

CURRICULUM VITAE
PAUL E. DOUTHIT, PH.D., LMFT

Chupik Counseling and Consulting (Private Practice)

Professor Emeritus
Department of Pediatrics, Texas Tech University Health Sciences Center
Division of Developmental and Behavioral Pediatrics

EDUCATION:

- | | |
|----------------|---|
| 1/1988-4/1990 | Ph.D. in Marriage and Family Therapy (MFT) from Nova University, Ft. Lauderdale, FL; this university is now known as Nova Southeastern University. (* NOTE – The director of Texas Tech University Marriage and Family Therapy program and mentor, Dr. Brad Keeney, accepted the directorship of a new MFT program at Nova University in fall of 1988. Left the Texas Tech MFT program, along with other doctoral students from the Texas Tech program, to complete the doctoral program in Marriage and Family Therapy at Nova University. Chose to make this change primarily in order to complete my Ph.D. under his direction.) |
| 8/1985-12/1988 | Doctoral student in the Marriage and Family Therapy program – Texas Tech University, Lubbock TX |
| 1976-1980 | M.A. Psychology – University of Houston, Houston TX |
| 1970-1975 | B.S. Psychology – University of Houston, Houston TX |

POSITIONS HELD:

- | | |
|-------------------|--|
| 2/2014 to Present | Private practice with Chupik Counseling and Consulting |
| 10/2013-5/2017 | Part time instructor for Capella University in the Nursing and Health Sciences program |
| 11/89-02/2014 | Associate Professor of Clinical Pediatrics– Division of Developmental Pediatrics, Department of Pediatrics/Texas Tech University Health Sciences Center, Lubbock, TX
Current Responsibilities: Ongoing outpatient psychotherapy with children, teenagers, parents and |

families referred by pediatricians, family practitioners, school officials, etc. Two half day clinics in conjunction with the general pediatric clinic in order to provide consultation pertaining to psychosocial, developmental, emotional and behavioral issues of children and teenagers.

Served as the coordinator of the Developmental Rotation for first year pediatric residents, since 1997. During the month that each first-year resident spends in this rotation they are provided with in-depth knowledge of developmental pediatrics as well as being exposed to the different professionals and agencies that serve children with developmental delays or disabilities.

Served as the coordinator of Pediatric Grand Rounds, since July of 2006; responsibilities consist of scheduling speakers to present different pertinent and interesting topics in the field of Pediatrics.

Participated in the training of pediatric residents and first- and third-year medical students in developmental, psychosocial and emotional issues on an on-going basis.

2/04-11/05

Special assistant and consultant on psychosocial and emotional issues of latency aged children and teenagers to the Office of Population Affairs within the Department of Health and Human Services (DHHS), Alma Golden, M.D. & Deputy Assistant Secretary for Population Affairs. DHHS and the Department of Pediatrics/TTUSOM entered into a consultation contract that afforded me the opportunity to commute between Rockville MD and Lubbock TX to provide consultative services to DHHS.

Assisted in the creation of a government web site, 4parents.gov, to help parents' better parent older children and teenagers.

Assisted in the creation of a document that described and detailed key ingredients in creating an abstinence-based community-oriented program for children and teenagers.

Assisted in creating the first national Abstinence Education Evaluation Conference in Baltimore MD in November 2005. Responsible for chairing the committee that selected over 20 different abstinence programs to present at the poster session portion of the conference.

Provided consultation to different grantees in the Office of Adolescent Pregnancy Programs concerning psychosocial and emotional issues specific to pregnant and or parenting teenagers.

1/90-9/2003

Provided consultation to the regional Child Protective Services agency. Served on the Permanency Planning Team staffing process on this team for 3 ½ years as the team leader and for 9 ½ as a team member.

Provided consultation to the Intensive Family Preservation unit within the Lubbock CPS. Met with the team on a weekly basis to provide guidance on psychosocial, emotional, and developmental issues of children, teenagers, adults and families.

7/85-12/88

Teaching assistant, worked as a half-time research assistantship and worked as a staff therapist in the Family Therapy Clinic as a doctoral student in the Marriage and Family Therapy program at Texas Tech University, Lubbock TX

2/83-6/85

Belle Park Psychiatric Hospital
Supervisor: JoAnne Carlson – duties included providing individual, group and family therapy in an adolescent psychiatric inpatient hospital

5/3/82-1/14/83

Clinical Therapist at DePelchin Children's Home
Supervisor: Karen Pierret, MSW Therapist – duties included providing individual, family and group therapy in a residential setting to latency age children.

9/80-4/82

Mental Health and Mental Retardation Authority of Harris County in Houston, TX
Supervisor: Cheryl Verlander, MSW and Angel Marion, MSW.
Staff Psychologist – provided psychological testing for DHR; individual, family and group therapy; case consultation with DHR caseworkers

8/79-9/80

Mental Health and Mental Retardation Authority of Harris County in Houston, TX
Supervisor: Alice Williams, MSW.

