through a lens of ethics, equity, and diversity. (F2,4,8)

STANDARDS FOR PRINCIPAL CERTIFICATE
Principal preparation programs are required by the State Board for Educator Certification (SBEC) to use the knowledge and skills base developed by SBEC in the development of program curricula and coursework. These standards (19TAC §241.15) also serve as the foundation for the individual assessment, professional growth plan, and continuing professional education activities required to re-new the Standard Principal Certificate. The six standards are (1) School Culture, (2) Leading Learning, (3) Human Capital, (4) Executive Leadership, (5) Strategic Leadership, and (6) Ethics, Equity, and Diversity. This course is designed to focus specifically on the following Texas standards:

- Standard 4 Executive Leadership (skill statements 1, 2, 7, 8, 9)
- Standard 6 Ethics, Equity, and Diversity (skill statements 2, 4, 8)
- Standard 1 School Culture (skill statement 2)
- Standard 5 Strategic Operations (skill statement 1)

In addition, the course will address the following national standards:
- National Educational Leadership Preparation Standards (NPBEA Building Level)
  - Standard 1 Mission, Vision, & Core Values (skill statement 1.4)
  - Standard 3 Equity & Cultural Leadership (skill statements 3.1)
  - Standard 8 Internship and Clinical Practice (skill statement 8.1)

Required texts include:

COURSE REQUIREMENTS
ASSIGNMENTS & ASSESSMENTS (SLO ALIGNMENT)

TExES 368 Orientation – Performance Assessment for School Leaders PASL (SLO #1-4) (10 points)
Your course instructor will deliver an orientation seminar highlighting the important details and information necessary for successful preparation and completion of the TExES 368 Certification Exam. Each candidate will complete and exit ticket assignment and upload to Canvas.

Interactive Practice Exam - TExES 268 Principal as Instructional Leader (PIL) (10 points)
Every EDLD candidate will take the Interactive TExES 268 Exam to collect baseline data regarding their entry-level knowledge/application of Texas Principal Domains and Competencies. Candidates will take the exam in a large group setting with date/time to be determined. Baseline data is a measurement of the behavior taken before interventions are started. Candidate baseline data will be used as a platform for growth and analysis during program progression. Candidates will sign-up/purchase ($10) the Interactive TExES 268 Practice Exam. Upload your official score/feedback document into Canvas.

Written Summary of Personal Performance Data from Interactive Practice Exam (10 points)
Candidates will use “descriptive” and “analytical” writing to provide an overview summary of their individual baseline data from the Interactive Practice Exam. In addition to the descriptive and analytical narrative, the paper will also include a “visual” representation of the baseline data via chart or graph.

Online Dialogues (SLO #1-4) (10+10+10pts=30 pts total)
Students will engage in a series of three (3) online dialogue sessions via Canvas concerning reading assignments focused on educational leadership. Following the posting instructions for each dialogue, students will submit one original post (include summary of content, application of content, personal perspective/reflection) and follow with two response posts (include affirmation, perspective, extension) to the observations/reflections of other students, creating a virtual conversation about the readings. Consideration of ideas differing from one’s own perspective is required. (assessment: collaborative participation rubric)
Reading #1 Bambrick-Santoyo, Paul. (2010). Driven by Data 2.0, Ch 1&2
Reading #2 Bambrick-Santoyo, Paul. (2010). Driven by Data 2.0, Ch 3&4
Reading #3 Bambrick-Santoyo, Paul. (2010). Driven by Data 2.0, Ch 5, 6, & 7

Action Research Part 1 – Data Collection/Description/Analysis (SLO#2, 3) (10 pts total)
Students will collect school data related to an identified campus need. Students will “describe” the data and then “analyze” the data (use of descriptive and analytical writing). The written product should include a general overview/description of data, analysis of data, identification of strength and weakness, implications, and summary. Specific Steps: 1.) identify campus need, 2.) collect data, 3.) review and analyze data, 4.) identify areas of strength and weakness, 5.) develop your individual campus document/narrative/report that could be presented to your principal or stakeholder group. The written analysis will be written in APA format. (Assessment: Data Collection and Analysis Rubric)

Action Research Part 2 – Research Article Critique (SLO#1) (10 pts total)
Each student will identify/read/critique one research article related to an identified campus need. Apply the questions posed by McEwan and McEwan to guide reading/critique of published research article (article
related to action research). After addressing the questions, the student will finish the critique with a reflective/application narrative. The critique will be written in APA format, 3-4 pages in length. (Assessment: Written Product Assessment Rubric)

**Action Research Part 3 – The Improvement Plan** (SLO 1-4) (20 points)
This assignment is designed to produce a school improvement plan targeting an identified campus need. Your plan should include collaboration with colleagues, identification of need/problem, data used to support, plan for improving problem area, review the literature/research/best practice that could potentially address the problem, propose an intervention for addressing the problem, include a timeline for implementation of the intervention, and expected outcome of the intervention. (Assessment: Action Research Project Rubric)

**GRADING CRITERIA RUBRIC AND CONVERSION**
The instructor will determine grades for the course assignments and assessments through the use the assignment criteria and rubrics. To earn the grade of A, students must earn a total of 90% of the total points on the following learning activities/items. For a grade of B, a total of 80% of the total points must be earned. Maximum points for each assignment are in ( ).

