		Subtotal	36
		Total	120

Notes/Comments	
Texas A&M–Central Texas only offers upper-level courses (those labeled 3XXX-5XXX), all lower-level courses (those labeled 1XXX-2XXX) should be completed at the transferring institution. A minimum of 120 semester credit hours is required for all baccalaureate degrees. For help with transfer planning, please speak with an academic advisor or enrollment specialist. <i>This transfer guide is intended for planning and visualization purposes and is subject to change.</i> 1. Refer to the General Education Core Requirements page for more information on the CORE Requirement coursework. 2. Refer to Technical Specialization Credit page for more information. 3. Students may also fulfill this degree requirement by completing CIS 3300 at Texas A&M University–Central Texas. 4. These courses may be taken during the summer. 5. AVSC 3350 or AVSC 3321 may be substituted for MGMT 3350. See Advisor for approval. 6. AVSC Upper-Level Electives are to be approved by a faculty advisor. 7. The Federal Aviation Administration's test standard for all aviation-related courses is a minimum passing grade of 70%. All Aviation Science (AVSC) courses reflect that standard; a course grade below 70% is a course failure. This policy does not apply to management, marketing, and business courses taught through the College of Business Administration (COBA), from which several classes originate. Those classes have a passing grade of 60%.