Psychological Assistant – Duties included providing psychological screenings for Harris County Child Welfare; case consultation with caseworkers’ liaison between MHMRA and DHR/CPS

10/78-1/79

Foundation of Language and Learning Opportunities – agency dedicated to evaluating and working with children with specific learning disabilities
Supervisor: Pat Johnson, Ph.D.
Performed psychological testing with children suspected of being learning disabled; report writing; remedial therapy with learning disabled children

10/78-4/79

Private contract testing in Houston TX
Supervisors: Drs. Jerome Brown and Bill Schulman, Ph.D.
Duties included cognitive and personality testing of latency aged children in the Houston Independent school District

5/71-9/75

South Main Baptist Church – Recreation Department
Supervisor: Tim Price, Minister of Recreation (25 hours per week).
Responsibilities included supervising adolescents and children in various forms of recreation; skills instructor in basketball, riflery, tennis and physical fitness

INTERSHIP EXPERIENCE AND TRAINING:

1/89-5/89

Family Therapy Center at Nova Southeastern University –
Supervisor: Dr. Wendel Ray.
Worked in an intensive crisis focused family therapy program; all of the sessions were held in the client’s home setting

9/85-11/88

Family Therapy Clinic at Texas Tech University –
Supervisors: Dr. Neal Newfield, Dr. Monte Bobele, Dr. Ray Becvar and Dr. Brad Keeney.
Psychotherapy with individuals, couples and families in the Texas Tech University MFT family therapy clinic

1/78-5/78

Mental Health and Mental Retardation Authority of Harris County – Supervisor: Barbara Crabtree, MS.
Duties included intake interviews and evaluations; psychological assessments of adolescents; group, family and marital therapy; consultation with schools and other community agencies

9/77-12/77 Texas Research Institute for the Mental Sciences – Supervisor: Elgan Baker, Ph.D. Duties included intake interviews and formal mental status reports; psychological assessments of adults in a psychiatric inpatient setting; individual therapy; biweekly progress meetings and weekly staffing

6/77-9/77 Children’s Mental Health Services (now Houston Child Guidance)
Supervisor: Cay Canady, MS.
Duties included family evaluation interviews and assessments; psychological assessments and evaluations of children; individual therapy and play therapy; consultation with parents and community agencies

CONTRACTS AND GRANTS:

09/06 – 9/2011 Provide consultation services to Arlington Independent School District and Tori Sisk, Pregnancy Related Services Coordinator. Assisted Ms. Sisk in the development and evaluation of a new program that will be offered to parenting or pregnant teenagers in their school district this fall. Helped to developed the curriculum modules for this program and then trained the counselors responsible for implementing the program. Provided on-going staff development in the area of mental health issues of teenagers.

10/98 - present Provide psychotherapeutic services to elementary and secondary age children and teenagers along with consultation to teachers and parents once a basis at Hart Independent School District school-based clinic in Hart, Texas.

9/07- 8/10 Provided psychotherapeutic services to elementary and secondary age children and teenagers along with consultation to teachers and parents in Frenship Independent School District’s school-based health center.

8/08-1/10 Provided consultation for master level psychotherapists who are part of Project SUPPORT in the TTUHSC Dept. of Psychiatry. This project was a state of Texas and FREW settlement funded program to provide psychological assistance to Medicaid recipients and their families. These therapists were co-located in pediatric clinics and worked

side by side with pediatricians, nurse practitioners and nurses to offer “real time” counseling

- 9/05-9/08 Provided psychological consultation to the local Early Childhood Intervention program; such as consultation on infant mental health, infant and early child development and family therapy on an as needed basis.
- 7/06-9/08 Provided consultation services to the Heritage Community Services organization in Charleston, South Carolina. Assisted this organization in updating, editing and referencing their Abstinence Curriculum for older children and teenagers.
- 8/06-5/07 Provided consultation to the Texas State Health Department in Lubbock TX. Assisted Devon Casey in exploring the possibilities of instituting abstinence-based programming in different Independent School Districts in and around Lubbock.
- 2/04-11/05 Special assistant and consultant on psychosocial and emotional issues of latency aged children and adolescents to the Office of Population Affairs within the Department of Health and Human Services (DHHS), Alma Golden, M.D./Deputy Assistant Secretary for Population Affairs. DHHS and the Department of Pediatrics/TTUSOM entered into a consultation contract that allowed me to commute between Rockville MD and Lubbock TX allowing me to provide services to DHHS in the Washington area.
- 8/99-1/04 Provided consultation to SHAPES Head Start agency on mental health and developmental issues of young children and their parents.
- Coordinated this agency’s semi-annual mental health conference for staff and parents.
- 10/98-1/2014 Provided psychotherapeutic services to elementary and secondary age children and teenagers along with consultation to teachers and parents once a basis at Hart Independent School District school-based clinic in Hart, Texas.
- 1/90-9/03 Provided consultation to the regional Child Protective Services agency. Served on the Permanency Planning

Team staffing process for 3 ½ years as the team leader and for 9 ½ as a team member.

Provided consultation to the Intensive Family Preservation unit within the Lubbock CPS. Met with the team on a weekly basis to provide guidance on psychosocial, emotional, and developmental issues of children, teenagers, adults and families.

TEXAS TECH UNIVERSITY HSC COMMITTEES:

8/98- 2/2003 Served on the Admissions Committee for the School of Medicine

9/06-9/09 Served on the Student Affairs Committee