In no case should materials be those submitted for another course. A grade of Incomplete (I) will not be given except in extremely unusual cases. You are expected to attend and participate (Collaborative Participation Rubric) in all f2f class sessions and complete and submit all assignments to be eligible for an A in the course. A grade of C may result in retaking the course. Point system may be revised if necessary to accommodate unexpected changes in course schedule. The instructor reserves the right to amend the syllabus at any time.

To earn the Grade of A: 90 minimum accrued points (90% of 100)
To earn the Grade of B: 80 minimum accrued points (80% of 100)

- 368 Orientation (10pts)
- Interactive Practice Exam (IPE) 268 Score Report (10pts)
- Written Analysis of IPE 268 Results (10pts)
- Online Dialogues 1, 2, 3 (30 pts)
- AR Part 1 - Data Collection Analysis (10pts)
- AR Part 2 - Research Article Critique (10pts)
- AR Part 3 - Improvement Plan (20 pts)

Students not meeting the grading guidelines described above will receive a grade of C or lower based on their performance or absences. In addition to specific suggestions and/or criteria given in individual assignments, the grading criteria and rubrics on the next two pages will be used in the course.

**POSTING OF GRADES**
Grades will be posted using the Grade Center tool on the course Canvas site.

**University Writing Center**
The University Writing Center (UWC) at Texas A&M University–Central Texas (TAMUCT) is a free service open to all TAMUCT students. For the Summer 2020 semester, all services will be online as a result of the COVID-19 pandemic. The hours of operation are from 10:00 a.m.-4:00 p.m. Monday thru Thursday with satellite hours online Monday thru Thursday from 6:00-9:00 p.m. This summer, the UWC is also offering hours from 12:00-3:00 p.m. on Saturdays starting June 27th and ending July 18th.

Tutors are prepared to help writers of all levels and abilities at any stage of the writing process. While tutors will not write, edit, or grade papers, they will assist students in developing more effective composing practices. By providing a practice audience for students’ ideas and writing, our tutors highlight the ways in which they read and interpret students’ texts, offering guidance and support throughout the various stages of the writing process. In addition, students may work independently in the UWC by checking out a laptop that runs the Microsoft Office suite and connects to WIFI, or by consulting our resources on writing, including all of the relevant style guides. Whether you need help brainstorming ideas, organizing an essay, proofreading, understanding proper citation practices, or just want a quiet place to work, the UWC is here to help!

Students may arrange a one-to-one session with a trained and experienced writing tutor by making an appointment via [WCOnline](https://tamuct.mywconline.com/). In addition, you can email Dr. Bruce Bowles Jr. at [bruce.bowles@tamuct.edu](mailto:bruce.bowles@tamuct.edu) if you have any questions about the UWC and/or need any assistance with scheduling.

**University Library**
The University Library provides many services in support of research across campus and at a distance. We offer over 200 electronic databases containing approximately 250,000 eBooks and 82,000 journals, in addition to the 85,000 items in our print collection, which can be mailed to students who live more than 50 miles from campus. Research guides for each subject taught at A&M-Central Texas are available through our website to help students navigate these resources. On campus, the library offers technology including cameras, laptops, microphones, webcams, and digital sound recorders.

Research assistance from a librarian is also available 24 hours a day through our online chat service, and at the reference desk when the library is open. Research sessions can be scheduled for more comprehensive assistance, and may take place on Skype or in-person at the library. Assistance may cover many topics, including how to find articles in peer-reviewed journals, how to cite resources, and how to piece together research for written assignments.

Our 27,000-square-foot facility on the A&M-Central Texas main campus includes student lounges, private study rooms, group work spaces, computer labs, family areas suitable for all ages, and many other features. Services such as interlibrary loan, TexShare, binding, and laminating are available. The library frequently offers workshops, tours, readings, and other events. For more information, please visit our [Library website](http://tamuct.libguides.com/index).
OPTIONAL POLICY STATEMENTS

A Note about Sexual Violence at A&M-Central Texas
Sexual violence is a serious safety, social justice, and public health issue. The university offers support for anyone struggling with these issues. University faculty are mandated reporters, so if someone discloses that they were sexually assaulted (or a victim of Domestic/Dating Violence or Stalking) while a student at TAMUCT, faculty members are required to inform the Title IX Office. If you want to discuss any of these issues confidentially, you can do so through Student Counseling (254-501-5955) located on the second floor of Warrior Hall (207L).

Sexual violence can occur on our campus because predators often feel emboldened, and victims often feel silenced or shamed. It is incumbent on ALL of us to find ways to actively create environments that tell predators we don’t agree with their behaviors and tell survivors we will support them. Your actions matter. Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].

Behavioral Intervention
Texas A&M University-Central Texas cares about the safety, health, and well-being of its students, faculty, staff, and community. If you are aware of individuals for whom you have a concern, who are exhibiting concerning behaviors, or individuals causing a significant disruption to our community, please make a referral to the Behavioral Intervention Team.
