## PROFESSIONAL EXPERIENCE

---

2013 – Present      **Psychologist/ Owner, Private Practice**  
**Jeanette Madkins, PhD, ABPP, PLLC**

- Provide culturally responsive, evidence-based individual, couple, and group psychotherapy for adults.
- Evidence-based modalities provided include: CBT, CBT-I, CPT, PE, ERP, and IPT.
- Currently providing services solely via HIPAA-compliant telehealth platform, utilizing a HIPAA-secured electronic health records system for scheduling and documentation
- Areas of clinical focus include:
  - Diversity issues (including adjustment concerns related to oppressive academic/ work environments, marginalization, racial/ gender/ gender identity and sexual orientation trauma related to persistent exposure to micro/macroaggressions and -ism based trauma),
  - Women's issues, perinatal mental health/ reproductive psychology (trauma, infertility, termination for medical reasons, miscarriage, high risk pregnancy/delivery, pregnancy and postpartum mood disorders, perinatal OCD, perinatal anger, perinatal grief and loss, recurrent loss, post-abortion concerns, STI adjustment, body image concerns),
  - Emerging/mid adulthood and identity development issues (including career counseling, interpersonal/ relational skills, stress management),

- Career adjustment issues (including career development, transition/ disruption, workplace marginalization concerns),
- Mood disorders and anger concerns/emotional regulation skills,
- Sexual trauma/ interpersonal violence, and
- Returning veteran/re-integration concerns (military psychology).

08/07 – 08/17

**Texas A&M University Student Counseling Service  
Training Director (2016 – 2017)**

- Administrated all agency training efforts, including the APA Accredited 2000-hour Pre-doctoral Internship in Health Service Psychology program, the doctoral level advanced practicum program, and the master's level practicum program
- Administered all doctoral psychology trainee recruitment, interviewing/ hiring, onboarding, and performance evaluation efforts
- Administrated development and monitoring of training curriculum, supervision, evaluation, and competency markers
- Provided clinical individual and group supervision to psychology doctoral interns and doctoral/ master's level trainees (including career guidance, mentorship, experiential workshops, and didactic trainings)
- Provided experiential and didactic trainings on procedural topics that included ethical screening of clients for treatment readiness and needs, ethical referral practices, social justice practices in the field of psychology
- Provided experiential and didactic trainings on clinical topics that included racial/ ethnic diversity awareness, cultural competence and self-awareness, working with trauma/ sexual assault survivors, working with anger/ emotional dysregulation, working with eating disorder diagnoses, working with religious diversity
- Provided peer consultation/ support to staff psychologists who also supervised doctoral psychology trainees
- Supported matching of trainees to clinical supervisors, mentoring trainees in assessing own developmental needs and seeking a "good fit" in supervisor
- Maintained training records and documentation, attesting to trainee development for post-trainee licensure processes
- Successfully led transition of predoctoral intern training manual into electronic form, allowing for interns to accumulate an electronic notebook of training activities, and allowing for training supervisors to streamline provision and revision of training resources/ articles/ presentations
- Led Training Committee revision and updating of internship evaluation protocol and forms to align with new APA Standards of Accreditation for Health Service Psychology in doctoral training
- Provided administrative oversight and supervision to the Practicum Coordinator and chaired the Training Committee, which was responsible for ongoing evaluation and support of the training program
- Collaborated with Clinical Services Committee in order to align trainee direct service with agency clinical service needs/ expectations/ protocols
- Provided administrative and staff consultation, crisis consultation, and clinical guidance to trainees, agency staff, and campus constituents regarding training and supervision issues
- Developed consultative relationships with Training Directors of other APA-Accredited psychology training sites

**Assistant Director of Counseling (2012 – 2017)**

- Collaborated in executive decision making and planning, provided daily administrative consultation, crisis consultation, and clinical guidance to agency staff, and provided administrative consultation to staff and campus

constituents regarding psychological concerns and issues affecting the mental health of students

