# TRANSFER Central

Providing a Pathway to Success  
for Today's College Students

# WHAT YOU **NEED TO KNOW**

**TRANSFER CENTRAL** provides guidance for students seeking a direct, more affordable path to a bachelor's degree starting as early as your first college course. Graduate on time with less debt!

With Transfer Central, you get:

- **A dedicated enrollment specialist** who serves as your single point of contact until you are ready to transfer to A&M-Central Texas.
- **A personalized degree plan** that will allow you to understand your degree progression and how your community college credits apply to your bachelor's degree program.
- **Opportunities** to connect with our Warrior community and participate in various events.
- **Access** to financial aid experts and resources to help you navigate the financial aid process, cost of attendance, and your financial assistance options.

**Experience a seamless transition from your current community college to A&M-Central Texas with all the tools you need to be successful.**

## Community College Partners

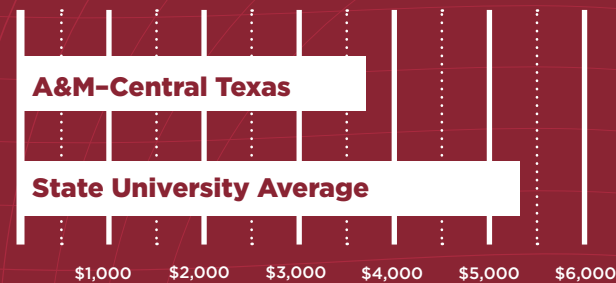

## YOUR **TRANSFER DESTINATION**

## Compare the Cost

We compared the average cost of tuition and fees for 15 credit hours at Texas' 4-year state colleges and universities, according to the Texas Higher Education Coordinating Board.
