COURSE REQUIREMENTS
**Reading Assignments:** All assigned chapters will be used as basis for class/canvas discussions. Students are expected to study the assigned readings before each class session.

**Class Participation:** Students are required to participate in discussions on Canvas throughout the semester. There will be two discussions posts, each worth 25 points. The maximum total for canvas discussions is 50 points. Students are expected to post thoughtful and comprehensive responses to the discussion questions as well as respond on a timely basis to a minimum of two classmates’ postings. Failure to do so will result in point loss. Post your initial response to the discussion topic prior to 11.59 pm Wednesday and respond to other student’s postings later in the week. Please do not be late in your postings as other students will be waiting on your post to respond to later in the week. Discussion topics, due dates and the grading rubric specific to discussion evaluations are available on canvas and should be used as a guide when participating in discussions. It is each student’s responsibility to accumulate notes from assigned readings, supporting videos, and other sources and reference them in the postings to support one’s own arguments, add an insight to classmate’s postings and/or challenge classmates’ postings. Sources when referenced must be cited in the postings. Follow-up posts need to be meaningful and should promote in-depth discussions on a topic at a higher level of thinking. You are expected to contribute to the class discussions in meaningful ways. A mere cursory response such as “I agree” or “I disagree” or a “good post” without any substantive content to backup would result in point loss. In all postings, students are expected to observe proper rules of netiquette in both oral and written communications and conduct in a professional manner. Late submissions are not allowed for discussion forums.

**Quizzes** - There will be 4 quizzes. Each quiz will be worth 30 points. Thus, the maximum total for the quizzes will be 120 points

**Examinations** - There will be two major exams. Each will be worth 250 points. Makeup exams will be given ONLY when arrangements have been made PRIOR to the class meeting.

**Homework Assignments** - There will be 3 homework assignments. If an assignment has multiple files, you will be required to “zip” the files prior to submission via Canvas.

**Term Project:** There will be one term project that is worth 150 points. The project requirements and due date will be posted in Canvas. Late submission is not allowed for project. Special circumstances need to be discussed with the instructor ahead of time when possible.

A Note about Sexual Violence at A&M-Central Texas

Don’t be a bystander; be an agent of change. For additional information on campus policy and resources visit the Title IX webpage [https://www.tamuct.edu/compliance/titleix.html].