- Supervised and provided annual performance evaluations for 5-8 staff members, including licensed psychologists, licensed professional counselors, a licensed clinical social worker, pre-licensure psychologists and counselors, and pre-doctoral trainees
- Provided clinical individual and group supervision to doctoral psychology interns and doctoral/ master's level trainees (including career guidance, mentorship, experiential workshops, and didactic trainings)
- Provided experiential and didactic trainings on procedural topics that included ethical screening of clients for treatment readiness and needs, ethical referral practices, social justice practices in the field of psychology
- Provided experiential and didactic trainings on clinical topics that included racial/ ethnic diversity awareness, cultural competence and self-awareness, working with trauma/ sexual assault survivors, working with anger/ emotional dysregulation, working with eating disorder diagnoses, working with religious diversity
- Provided administrative oversight for remote service areas, including the remote service office of a psychologist in the TAMU Veterinary School
- Provided administrative oversight for agency service areas, including Biofeedback/ Wellness, Social Media, Referral Services, and services for International Student Services, Regent's Scholars, and Hispanic students
- Chaired five search committees and hiring processes, culminating in the successful hire of three psychologists, one licensed professional counselor, and one licensed clinical social worker
- Restarted and chaired the Diversity Initiatives Committee (facilitated staff safe spaces for difficult dialogues around marginalization and oppressive diversity-based experiences and facilitated staff collaboration on updating the agency-wide Diversity Statement)
- Provided guidance and supervision to trainees regarding the short term treatment model and how to effectively assess client treatment needs for appropriateness of care within that model
- Developed Policies & Procedure Manual for the clinical staff, which included generating new procedural documents and revising existing documents
- Served on the Training Committee, collaborating on support and administration of the APA Accredited predoctoral internship training program in Health Service Psychology and participated in the planning and implementation of doctoral psychology trainee recruitment, interviewing/ hiring, onboarding, and performance evaluation efforts.
- Served on the Multicultural Conference Planning Committee, collaborating on planning of the agency annual conference focused on diversity issues and serving as the speaker contacts (supported presentation preparation, speaker contracts, and development of learning objectives)
- Served on the Clinical Services Committee (supported agency work towards maintaining ethical and efficient provision of clinical services)

#### **Staff Psychologist (2007 – 2017)**

- Utilized an electronic health records system for scheduling and documentation
- Within a collaborative, multidisciplinary model, provided personal/ academic/ career counseling for current students using evidence-based practices including CBT, ACT, Mindfulness, Emotion-Focused Therapy, and Interpersonal Process Therapy

- Assessed client treatment needs and appropriateness for treatment within counseling center short-term treatment resources (providing referrals for more appropriate treatment when needed)
- Served as the Sexual Assault Services Coordinator, Women's Services Coordinator, and Anger Services Coordinator, providing administrative oversight and liaison services related to these issues
- Facilitated outreach workshops and crisis responses for the university students and community,
- Provided consultation for students, parents, university staff/ faculty,
- Provided clinical supervision for interns and doctoral/ master's level trainees (including career guidance, mentorship, experiential workshops, and didactic trainings),
- Provided crisis intervention, facilitated parent contact and hospitalizations when needed, and provided referrals for follow-up,
- Areas of clinical focus included:
  - Diversity issues (including adjustment concerns related to oppressive academic/ work environments, racial/ gender/ gender identity and sexual orientation trauma related to persistent exposure to micro/macroaggressions and -isms),
  - Emerging adulthood and identity development issues (including choosing major, career counseling, interpersonal/ relational skills, stress management, academic counseling, adjustment to college/ individuation/ homesickness),
  - Career adjustment issues (including career development, transition/ disruption, retirement concerns),
  - Eating concerns/ body image issues,
  - Mood disorders and anger concerns/emotional regulation skills,
  - Grief and loss,
  - Violence risk/ anger assessment (mandated referrals from Student Life, Student Conflict Resolution Services, Residence Life, etc.),
  - Sexual trauma/ interpersonal violence, and
  - Returning veteran/re-integration concerns (military psychology).
